[A CHANCE IN THE WORLD Jun 27 2019](#) A heart-rending but uplifting story of the human spirit's ability to prevail. From the day he is five-years-old and dropped off at his foster home of the next eleven years, Stephen is mentally and physically tortured. No one in the system can help him. No one can tell him if he has a family. No one can tell him why, with obvious African-American features, he has the last name of Klakowicz. Along the way, a single faint light comes only from a neighbor's small acts of kindness and caring—and a box of books. From one of those books he learns that he has to fight in any way he can—for victory is in the battle. His victory is to excel in school. Against all odds, the author succeeded. He attended college, graduated, became a successful corporate executive, and married a wonderful woman with whom he established a loving family of his own. Through it, he dug voraciously through records and files and found his history, his birth family—and the ultimate disappointment as some family members embrace him, but others reject him. Readers won't be the same after reading this powerful story. They will share in the hurts and despair but also in the triumph against daunting obstacles. They will share this story with their family, with their friends, with their neighbors.

[#Struggles Mar 17 2021](#) We all love the benefits of technology and social media, but even with the incredible upsides, many of us suspect there are unintended negative consequences that are beyond our control. We've lost perspective, even perhaps ourselves. In this relevant and life-changing new book, *New York Times*

bestselling author and pastor of LifeChurch.tv Craig Groeschel encourages readers who are hungry to regain control over their lives and put Christ first again. He walks them through biblical values that all Christ followers know are essential, but are even more important for the maxed out, selfie-centered world we live in. The more you compare, the less satisfied you are. The more we interact online, the more we crave face to face intimacy, but the harder it is to have. The more filtered our lives become, the harder it is to be authentic. The more information about the pain in the world we're exposed to the more difficult it is to care. It's time to refresh and rediscover our understanding for today's world the biblical principles that life with Christ brings: contentment, intimacy, authenticity, compassion, rest and more. Groeschel taps some of the most up to date studies on the effects of social media on our emotions and our friendships, and shows us through real-life illustrations how we struggle and how we can overcome our struggles with Jesus' life-changing gospel message. With helpful appendices like the 10 Commandments of Using Social Media to Strengthen Your Faith, a challenge to go on Technology Fasts, and Creating Safeguards for Your #Struggles, you'll find #Struggles to be just the guide to bring balance and real-life engagement to your everyday living.

Is This the End? Aug 22 2021 The world seems more fractured each day. People are asking, "Is this the End?" Never have the headlines been this jarring, the cultural changes this rapid, or the moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?" Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new normal, Jeremiah says, and understand how God's hand is still at work on His eternal plan for mankind. No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the power of Christ in all believers, this book directs us on a clear path forward. The book is split into two sections, each covering items surrounding two important questions. **Is This the End of America?** and **Is This the End of the World?** Includes detailed chapters on: Terrorism ISIS and Radicalized Islam The New Russia The Bleeding of America's Borders The "Anything Goes" Society Polarization and Divisiveness The Coming of Christ and many more

Whether exploring Luther's theology of protest, ever-present sense of humor, or misunderstood view of sanctification, this addition to *Crossway's Theologians on the Christian Life* series highlights the ways in which Luther's eventful life shaped his understanding of what it means to be a Christian. Ultimately, this book will help modern readers go deeper in their spiritual walk by learning from one of the great teachers of the faith. Part of the *Theologians on the Christian Life* series.

Having a Mary Heart in a Martha World Feb 25 2022 CBA BESTSELLER • More than a million copies sold! An invitation for every woman who's ever felt she isn't godly enough, isn't loving enough, isn't doing enough. "Easy to read, personal, and well-written with a message much more than surface deep. Joanna probed, challenged, and encouraged me to live day by day as Mary in a Martha world."—Carole Mayhall, author of *Come Walk with Me* and *Here I Am Again, Lord* The life of a woman today isn't all that different from the lives of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet . . . but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him . . . yet you struggle with weariness, resentment, and feelings of inadequacy. Then comes Jesus, into the midst of your busy life, to extend the same invitation he issued long ago to the two sisters from Bethany. Tenderly, he invites you to choose "the better part"—a joyful life of intimacy with him that flows naturally into loving service. With her fresh approach to the familiar Bible story, Joanna Weaver shows how all of us, Marys and Marthas alike, can draw closer to our Lord: deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study for individual or group use. A Study Guide and a corresponding ten-session video series on DVD or online are available separately.

What in the World is Going On? Nov 05 2022 In the New York Times best-selling book, *What in the World is Going On?*, Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In *What in the World is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" Events unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news—and understand what in the world is going on! "A clear, compelling primer on God's heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus' unconditional love and compassion for Jews and Muslims is alone worth the read!" —Joel C. Transforming the United Nations System Aug 29 2019 Global problems require global solutions. The United Nations as presently constituted, however, is incapable of addressing many global problems effectively. One nation- one vote decisionmaking in most UN agencies fails to reflect the distribution of power in the world at large, while the allocation of power in the Security Council is both unfair and anachronistic. Hence, nations are reluctant to endow the United Nations with the authority and the resources it needs. Extensive reform is essential. This analysis is rooted in the proposition that the design of decisionmaking systems greatly affects their legitimacy and effectiveness. Joseph Schwartzberg proposes numerous systemic improvements to the UN system, largely through weighted voting formulas that balance the needs of shareholders and stakeholders in diverse agencies. It indicates ways in which the interests of regions can supplement those of nations while voices of nongovernmental organizations and ordinary citizens can also be heard. In numerous contexts, it promotes meritocracy and gender equity. The book's aim is not to create an unrealistic utopia, but rather to establish a workable world in which the force of law supplants the law of force; a world committed to justice and continuous yet sustainable development. The author argues that, given the many existential threats now confronting our planet, the time frame for decisive action is short. The task is daunting and success is not guaranteed, but in view of the urgency of our situation, we can find ways of mustering the will, imagination, and resources to do the job.

The Creedal Imperative Sep 10 2020 Recent years have seen a number of high profile scholars converting to Roman Catholicism and Eastern Orthodoxy while a trend in the laity expresses an eclectic hunger for tradition. The status and role of confessions stands at the center of the debate within evangelicalism today as many resonate with the call to return to Christianity's ancient roots. Carl Trueman offers an analysis of why creeds and confessions are necessary, how they have developed over time, and how they can function in the church of today and tomorrow. He writes primarily for evangelicals who are not particularly confessional in their thinking yet who belong to confessional churches—Baptists, independents, etc.—so that they will see more clearly the usefulness of the church's tradition.

Irresistible Study Guide Apr 17 2021 Author and pastor Andy Stanley explains what made the earliest Christian movement so compelling and resilient...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? In this six-session video Bible study (DVD/video streaming not included), Pastor Andy answers questions like: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Andy is deeply concerned with the present-day church and its future, and he believes that many of the solutions to our issues can be found by investigating our roots. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world. Designed for use with the Irresistible Video Study (9780310100515) and the Irresistible core book (9780310536970), sold separately.

Titus May 07 2020 Many Christians have heard that truth leads to godliness, but what does this really mean? In this study, Jeff Dodge explores how God's church must foster a gospel message to unbelievers that is free of works-based righteousness-while also boldly calling those who believe to devote themselves to good works. Titus: Life-Changing Truth in a World of Lies is a study resource in the Gospel-Centered Life in the Bible series that provides in-depth lessons for one-on-one discipleship, small group, or large group settings. In this guide, author Jeff Dodge draws insight from Paul's letter to Titus to point men and women to God's blueprint for what he wants the church to look like. He invites readers to see how the gospel disrupts people and culture, turning the world upside-down-or right side-up. This small group resource offers biblically wise, theologically rich content with an easy-to-follow structure to engage readers. With insightful questions and Scripture-based teaching, Dodge helps men and women see Jesus more clearly in the themes found in the book of Titus. Explore this resource and find life-changing truths about the gospel and the heart of God, who desires for the truth to set us free.

The Great Gasbag Jan 03 2020 One of our most beloved comedians, the brilliantly witty and outspoken star of *The View*, hits the most unpopular President ever elected where it hurts—and makes us laugh and cheer—in this hilarious alphabetical guide to everything that's wrong with the "Orange One," Donald Trump. Put down the knife, lock away the gun, lay aside the noose, Joy Behar is here to save you from suicide as she hot walks you through the next four years (two if we are lucky, less if liberal dreams come true). Besides despair, the sane response to the insanity in the White House is laughter. On her hit ABC daytime show *The View*, Joy has been blunt in her condemnation of the comb over-in-chief, and her words have electrified and inspired millions in the resistance for whom #notmypresident has become a rallying cry. *The Great Gasbag* is Joy's answer to the hell that is the Trump Orange House. Structured as an A-Z guide (G is for Gold . . . en shower; P is for Pence and pussy-grabbing; T is for Tweets; Twits, and Twats, etc.), Joy, joined by New York Times bestselling humor author Larry Amoros, offers much-needed doses of levity and humor for everyone determined to #resist. With a major network television profile and a social media audience in the millions, this fearlessly confident star has a powerful platform to entertain Americans of all stripes—from Never Trumpers to fired-up progressives—as she takes on the worst president since . . . well, since ever.
