Passive Income, Aggressive Retirement Nov 22 2019 Two million dollars. That's how much money anyone under age 40 will need to accumulate to retire. That often means working 40-hour-weeks and penny-pinching your whole life. How else could you save a cool \$2 mil? Finance guru, former financial advisor, and Amazon bestselling author of *Money Honey*, Rachel Richards has one goal in mind: teaching you everything you need to know to become financially free earlier than you ever thought possible. At age 27, Rachel quit her job and retired, living off \$10,000+ per month in passive income streams. Let her show you how to do it at any age--it's never too late. What is passive income? Passive income is earned with little to no ongoing work. It's no get-rich-quick scheme, but once your passive income exceeds your expenses, you are set for life. In a refreshingly realistic how-to guide, Rachel serves up 28 tried and true passive income stream models, helping you to: Achieve "Financial Independence, Retire Early" without penny-pinching Create consistent, long-term residual income (the non-multi-level-marketing way), so you can live life on your terms Have the flexibility to work when, where, and if you want Say "goodbye" to your 9-5, and create a life you totally love Eliminate your money stresses and fears Rachel supplements boatloads of research and personal expertise by interviewing well-known experts! You'll hear directly from big names such as HAL ELROD, BOBBY HOYT, DAVID OSBORN, HONORÉE CORDER, and more! Hal Elrod is the internationally bestselling author of *The Miracle Morning(tm)* Series, which has been translated into 37 languages and has impacted over 2,000,000 people's lives! Bobby Hoyt is a former high school band director and the founder of *Millennial Money Man*. He now makes six figures per month from his blog, online courses, and recurring revenue! David Osborn is a multi-millionaire real estate mogul who started out broke and unemployed at age 26, only to become one of the most successful real estate franchise owners in the world! Honorée Corder has written over 50 books. She teaches the *You Must Write a Book Live Coaching Course* and is an executive book coach! Doug Skipworth is the co-founder and principal broker at *Crestcore Realty*, which manages 2,500 properties in Tennessee. He personally owns hundreds of rentals! Thom Shepherd is a CMA of Texas Songwriter of the Year and has written five #1 singles! If you regularly feel the Sunday Scaries or always dread getting up for work in the morning, this book is for you. This book is for the college student already dreading the 9-5 life that waits him upon graduating; the couple who would rather spend their time doing what they want, instead of slaving away for their employers every day; and the single parent who is barely scraping by. Regardless of your WHY, passive income could be your HOW. Join the thousands of people who have already found success with these strategies. Applicable in 2019, 2020, and beyond, *Passive Income, Aggressive Retirement* is the gift that keeps on giving. Get it

for yourself, for a Christmas gift, or to jumpstart a New Year's Resolution. Complete beginner or not, by the end of *Passive Income, Aggressive Retirement*, you'll know exactly what it takes and how to get started.

Passive income is real and attainable for everyone, even you. Are you ready to join the movement?

Ask a Manager Nov 15 2021 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Atomic Habits Apr 27 2020 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Soul of Money: Transforming Your Relationship with Money and Life Jan 17 2022 "A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." —Brené Brown, Ph.D., author of the #1 New York Times bestseller *Rising Strong* This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through

personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. The Soul of Money now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

Out of Touch Sep 01 2020 A behavioral scientist explores love, belongingness, and fulfillment, focusing on how modern technology can both help and hinder our need to connect. A Next Big Idea Club nominee. Millions of people around the world are not getting the physical, emotional, and intellectual intimacy they crave. Through the wonders of modern technology, we are connecting with more people more often than ever before, but are these connections what we long for? Pandemic isolation has made us even more alone. In *Out of Touch*, Professor of Psychology Michelle Drouin investigates what she calls our intimacy famine, exploring love, belongingness, and fulfillment and considering why relationships carried out on technological platforms may leave us starving for physical connection. Drouin puts it this way: when most of our interactions are through social media, we are taking tiny hits of dopamine rather than the huge shots of oxytocin that an intimate in-person relationship would provide. Drouin explains that intimacy is not just sex—although of course sex is an important part of intimacy. But how important? Drouin reports on surveys that millennials (perhaps distracted by constant Tinder-swiping) have less sex than previous generations. She discusses pandemic puppies, professional cuddlers, the importance of touch, "desire discrepancy" in marriage, and the value of friendships. Online dating, she suggests, might give users too many options; and the internet facilitates "infidelity-related behaviors." Some technological advances will help us develop and maintain intimate relationships—our phones, for example, can be bridges to emotional support. Some, on the other hand, might leave us out of touch. Drouin explores both of these possibilities.

The Millionaire Fastlane Feb 06 2021 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -

- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Play Nice But Win Apr 08 2021 WALL STREET JOURNAL BESTSELLER From Michael Dell, renowned founder and chief executive of one of America's largest technology companies, the inside story of the battles that defined him as a leader In 1984, soon-to-be college dropout Michael Dell hid signs of his fledgling PC business in the bathroom of his University of Texas dorm room. Almost 30 years later, at the pinnacle of his success as founder and leader of Dell Technologies, he found himself embroiled in a battle for his company's survival. What he'd do next could ensure its legacy—or destroy it completely. Play Nice But Win is a riveting account of the three battles waged for Dell Technologies: one to launch it, one to keep it, and one to transform it. For the first time, Dell reveals the highs and lows of the company's evolution amidst a rapidly changing industry—and his own, as he matured into the CEO it needed. With humor and humility, he recalls the mentors who showed him how to turn his passion into a business; the competitors who became friends, foes, or both; and the sharks that circled, looking for weakness. What emerges is the long-term vision underpinning his success: that technology is ultimately about people and their potential. More than an honest portrait of a leader at a crossroads, Play Nice But Win is a survival story proving that while anyone with technological insight and entrepreneurial zeal might build something great—it takes a leader to build something that lasts.

The 4 Day Week Dec 16 2021 SHORTLISTED FOR THE BUSINESS BOOK AWARDS 2021 In The 4 Day Week, entrepreneur and business innovator Andrew Barnes makes the case for the four-day work week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company Perpetual Guardian, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours. The outcomes of this trial, which no business leader had previously attempted on

these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity, work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and governance. The 4 Day Week is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social media, reaching a global audience in more than seventy countries. A mix of trenchant analysis, personal observation and actionable advice, The 4 Day Week is an essential guide for leaders and workers seeking to make a change for the better in their work world.

The Four-Day Workweek Jun 10 2021 This provocative book makes a compelling case for reducing the number of workdays in a week to four. Globalization has brought with it fiercer competition and greater worker mobility, and as organizations compete for top talent, they are becoming more open to unconventional worker arrangements, such as remote working and flextime. International business expert, Robert Grosse, draws on scholarly research to construct an appealing argument for why the four-day workweek benefits both the organization and the employee. Research has demonstrated that longer work hours harm the individual and don't amount to a more effective organization, which begs the question: then why do it? The book goes beyond merely arguing that a reduced workweek is a good idea. It delves into why, explores the means for achieving it, and scrutinizes the barriers to getting there. This is a book for forward-thinking executives, leaders, and academics who understand that work-life balance is the secret sauce not only for organizational success, but also for greater productivity and satisfaction in their careers and those of the people they manage.

A Good Food Day Oct 22 2019 In A Good Food Day, more than 100 recipes made with good-for-you ingredients make a good food day—a day when feeling good and eating well go hand in hand—easy and attainable. After years of thoughtless eating that led to weight gain and poor health, chef Marco Canora knew he had to make every day a good food day: a whole day in which every meal was full of healthy and delicious ingredients. But he wasn't willing to give up flavor for health. Instead of dieting, he decided to make simple, natural recipes fit for a food lover's palate. Marco explains the secret powers of good-for-you ingredients (such as low-GI carbohydrates and alkaline-forming greens), and then builds them into recipes that are all about satisfaction, such as Amaranth Polenta with Tuscan Kale, Black Rice Seafood Risotto, Citrus-Spiked Hazelnut and Rosemary Granola, and Chickpea Crepe Sandwiches. He covers techniques to coax natural flavor out of dishes, including infusing seasoning into vegetable salads and pounding fresh herbs and spices into lean meats. To make a lasting change in your diet, the food you eat has to be delicious. A Good Food Day is for people who love real food, and know that healthy and flavorful can go hand in hand.

The E-Myth Revisited Jul 19 2019 An instant classic, this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business. Small business consultant and author Michael E. Gerber, with sharp insight gained from years of experience, points out how common assumptions, expectations, and even technical expertise can get in the way of running a successful business. Gerber walks you through the steps in the life of a business—from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective: the guiding light of all businesses that succeed—and shows how to apply the lessons of franchising to any business, whether or not it is a franchise. Most importantly, Gerber draws the vital, often overlooked distinction between working on your business and working in your business. The E-Myth Revisited will help you grow your business in a productive, assured way.

12 Months to \$1 Million Sep 20 2019 This is the road map to a seven-figure business . . . in one year or less The word "entrepreneur" is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called "easy paths to success." The truth is that building a real, profitable, sustainable business requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. 12 Months to \$1 Million condenses the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million: • The Grind (Months 0-4): This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months. • The Growth (Months 5 - 8): Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business. • The Gold (Months 9-12): It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day. Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-dollar business and be in a position to call your own shots for life.

A Flicker in the Dark Feb 24 2020 A New York Times Bestseller “A smart, edge-of-your-seat story with plot twists you’ll never see coming. Stacy Willingham’s debut will keep you turning pages long past your bedtime.” —Karin Slaughter When Chloe Davis was twelve, six teenage girls went missing in her small Louisiana town. By the end of the summer, her own father had confessed to the crimes and was put away for life, leaving Chloe and the rest of her family to grapple with the truth and try to move forward while dealing with the aftermath. Now twenty years later, Chloe is a psychologist in Baton Rouge and getting ready for her wedding. While she finally has a fragile grasp on the happiness she’s worked so hard to achieve, she sometimes feels as out of control of her own life as the troubled teens who are her patients. So when a local teenage girl goes missing, and then another, that terrifying summer comes crashing back. Is she paranoid, seeing parallels from her past that aren't actually there, or for the second time in her life, is Chloe about to unmask a killer? From debut author Stacy Willingham comes a masterfully done, lyrical thriller, certain to be the launch of an amazing career. A Flicker in the Dark is eerily compelling to the very last page.

5-HOUR WORKDAY Mar 07 2021 A century ago, Henry Ford saw a sea change in worker productivity. It was the industrial revolution. Where other-s saw only more profits, Ford had a much grander vision. He invented the eight-hour workday, cut his employees' workdays nearly in half and doubled their pay. Productivity and profitability soared. By giving more to his workers, he changed the quality of life of an entire nation. Today, we're in the midst of a massive productivity shift for knowledge workers. And yet, the eight-hour workday hasn't changed. Until now, that is. This book is about one company that simply asked why. A company that had the courage to try an experiment, toward re-inventing a more sensible, productive, and healthy workday for today's knowledge workers. That company is Tower Paddle Boards, one of the fastest-growing companies in the nation, and one of Mark Cuban's best Shark Tank investments. In this book, you'll learn how the five-hour workday: Improves business operations, efficiency, and profitability Attracts the brightest minds, the hardest workers, and the best performers Stimulates employee performance and increases retention rates Can be implemented and tested at your company,

temporarily and without risk Can change your life into something better than you ever imagined possible [Tribe of Mentors](#) Jul 11 2021 Life-changing wisdom from 130 of the world's highest achievers in short, action-packed pieces, featuring inspiring quotes, life lessons, career guidance, personal anecdotes, and other advice

Reboot Jun 17 2019 One of the start-up world's most in-demand executive coaches—hailed as the “CEO Whisperer” (Gimlet Media)—reveals why radical self-inquiry is critical to professional success and healthy relationships in all realms of life. Jerry Colonna helps start-up CEOs make peace with their demons, the psychological habits and behavioral patterns that have helped them to succeed—molding them into highly accomplished individuals—yet have been detrimental to their relationships and ultimate well-being. Now, this venture capitalist turned executive coach shares his unusual yet highly effective blend of Buddhism, Jungian therapy, and entrepreneurial straight talk to help leaders overcome their own psychological traumas. Reboot is a journey of radical self-inquiry, helping you to reset your life by sorting through the emotional baggage that is holding you back professionally, and even more important, in your relationships. Jerry has taught CEOs and their top teams to realize their potential by using the raw material of their lives to find meaning, to build healthy interpersonal bonds, and to become more compassionate and bold leaders. In Reboot, he inspires everyone to hold themselves responsible for their choices and for the possibility of truly achieving their dreams. Work does not have to destroy us. Work can be the way in which we achieve our fullest self, Jerry firmly believes. What we need, sometimes, is a chance to reset our goals and to reconnect with our deepest selves and with each other. Reboot moves and empowers us to begin this journey.

The 4-Hour Workweek ... in 30 Minutes Feb 18 2022 The 4-Hour Workweek ...in 30 minutes is the essential guide to quickly learning how to break free from the 9-5 and embrace the revolutionary New Rich world as outlined in Timothy Ferriss's best-selling book, *The 4-Hour Workweek: Escape 9-5, Live Anywhere, and Join the New Rich*. In *The 4-Hour Workweek*, best-selling author Timothy Ferriss asserts that anyone who is willing to adopt a new set of rules—one that centers on creating freedom and automated income rather than relying on conventional concepts of wealth—can successfully embrace the New Rich lifestyle. As Ferriss explains, the New Rich are people who reject the model for living that focuses on years of tireless work followed by permanent retirement. Outlining four clear steps to achieving a liberated life, Ferriss provides the tools for utilizing the currency of the New Rich—time and mobility. Whether you are a time-strapped workaholic or feel trapped by your 9-5, *The 4-Hour Workweek* offers Ferriss's formula for a life of passion, learning, service, excitement—and extremely minimal work. Optionality Oct 02 2020 Not Sure What the Future Holds? No Problem. It's hard not to be worried about the future, especially if you just lost your job, are trying to plan your career, or are suddenly missing thousands of dollars from your retirement account. In *Optionality*, finance journalist Richard Meadows lays out a guide for not only becoming resilient to shocks, but positioning yourself to profit from an unpredictable world. Meadows takes us on a journey from quitting his office job at age 25, to lounging on tropical beaches living the early retirement dream, to finding and adopting an ancient philosophy for systematically pursuing the good life. Learn how to:

- Find investment opportunities with open-ended upside, and maximise the chances of a 'moonshot' success
- Make life-changing choices under conditions of uncertainty
- Achieve the kind of financial freedom that lets you live life on your own terms
- Protect against disaster, build support networks, and create a safety buffer of resilience in every area of life
- Develop a systems approach to making your own luck

Optionality is the key to navigating an uncertain world. In this entertaining and insightful debut, Meadows delivers a timely message: optionality has never been so valuable, and only those who have it will survive and thrive.

The 4-Hour Work Week Jul 23 2022 The international bestseller on escaping the 9-5 and finding a new way of living Forget the old concept of retirement and the rest of the deferred-life plan - there is no need to wait and every reason not to, especially in unpredictable economic times. - * The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.

The Know-It-All Aug 12 2021 33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), *The Know-It-All* chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the Encyclopaedia Britannica from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the Encyclopaedia Britannica. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, *The Know-It-All* recounts the unexpected and comically disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at *Esquire*. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on *Jeopardy!*, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing

fear that attends his first real-life responsibility -- the impending birth of his first child. The Know-It-All is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

Small Giants Mar 27 2020 How maverick companies have passed up the growth treadmill — and focused on greatness instead. It's an axiom of business that great companies grow their revenues and profits year after year. Yet quietly, under the radar, a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals. Goals like being great at what they do, creating a great place to work, providing great customer service, making great contributions to their communities, and finding great ways to lead their lives. In Small Giants, veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own drummer. They include Anchor Brewing, the original microbrewer; CitiStorage Inc., the premier independent records-storage business; Clif Bar & Co., maker of organic energy bars and other nutrition foods; Righteous Babe Records, the record company founded by singer-songwriter Ani DiFranco; Union Square Hospitality Group, the company of restaurateur Danny Meyer; and Zingerman's Community of Businesses, including the world-famous Zingerman's Deli of Ann Arbor. Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create. And he shows how we can all benefit by questioning the usual definitions of business success. In his new afterward, Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book.

12 Weeks in Thailand Jun 29 2020 Learn how to Live the 4-Hour Workweek. Come enjoy the good life on the cheap in Thailand for 12 weeks or more. Instead of spending another month living paycheck to paycheck wouldn't you rather say: ""I spend my days laying under the warm sun with a coconut in my

hand."" ""I started my fight camp 12 weeks ago, and last night, I won my first pro muay thai match."" ""I can't believe I actually get paid to take people scuba diving, this is the best job ever."" ""I spend less in an entire month traveling, getting massages, eating out, and living in Thailand than I spent on rent alone back home."" 12 Weeks in Thailand: The Good Life on the Cheap is a true story that follows the author Johnny F.D. from his home in Los Angeles, California to his first 3 week vacation to Thailand where he decides to give it all up in pursuit of a happier life under the sun. The 4-Hour Body Apr 20 2022 #1 NEW YORK TIMES BESTSELLER • The game-changing author of Tribe of Mentors teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It's the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it's all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse “permanent” injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what The 4-Hour Body delivers.
