*Without Reservations* Feb 11 2021 Paris Dear Alice, Each morning I am awakened by the sound of a tinkling bell. A cheerful sound, it reminds me of the bells that shopkeepers attach to their doors at Christmastime. In this case, the bell marks the opening of the hotel door. From my room, which is just off the winding staircase, I can hear it clearly. It reminds me of the bell that calls to worship the novice embarking on a new life. In a way I too am a novice, leaving, temporarily, one life for another. Love, Alice In the tradition of Anne Morrow Lindbergh's Gift from the Sea and Frances Mayes's Under the Tuscan Sun, in *Without Reservations* we take time off with Pulitzer Prize winner Alice Steinbach as she explores the world and rediscovers what it means to be a woman on her own. "In many ways, I was an independent woman," writes Alice Steinbach, a single working mother, in this captivating book. "For years I'd made my own choices, paid my own bills, shoveled my own snow, and had relationships that allowed for a lot of freedom on both sides." Slowly, however, she saw that she had become quite dependent in another way: "I had fallen into the habit . . . of defining myself in terms of who I was to other people and what they expected of me." Who am I, she wanted to know, away from the things that define me--my family, children, job, friends? Steinbach searches for the answer to this provocative question in some of the most exciting places in the world: Paris, where she finds a soul mate in a Japanese man; Oxford, where she takes a course on the English village; Milan, where she befriends a young woman about to be married. Beautifully illustrated with postcards Steinbach wrote home to herself to preserve her spontaneous impressions, this revealing and witty book will transport readers instantly into a fascinating inner and outer journey, an unforgettable voyage of discovery.

*Everybody loves a good drought* Nov 30 2019 The human face of

poverty The poor in India are, too often, reduced to statistics. In the dry language of development reports and economic projections, the true misery of the 312 million who live below the poverty line, or the 26 million displaced by various projects, or the 13 million who suffer from tuberculosis gets overlooked. In this thoroughly researched study of the poorest of the poor, we get to see how they manage, what sustains them, and the efforts, often ludicrous, to do something for them. The people who figure in this book typify the lives and aspirations of a large section of Indian society, and their stories present us with the true face of development.

[Hollywood Park](#) Mar 15 2021 \*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\* "A Gen-X This Boy's Life...Music and his fierce brilliance boost Jollett; a visceral urge to leave his background behind propels him to excel... In the end, Jollett shakes off the past to become

the captain of his own soul. Hollywood Park is a triumph." —O, The Oprah Magazine "This moving and profound memoir is for anyone who loves a good redemption story." —Good Morning America, 20 Books We're Excited for in 2020 "Several years ago, Jollett began writing Hollywood Park, the gripping and brutally honest memoir of his life. Published in the middle of the pandemic, it has gone on to become one of the summer's most celebrated books and a New York Times best seller..." —Los Angeles Magazine HOLLYWOOD PARK is a remarkable memoir of a tumultuous life. Mikel Jollett was born into one of the country's most infamous cults, and subjected to a childhood filled with poverty, addiction, and emotional abuse. Yet, ultimately, his is a story of fierce love and family loyalty told in a raw, poetic voice that signals the emergence of a uniquely gifted writer. We were never young. We were just too afraid of ourselves. No one told us who we were or what we were or where all our parents went. They would arrive like ghosts, visiting us for a morning, an afternoon. They would sit with us or walk around the grounds, to laugh or cry or toss us in the air while we screamed. Then they'd disappear again, for weeks, for months, for years, leaving us alone with our memories and dreams, our questions and confusion. ... So begins Hollywood Park, Mikel Jollett's remarkable memoir. His story opens in an experimental commune in California, which later morphed into the Church of Synanon, one of the country's most infamous and dangerous cults. Per the leader's mandate, all children, including Jollett and his older brother, were separated from their parents when they were six months old, and handed over to the cult's "School." After spending years in what was essentially an orphanage, Mikel escaped the cult one morning with his mother and older brother. But in many ways, life outside Synanon was even harder and more erratic. In his raw, poetic and powerful voice, Jollett portrays a childhood filled with abject poverty, trauma, emotional abuse, delinquency and the lure of drugs and alcohol. Raised by a clinically depressed mother, tormented by his angry older brother, subjected to the unpredictability of troubled step-fathers and longing for contact with his father, a former heroin addict and ex-con, Jollett slowly, often painfully, builds a life that leads him to Stanford University and, eventually, to finding his voice as a writer and musician. Hollywood Park is told at first through the limited perspective of a child, and then broadens as Jollett begins to understand the world around him. Although Mikel Jollett's story is filled with heartbreak, it is ultimately an unforgettable portrayal of love at its fiercest and most loyal.

He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats.

In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. **Indulekha** Aug 27 2019 Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.

**Social Mobility In Kerala** Jul 19 2021 Filippo and Caroline Osella, anthropologists who spent three years in rural Kerala, south India, write about the modern search for upward social mobility: the processes involved, the ideologies that support or thwart it, and what happens to the people involved. They focus on the caste called Izhavas, a group that in the mid-19th century consisted of a small land-owning and titled elite and a large mass of landless and small tenants who were largely illiterate and considered untouchable, and who eked out a living by manual labor and petty trade. In the 20th century, Izhavas pursued mobility in many social arenas, both as a newly united caste and as families. The work considers how successful the mobility has been and looks at the effects on their society of an ethos of progress. Distributed by Stylus. **No Elephants for the Maharaja** Jan 31 2020 In commemoration of

the old hunting parties of the Maharaja of Travancore used to lead a silent procession adorned by gorgeously caparisoned elephants from the temple in Trivandrum to the sea beach. Blood had been shed in the hunt and the gods must be purified by a bath in the sea. After Independence the former Maharaja still made regular visits to the same temple in his ancient Rolls-Royce. But the pomp and ceremony of the Princely rule were gone and there were no elephants for the Maharaja. This change symbolizes the larger transformations in Travancore documented in this book. In 1921 Travancore was still ruled by an all-powerful Dewan. Local Hindus, Muslims and Christians pressed for greater participation in the state administration by appealing to loyalties of caste and religion. The result was a strong communalism which clever Dewans could make use of as part of a policy of divide-and-rule. Louise Ouwerkerk dwells extensively on these developments which led to the formation of the Travancore State Congress in which she was personally involved. From 1929-1939 Louise Ouwerkerk was Professor at the Maharaja's Women's College and Travancore University. Although a Government servant, she threw herself into politics and tried to unite the communal leaders on a common platform for more responsible government. As these attempts brought her into conflict with the Dewan, she was dismissed from service. In the early 1970s she wrote the text for this book, largely based on her own files and recollections, supplemented by interviews. She died in 1989. Dick Kooiman, who found the unpublished manuscript among her personal papers, edited the text for publication and wrote an introduction. In spite of Louise's own active involvement, she has succeeded in keeping that critical distance which makes reading her history both entertaining and rewarding. Her work still stands as a major piece of research by a keen, contemporary eye-witness and makes excellent reading as narrative history, rich in its description of local personalities and developments.
