80/20 Sales and Marketing Dec 18 2021 Marketer Perry Marshall converts the widely known 80/20 principle into a master framework that multiplies the power of everything you do in sales and marketing and makes scary-accurate predictions. It's the ultimate secret to

selling more while working less. Guided by famed marketing consultant and best-selling author Perry Marshall, sales and marketing professionals save 80 percent of their time and money by zeroing in on the right 20 percent of their market - then apply 80/20 and 80/203 to gain 10X, even 100X the success. With a powerful 80/20 software tool (online, included with the book), sellers and marketers uncover how to slash time-wasters; advertise to hyper-responsive buyers and avoid tire-kickers; gain coveted positions on search engines; differentiate themselves from competitors and gain esteem in their marketplace. With the included tools they'll see exactly how much money they're leaving on the table, and how to put it back in their pockets. Sellers will identify untapped markets, high-profit opportunities and incremental improvements, gaining time and greater profit potential. Supported by online tools from Marshall, including The 80/20 Power Curve, a tool that helps you see invisible money, and a Marketing DNA Test, a personal assessment that zeroes in on one's natural selling assets, this timeless guide promises to change the game for seasoned and novice marketers and sellers.

Content - The Atomic Particle of Marketing May 31 2020 Content, in all its forms, is the single most critical element of any marketing campaign. Finding a successful equilibrium between content marketing and content strategy is difficult, but essential. Content - The Atomic Particle of Marketing goes beyond superficial descriptions of how to produce engaging social media content to offer the results of many years of deep quantitative research, and hours of interviews with senior marketers at some of the world's leading brands. Written by a recognised industry thought-leader, Content - The Atomic Particle of Marketing explores how content functions in the broader framework of all marketing, as well as organizational concerns and IT decision making. It demonstrates the value content brings not only to "owned" media initiatives, such as a company website or blog, but also the essential role content plays in all other marketing initiatives, from social media to advertising to offline channels. It will enable readers to make the organizational, staffing, tools and process decisions necessary to get content up and running across divisions and organizational silos. Deeply researched and insightful, Content - The Atomic Particle of Marketing is, quite simply, the definitive research-based guide to content marketing.

Instagram Marketing Nov 05 2020 Why do you need Instagram? Because it has become an indispensable marketing tool. The old way of marketing businesses and building a momentum that is strong enough to get your new, up-and-coming business off the ground is gone. Long gone. It's the age of Instagram these days, and any business that is not on Instagram is losing business. Good marketing is about more than planning and preparation for maximum efficiency. You also need to work with the advantages that you have, and the BIGGEST advantage every business owner has access to is, of course, none other than social media platforms like Instagram. Social media platforms have become more than just a library of your best selfies, videos, and pictures of what you had for lunch. For a business owner, it is an untapped resource filled with potential. The kind of potential that could bring your business from new and struggling, to strong, steady, and thriving. One effective marketing campaign is all it takes to begin building momentum. One effective marketing campaign is all it takes to change the direction of your business. Technology has changed a lot of things, and when social media was introduced, things changed even quicker for the business marketing scene. Brands are more than just a distant figure. These days, that are completely unapproachable. Social media has made sure of that. The success of a business today depends heavily on the human connection they can forge with their customers. The kind of engagement and relationship that is only achievable through social media. Why is social media such a powerful marketing

tool? Because of its ability to reach billions of people all over the world in a matter of seconds. Not days. Not hours. Not minutes. Seconds. Think about how quickly your campaign can spread across the globe. Customers on the other side of the world who may not have heard of your business before suddenly can't get enough of it. All because of that one effective marketing campaign that started it all. **Instagram Marketing: The Ultimate Guide for Social Media Success** unlocks the most effective and comprehensive strategies that every new business needs to know (or even if you're an existing business). Marketing on Instagram is an opportunity for you to show the world what your business can do, and in this book, you'll take an in-depth look at: Understanding the dynamics of what social media marketing on Instagram entails. How to grow your following Insightful advice about metrics and crucial information about your customer demographic How to create campaigns that go viral How to achieve the kind of marketing success you've always hoped for your business How to manage your ads and set business goals What the different Instagram ad formats involve The basic Instagram tools you need for consistent top-performing content The attention span of a customer doesn't last very long. You've only got a few precious minutes to make a good impression. Your marketing campaigns are what your customers are going to remember you by. What marketing message do you want your business to deliver?

Rural Rides Sep 22 2019 **Rural Rides** is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing **Rural Rides**, in the early 1820s,

Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

No B.S. Grassroots Marketing Jan 19 2022 Millionaire maker Dan S. Kennedy and local-level marketing specialist Jeff Slutsky empower small business owners to take on big box companies and distant discounters using their best asset—their ability to bond directly with their consumers. Small business entrepreneurs are armed to go “grassroots” given winning strategies to take their marketing to the street level resulting in higher customer retention, greater referrals, and a thriving business for the long-term. About the Book Kennedy and Slutsky dare small business owners to break free of the ingrained tendencies to “advertise when you need more customers” and to copycat what they see big, national companies doing. Local business owners are urged to add some politicking to their business presence, focusing their marketing on directly connecting with their customers, integrating them into their community and even, their daily activities. Kennedy and Slutsky deliver creative, high impact alternatives and supplements to disappointing traditional advertising and new media including strategies for gaining free advertising from local news media, creating events that multiply customers, and effectively using direct mail. Small business owners also uncover surefire tactics that capitalize on their neighborhoods, the four walls of their business, and the internet, reaching their local customers and creating a sense of a personal relationship. Throughout their lesson in going grassroots, Kennedy and Slutsky also reveal the nine inconvenient truths of grassroots marketing, keeping small business owners on track and on their way local business stardom. Features • Presents a marketing approach specifically engineered for small (local) businesses • Reveals 9 No B.S. inconvenient truths and how to implement them • Illustrates concepts with examples from practicing business owners • From Dan Kennedy, author of the popular No B.S. books including No B.S. series, which shipped more than 250,000 copies • Identifies what’s wrong with traditional and new media advertising • Offers methodology to break free from ingrained tendencies and copycat marketing

No B.S. Trust Based Marketing Jul 13 2021 “ My research shows we are heading into a major shake-out in business that will determine the leaders for decades to come. This will REQUIRE creative marketing and positionin, and there is no better source than Dan Kennedy on this topic. His book No B.S. Guide to Trust-Based marketing is rich with vital insights.” -Harry S. Dent, Jr., author, The Great Crash Ahead Trust Between Consumers and Businesses is Gone Here's How to Fix It Internationally recognized “millionaire maker,” Dan S. Kennedy, joined by entrepreneur and financial consultant, Matt Zagula, show you how to break down the barriers caused by the “trust no one” mantra invading every customer’s mind today. They deliver an eye-opening look at the core of all business—trust, and teach you the secrets to gaining it, keeping it, and using it to build competitive differentiation, create price elasticity, attract more affluent clients, and inspire referrals. You'll get the essential strategies required to build trust in an understandably untrusting world, and in turn, attract both business and profits. Covers • 8 ways to demonstrate trustworthiness to prospective clients • The #1 secret desire of today’s untrusting prospects—how to understand it, respond to it, and use it to transform marketing, prospecting, and presentations • How to avoid dumb mistakes that scream “salesman” to prospects • Why “Where can I find clients?” is the wrong question. The right question is: How can I construct a business persona and life so that clients seek me out, with trust in place in advance? • How to keep products, services and prospects away from the avalanche of competitive and confusing information online • The incorrect assumption that trust is built by imparting information and knowledge and a breakthrough technique to replace this mistake

He has his finger on its truth—as advertising media, not social media. He also realizes there is a short window of time during which it offers greatest opportunity. He identified this with Google AdWords. Now, this book shows how to capitalize on ideal timing with this media. Finally, he is a well-disciplined direct-response practitioner who holds this accountable for ROI. I bestow my 'No B.S.' blessing." —Dan S. Kennedy, legendary direct marketing advisor and author of the No B.S. series.

The Ultimate Marketing Plan Feb 08 2021 Marketing starts with putting together the best, most promotable message possible that truthfully represents the 'goods' you have, and that message has to highlight a 'USP' - a unique selling proposition. The Ultimate Marketing Plan will equip readers with the tools they need to find their own USP for all their products, services, or businesses and teach them which delivery methods are the best for their situation. The Ultimate Marketing Plan has been updated to include new marketing techniques, including voice mail services, the internet, e-mail and broadcast faxing. Through success stories, examples and hands-on 'Think Sheets' readers will learn how to: * Research the competition * Build customer interest * Create their own publicity department with little or no budget * And more!

Digital Marketing Strategies Sep 03 2020 DIGITAL MARKETING STRATEGIES 2019 book describes up to date, useful, tested and effective strategies in an easy to understand way. 1. "DIVIDE & CONQUER" METHOD As of 2019, an average consumer sees 10,000 marketing messages per day and the attention span of an average internet user declined to only 8 seconds. 1.3 billion websites try to impress these people. In such an environment, you cannot achieve

success by targeting wide audiences and using general marketing messages. To gain their attention, you have to divide your target audience and communicate each segment with the most relevant marketing message. 2. SEARCH ENGINE OPTIMIZATION (SEO) As the competition gets fierce, you have to work more than ever in 2019. This chapter provides detailed information regarding all 5 stages of SEO: Research, Strategy & Keyword Selection, On-site SEO, Infrastructure and Usability, Link Development, and Performance on Search Engine Results Page (SERP). 3. DIGITAL ADSThis chapter focuses on the strategies that will provide the highest conversion in Google Ads (formerly AdWords) and Facebook Ads. You will find detailed information on how to structure your digital ad campaigns and discover effective strategies to achieve success. The chapter provides various examples on text, display and social ad campaigns. 4. SOCIAL MEDIA This chapter focuses on achieving high ROI from social media. Platform-specific success strategies are presented based on Facebook, Instagram, Twitter, YouTube and LinkedIn. 5. EMAIL NEWSLETTERS In addition to the format, content, timing and frequency of email newsletters, there is a specific section regarding performance analysis. CHECKLISTS AND THE THINGS YOU NEED TO DO To help you get results, you will find 30-item checklists at the end of each chapter. Using them, you will be able to review the topics that are covered in each chapter. You will also find a special section at the end of each chapter, focusing on the things you need to do to implement this knowledge in your campaigns after reading this book. This will eliminate the gap between reading the book and taking action, as is the case in many other books. Many brands have already implemented "Divide and Conquer" method and significantly improved their digital marketing conversion. Now, it is your turn!

The Ultimate Marketing Engine Aug 14 2021 Learn proven principles to create and maintain a clear, effective marketing strategy that attracts your ideal clients, generates greater profits, and is easy for you and your team to follow. Marketing has changed drastically with the introduction of a growing array of digital channels and it's

difficult for small business owners and marketing executives to keep up. As a result, marketing initiatives have become fragmented as marketers focus on individual aspects of their plan, rather than executing an overall strategy. Using the principles that he teaches in his first book, on his podcast, and in his blog, John Jantsch, founder of the marketing platform Duct Tape Marketing, teaches you how to create and maintain a simple, effective, and clear marketing strategy that you and your teams can easily follow. In *The Ultimate Marketing Engine*, readers will learn: Why having a strategy is so important and how an effective strategy will render the competition irrelevant. How to cultivate relationships with their target audience. How to find the tactics that are in plain view and capitalize on them. That your brand is what your customers say it is and why a strategy is essential to guiding that narrative. The value of content as the voice of strategy. Strategy is the crucial first step to a solid marketing foundation for a company's brand and products. This book will help readers create and maintain that foundation.

The Referral Engine Jul 01 2020 The small business guru behind Duct Tape Marketing shares his most valuable lesson: how to get your customers to do your best marketing for you. The power of glitzy advertising and elaborate marketing campaigns is on the wane; word-of-mouth referrals are what drive business today. People trust the recommendation of a friend, family member, colleague, or even stranger with similar tastes over anything thrust at them by a faceless company. Most business owners believe that whether customers refer them is entirely out of their hands. But science shows that people can't help recommending products and services to their friends-it's an instinct wired deep in the brain. And smart businesses can tap into that hardwired desire. Marketing expert John Jantsch offers practical techniques for harnessing the power of referrals to ensure a steady flow of new customers. Keep those customers happy, and they will refer your business to even more customers. Some of Jantsch's strategies include: -Talk with your customers, not at them. Thanks to social networking sites, companies of any size have the opportunity to engage with their customers on their home turf as never before-but the key is listening. -The sales team is the most important part of your marketing team. Salespeople are the company's main link to customers, who are the main source of referrals. Getting them on board with your referral strategy is critical. -Educate your customers. Referrals are only helpful if they're given to the right people. Educate your customers about whom they should be talking to. The secret to generating referrals lies in understanding the "Customer Referral Cycle"-the way customers refer others to your company who, in turn, generate even more referrals. Businesses can ensure a healthy referral cycle by moving customers and prospects along the path of Know, Like, Trust, Try, Buy, Repeat, and Refer. If everyone in an organization keeps this sequence in mind, Jantsch argues, your business will generate referrals like a well-oiled machine. This practical, smart, and original guide is essential reading for any company looking to grow without a fat marketing budget.

Social Media Marketing Nov 17 2021 Social media is a rapidly growing ecosystem that has developed as a strong platform for small businesses and influencers to make their impact on the world.

The Ultimate Guide to Content Marketing and Digital PR Jun 24 2022 Ever wanted to get your business featured in publications like Forbes, National newspaper websites, magazines and trade journals? Perhaps you've noticed the rise of blogging and wondered how your business can tap into this ready-made network of highly influential people to boost your credibility and get in front of your perfect target audience? In this groundbreaking book, the superstar Digital PR team from Exposure Ninja break down step-by-step their process for getting any business in any market coverage in the most relevant online publications. Whether you want to build credibility to become an authority, drive traffic to your website or attract the sort of links that turbocharge ranking, this book will walk you through the process. You will discover: How businesses of all size - from 1 person to 100,000

people - can utilise Digital PR for free publicity. How to identify the perfect market to maximise the impact of your Digital PR. How to generate ideas and angles for stories that publications will bite your hand off for. The 'secret underworld' of Sponsored Content and how to utilise it for maximum profit. How to use Content Marketing to spread your reach through infographics, articles, and videos. How to find and connect with the most influential bloggers in your market and have them sing your praises publicly to their audience. How to use contests to boost your social media following (including one example that generated over 3,000 entries for less than the price of three cups of coffee). How and why to use live events to explode your online visibility (clue: the strategies in this section won't have even occurred to your competitors). How to create and manage a workable digital PR campaign in whatever time you have available, whether it's 20 minutes per week or 8 hours per day. How to use two hashtags on Twitter to 'unlock' a hidden world of journalists desperate to write about you (clue: see an example of this strategy where we sent 3 tweets which got us featured in Forbes, The Telegraph, and The Guardian websites in less than 2 weeks). What most businesses don't realise is that journalists, editors, and bloggers are crying out for good stories to write about. Provided that you understand exactly what they are looking for and how to position your business in a way that makes you interesting, rather than have to push push push, these gatekeepers will be coming to you asking for more! About The Authors Charlie and Luke head up Exposure Ninja's Digital PR team. With years of experience running campaigns for businesses in every imaginable market (and even some unimaginable ones!), they have developed a set of simple, easy-to-follow systems that mean any business can get the sort of visibility online that previously seemed out of reach.
