Genesis 1-11 Aug 21 2021 The creation narrative in the early chapters of Genesis proved irresistible to the church fathers. Following the apostle Paul, they explored the six days of creation and the profound significance of Adam as a type of Christ, the second Adam. With comment from Basil the Great, Ambrose, and Augustine, this ACCS volume on Genesis 1-11 opens up a treasure house of ancient wisdom. *A sermon [on 1 Thess. iii. 11] preached before the ... Friendship List #1: 11 Before 12 Sep 02 2022

Fans of Lauren Myracle and Wendy Mass will love acclaimed author Lisa Greenwald's new series about two best friends who kick-start middle school with a bucket list of eleven things they need to do to become AMAZING before their joint twelfth birthday party. The first day of middle school means trading in freeze tag at the pool for new schedules, fabulous outfits, and a fresh start. But for eleven-year-old Kaylan, the chaos of new locker combinations, cafeteria cliques, and potential first kisses is more than she can handle. She dreads the start of sixth grade and feels like she wants—no, needs—a winning game plan. Luckily, Kaylan and her effortlessly chill BFF, Arianna, have a fool-proof plan for tackling transitions: a list of eleven things they need to do to totally transform themselves before they both turn twelve in

November. But between making guy friends, getting detention (and makeovers!), helping humanity, and having super-candid conversations with their moms about their flaws, the first 100 days of school turn out worse than Kaylan ever imagined. Kaylan and Ari forget to focus on their friendship and soon their loyalty to the list—what was meant to help them keep it together—becomes the very thing tearing their lives apart.

Genesis 1-11 Oct 23 2021 There has been a recent trend to date many non-Priestly texts later than their Priestly counterparts, and this movement has significant synchronic, as well as diachronic, implications. The commentary engages these approaches, along with other recent proposals and methods, in providing a multi-layered reading of the diverse texts and strata of Genesis 1-11. This combination of diachronic and synchronic approaches yields new insights into these evocative and influential narratives at the outset of the Bible.
