Nero Nights: A Space Fantasy Romance Nov 29 2019 Nova and Valen barely escaped Isroth with their lives and now they've crash-landed on an empty planet-no people, no tools to fix their ship. Nova has spent her life building and creating mechanics, but this is the most advanced vessel in the galaxy, and she can't figure out what's wrong with it. But maybe the crash was a blessing in disguise. They've seen their entire lives together, but this is the first real time they've ever had with one another. This is their chance to see if their future is worth fighting for, and if there is anything between them besides attraction and fate. On this empty planet, there is no fighting, no war, no conflict. Their days and nights are filled with uncertain glances, soft touches, and life-altering vows. What was once never a question is now a serious consideration: do they even want to fix the ship, or is this the beginning of a brand new, perfect life?

Space Academy Mar 14 2021 When Jayden first arrives at the Galactic Academy, he is understandably excited. He's the first Terran to ever attend the prestigious school, so he's making history with everything he does. A couple weeks after he arrives at the Academy, however, things suddenly turn sour. The daughter of a powerful alien warlord has been kidnapped, and all the evidence points to Jayden as her abductor. Forced to go on the run, Jayden allies with a mysterious figure who is not what he appears. Will Jayden prove his innocence, or will he be destroyed? Read *Space Academy #1* to find out!

Lucifer's Star Aug 07 2020 From the bestselling author of *The Rules of Supervillainy*: Cassius Mass was the greatest star pilot of the Crius Archduchy. He fought fiercely for his cause, only to watch his nation fall to the Interstellar Commonwealth. It was only after that he realized the side he'd been fighting for was the wrong one. Now a semi-functional navigator on an interstellar freight hauler, he tries to hide who he was and escape his past. Unfortunately, some things refuse to stay buried and he ends up conscripted by the very people who destroyed his homeland.

LUCIFER'S STAR is the first novel of the *Lucifer's Star* series, a dark science fiction space opera set in a world of aliens, war, politics, and slavery. *Dragon and Thief* Jun 24 2019 Fourteen-year-old orphan Jack Morgan is hiding out. In a spaceship. Falsely accused of a crime, he pilots his Uncle Virgil's spaceship to a remote and uninhabited planet hoping to escape capture. When another ship crashes after a fierce battle, Jack rescues the sole survivor-- a K'da warrior names Draycos. It turns out Draycos can help Jack clear his name. All they have to do is team up. No problem, right? Until Jack learns that Draycos is not your average alien...in *Timothy Zahn's Dragon and Thief*. Ages 10 and up At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Heaven's Reach Sep 07 2020 Prepare for a harrowing ride through the universe by the New York Times–bestselling author of *Startide Rising* and *The Postman*. Book Three in the *Uplift Storm Trilogy* The peaceful existence of six outcast races on Jijo has ended. Ancient enemies, the Jophur, have discovered them, preparing to subject the refugees to their dark, perverted plans. The Jijoans' only hope is the same ship that accidentally led their foes to the planet. The Earthship *Streaker*, with its crew of uplifted dolphins and a human commander, must somehow lure the Jophur into a chase through space . . . into the unknown. And then into the weird. More than just the fate of Jijo—or that of distant Earth, also suffering a deadly siege—hangs in the balance. Some believe a terrifying prophecy is about to come true, one that involves *Streaker's* trove of artifacts coveted by factions throughout all Five Galaxies. As countless white dwarf stars verge on unexpected explosion, all sentient life in the universe appears to be at risk unless someone can save them. Praise for the Hugo and Nebula Award–winning *Uplift Saga* “The *Uplift* books are as compulsive reading as anything ever published in the genre.” —*The Encyclopedia of Science Fiction* “An extraordinary achievement.” —Poul Anderson, award-winning author of *Tau Zero*, on *Startide Rising* “An exhilarating read that encompasses everything from breathless action to finely drawn moments of quiet intimacy.” —*Locus* on *The Uplift War* “Tremendously inventive, ambitious work.” —*Kirkus Reviews* on *Brightness Reef*

[To End in Fire](#) Nov 09 2020 THE CROWN OF SLAVES SAGA CONTINUES. ADVENTURE AND INTRIGUE IN HONOR HARRINGTON'S STAR KINGDOM FROM NEW YORK TIMES BEST-SELLING AUTHORS DAVID WEBER AND ERIC FLINT. The Solarian League lies in defeat, crushed by the Grand Alliance of Manticore, Haven, and Grayson. Obedient to the Alliance's surrender demands, the League is writing a new Constitution, to prevent the reemergence of out-of-control bureaucrats, like the "Mandarins" who led it to disaster. Frontier Security has been disbanded, the outer worlds have regained control of their own economic destinies, and multiple star systems will soon secede from the League entirely. Yet the League is—and will remain—the largest, most economically powerful human star nation in existence, and despite the overwhelming evidence that their unelected political leaders were the driving force behind the war, many League citizens deeply resent the fashion in which their star nation—the Solarian League—has been humbled. And those who most resent the Grand Alliance continue to blame Manticore for the nuclear bombardment of the planet Mesa after its surrender. They refuse to accept that the League—and the members of the Grand Alliance—could have been manipulated by a deeply hidden interstellar conspiracy called the Mesan Alignment. The Alignment is only an invention of the Grand Alliance, no more than a mask, a cover, for its own horrific Eridani Violations. Those Solarians will never accept the war guilt of the League, because they know the Grand Alliance was just as bad. Because they deeply resent the way in which the Grand Alliance pretends to be the innocent "good guys." And in the fullness of time, those Solarians will seek vengeance upon their enemies. Not all Solarians feel that way, but even some of those who accept that there was an interstellar conspiracy cherish doubts about its origins. But it is still out there, and now defeated Solarians and agents of the victorious Alliance must join forces to find it. Even if they don't believe in it, it believes in them. They must find it and identify it, to

prove to revanchist Solarians that there was a conspiracy. And they must find it and destroy it to end its evil once and for all. The Crown of Slaves Honorverse Series: Crown of Slaves Torch of Freedom Cauldron of Ghosts At the publisher's request, this title is sold without DRM (Digital Rights Management). About the Crown of Slaves Saga: "Fans of Weber's Honor Harrington series . . . will be delighted with this offshoot in which he and coauthor Flint develop several situations and characters from other stories. . . . This outstanding effort transcends the label 'space opera' and truly is a novel of ideas."—Publishers Weekly About David Weber: "[A] balanced mix of interstellar intrigue, counterespionage, and epic fleet action . . . with all the hard- and software details and tactical proficiency that Weber delivers like no one else; along with a large cast of well-developed, believable characters, giving each clash of fleets emotional weight."—Booklist "[M]oves . . . as inexorably as the Star Kingdom's Grand Fleet, commanded by series protagonist Honor Harrington. . . . Weber is the Tom Clancy of science fiction. . . . His fans will relish this latest installment."—Publishers Weekly "This entry is just as exciting as Weber's initial offering. . . . The result is a fast-paced and action-packed story that follows [our characters] as they move from reaction to command of the situation. Weber builds Shadow of Freedom to an exciting and unexpected climax."—The Galveston County Daily News "Weber combines realistic, engaging characters with intelligent technological projection and a deep understanding of military bureaucracy in this long-awaited Honor Harrington novel. . . . Fans of this venerable space opera will rejoice to see Honor back in action."—Publishers Weekly "This latest Honor Harrington novel brings the saga to another crucial turning point. . . . Readers may feel confident that they will be Honored many more times and enjoy it every time."—Booklist About Eric Flint: "This alternate history series is . . . a landmark . . ."—Booklist "[Eric] Flint's 1632 universe seems to be inspiring a whole new crop of gifted alternate historians."—Booklist "[R]eads like a technothriller set in the age of the Medicis . . ."—Publishers Weekly

Wildfire and Steel Apr 02 2020 Dark magic meets galactic warfare. Carina Lin has found her long-lost mage kindred, but her joy is tempered with pain. One of her half-siblings is a dark mage who is planning to lead a powerful clan to galactic domination. Only mages can prevent the horrors that are about to unfold, but Carina faces an impossible dilemma: should she protect her family or defeat her evil half-brother? Her decision leads her to discover secrets about mages she never imagined. **Wildfire and Steel** is book three in the dark, exciting space fantasy series, **Star Mage Saga**. **Jasmine of Draga** Apr 14 2021 Will Adelina use the strength she was born with, or hide under her mask forever? The Neprijat monsters have attacked the Draga System and millions have died. Prince Nash has left to save what's left of his people. Adelina has a plan to save Draga, but first she must convince Raena to allow her to meet with the Drakesthai dragons and ask for aid before it's too late. Between Time and Timbuktu Oct 01 2022 An experimental television play composed of excerpts from his novels and stories, *Between Time and Timbuktu* features Kurt Vonnegut's special blend of scientific expertise, wit, and penetrating comment. "Most unusual, ultra imaginative . . . a sort of cross between 2001: A Space Odyssey and Alice in Wonderland."—Philadelphia Inquirer The basic story line: Young Stony Stevenson wins a jingle contest and, as his prize, is blasted off into the time-space warp. The country's first poet-astronaut thus experiences both past and future human history simultaneously. His observations on it consist mainly of dramatized selections from the author's works. The result is a unique Vonnegut sampler cast in the form of "an excellent drama" (Pittsburgh Press).

86--EIGHTY-SIX, Vol. 1 (light novel) Dec 31 2019 A War Without Casualties The Republic of San Magnolia has long been under attack from the neighboring Giadian Empire's army of unmanned drones known as the Legion. After years of painstaking research, the Republic finally developed autonomous drones of their own, turning the one-sided struggle into a war without casualties-or at least, that's what the government claims. In

truth, there is no such thing as a bloodless war. Beyond the fortified walls protecting the eighty-five Republic territories lies the "nonexistent" Eighty-Sixth Sector. The young men and women of this forsaken land are branded the Eighty-Six and, stripped of their humanity, pilot the "unmanned" weapons into battle...

The Legion of Space Feb 22 2022

Shakespeare's Planet Sep 27 2019 A human space traveler trapped on a remote planet must somehow unravel a confounding alien technology—or else surrender himself to a host of incomprehensible horrors. For thousands of years, Carter Horton has been traveling across the galaxy toward a distant world capable of supporting human life. At journey's end, awakened from his millennia-long sleep by a curiously adaptive android, he is informed that his crewmates have all perished due to a system malfunction. But worse is yet to come: Horton's sentient ship is refusing to return him to Earth, and a strangely cordial predator is waiting for him on the planet's surface. The repulsive creature, Carnivore, arrived here via a tunnel across the universe, as did his late companion—a human dubbing himself William Shakespeare—whom Carnivore just recently devoured. But the tunnel moves in only one direction, and if Carter is unable to reverse it, he will find himself marooned forever in this incomprehensible world, at the mercy of monsters and a terrifying, mind-freezing alien anomaly that occurs every evening in the "God-hour." With unparalleled verve, award-winning science fiction Grand Master Clifford D. Simak performs a truly astonishing feat of world-creation in Shakespeare's Planet. Bursting with intelligence, imagination, and breathtaking invention, this is a gem of speculative fiction from one of the genre's most revered and innovative artists.

Fostered Reality Apr 26 2022 I'd heard that books are gateways to new worlds. I just didn't think that meant literally. Writing was my escape from life in foster care. But I never imagined the new pen I found would unlock a portal to the chaotic alternate universe in my story. Now my pen's back on Earth, and I'm here on the Kryptos—a spaceship headed for the volatile Quadrant Four. And after a series of deadly attacks, I'm assigned the task of figuring out who's behind them. No pressure, right? But I'm determined to get to the bottom of it. Because I finally feel like I belong—and I'll do whatever it takes to protect my new family and friends. I wrote the first part of the story. But without my pen, will I find the power within me to shape how it ends? Buy Fostered Reality today to get whisked away on an action-packed space fantasy adventure...

The Long Way to a Small, Angry Planet Jan 30 2020 **LOGLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR FICTION** 'A quietly profound, humane tour de force' Guardian The beloved debut novel that will restore your faith in humanity #SmallAngryPlanet When Rosemary Harper joins the crew of the Wayfarer, she isn't expecting much. The ship, which has seen better days, offers her everything she could possibly want: a small, quiet spot to call home for a while, adventure in far-off corners of the galaxy, and distance from her troubled past. But Rosemary gets more than she bargained for with the Wayfarer. The crew is a mishmash of species and personalities, from Sissix, the friendly reptilian pilot, to Kizzy and Jenks, the constantly sparring engineers who keep the ship running. Life on board is chaotic, but more or less peaceful - exactly what Rosemary wants. Until the crew are offered the job of a lifetime: the chance to build a hyperspace tunnel to a distant planet. They'll earn enough money to live comfortably for years... if they survive the long trip through war-torn interstellar space without endangering any of the fragile alliances that keep the galaxy peaceful. But Rosemary isn't the only person on board with secrets to hide, and the crew will soon discover that space may be vast, but spaceships are very small indeed. PRAISE FOR THE WAYFARERS 'Never less than deeply involving' DAILY MAIL 'Explores the quieter side of sci-fi while still wowing us with daring leaps of imagination' iBOOKS 'So much fun to read' HEAT 'Chambers is simply an exceptional talent, quietly and beautifully redefining the space opera' TOR.COM 'The most fun that I've had with a novel in a long, long time' iO9

The Winter Tiger May 28 2022 The galaxy lies in ruins. Hundreds of planets crushed to nothing more than dust. The Winter Tiger's diabolic plan has been executed and not a single species lifted a finger to stop him. He was born to rule and with the help of the Elder Three and the might of Tigris behind him no one can stand in his way but that doesn't mean those within his own ranks might turn on him... Star Wolf and the Band of Breeds have formed an alliance that has drawn upon the forces of the Scarlett Fox, the Night Badger and the infamous Leopard Shadowfang but will their combined strength be enough to topple the growing Tiger empire? Every decision the Winter Tiger makes is born from methodical planning and careful manipulation of the Tiger forces. A wrong move could see him incur the wrath of the Tiger planet's rulers, the loathsome Elder Three. A foul trio too preoccupied with dark arts and rituals designed to prolong their already extensive lifespans. The Winter Tiger must continue to fight a war on two fronts, head-on against Star Wolf and his newly formed army and internally, amongst the shadows against the ever-growing politics back on Tigris...

Adelina is drawn to Prince Nash in a way she's never experienced before, but he's forbidden to her. She must decide if she will defy the Crown for a chance at love or suffer the consequences. Because war is coming and no one will remain unscathed - not even a princess. This is a slow burn, steamy polyamorous space fantasy romance. There is some female/female bisexual romance.

Space and Beyond Jul 18 2021 Although the exploration of space has long preoccupied authors and filmmakers, the development of an actual space program, discoveries about the true nature of space, and critical reconsiderations of America's frontier experiences have challenged and complicated conventional portrayals of humans in space. This volume reexamines the themes of space and the frontier in science fiction in light of recent scientific and literary developments. Included are the observations of noted science fiction writers such as Arthur C. Clarke, Gregory

Benford, James Gunn, and Jack Williamson, along with contributions from leading scholars in the field.

Behind the Throne Jun 04 2020 Behind the Throne begins K. B. Wagers's action-packed science fiction adventure, with a heroine as rebellious as Han Solo, as savvy as Leia, and as skilled as Rey. Hail Bristol has made a name for herself as one of the most fearsome gunrunners in the galaxy. But she can't escape her past forever: twenty years ago, she was a runaway princess of the Indranan Empire. Now, her mother's people have finally come to bring her home. But when Hail is dragged back to her Indrana to take her rightful place as the only remaining heir, she finds that trading her ship for a palace is her most dangerous move yet. In a world where the only safe options are fight or flight, Hail must rule. "Excellent SF adventure debut." -- Publishers Weekly, starred review The Indranan War Behind the Throne After the Crown Beyond the Empire
