Summer After You and Me Feb 23 2022 Will it be a summer of fresh starts or second chances? For Lucy, the Jersey Shore isn't just the perfect summer escape, it's home. As a local girl, she knows not to get attached to the tourists. They breeze in during Memorial Day weekend, crowding her costal town and stealing moonlit kisses, only to pack up their beach umbrellas and empty promises on Labor Day. Still, she can't help but crush on charming Connor Malloy. His family spends every summer next door, and she longs for their friendship to turn into something deeper. Then Superstorm Sandy sweeps up the coast, bringing Lucy and Connor together for a few intense hours. Except nothing is the same in the wake of the storm, and Lucy is left to pick up the pieces of her broken heart and her broken home. Time may heal all wounds, but with Memorial Day approaching and Connor returning, Lucy's summer is sure to be filled with fireworks.

Baby Bumps Apr 03 2020 From the author of the award-winning blog Snarky Mommy comes a book that will make every woman who has ever been pregnant pee with laughter (not that that's hard). Wearing her highest heels and hottest pregnancy jeans, Amy Sprenger marches into her doctor's office, beverage in hand, ready to finally see whether her baby is a boy or a girl. Sure, sure, this appointment is supposed to be about checking the health of the baby, but everyone who's ever been there knows it's really about looking for what lays, or doesn't lay, between the legs. So when the doctor tells her she has an incompetent cervix, Amy becomes immediately offended on behalf of her reproductive organs. Is that just a politically correct way of saying her cervix sucks? Unfortunately, as she's soon to learn, it's a lot more than that. The only way to keep that baby from falling out on the sidewalk

(probably in front of Starbucks) is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months. Four months that are carefully detailed in this "memoir." A memoir that, while basically true, has been embellished with Amy's signature brand of humor and hilarity. With more time off than a castoff contestant on "The Bachelor," Amy takes pen to paper and settles in for the ride. But instead of sitting around eating bonbons, she's popping hypertension drugs to stave off preterm labor. And complications? Oh, she's got your complications. She's gut-rehabbing her house. Her mother moves in to care for her. Her husband takes a "mancation" while she's stuck in the hospital. And every time she has a contraction, she's convinced it's The Big One. Living by the adage that laughter is the best medicine, Amy fumbles her way through a series of sometimes serious and usually embarrassing situations. And just to be clear, using a bedpan qualifies as both serious and embarrassing. "Amy Sprenger's foray into factual fiction is a hilarious (and sometimes poignant) look at high-risk pregnancy from her view at the end of the bed. Sprenger offers a fresh and funny voice that readers will love!" -- New York Times bestselling author Jen Lancaster

[The Rites and Ceremonies of the Greek Church, in Russia](#) Jan 31 2020

Come after Me Mar 27 2022 So you consider all this clone business reality now. The genetic vegetables, fruits, and nuts so authentic—maybe better! What a difference a decade can make—clone your pet if you want. But aside from its popularity, on the square, there is an incredible amount of magic that goes into reproducing. Even more fantastical is the illicit of questions concerning human duplication. The practice of which is under censure of the Lord. And with little or no proof of them actually existing one is left cleaved to the foolery that be—mere speculation! What's more, tending to believe too readily is the nature of an idiot, while what falls on the wise man to carry is the age to come. How strange the things you will start to notice—understandably what's being kept from public knowledge now. The naysayers can go string a hammock—string two while they're at it

since the genetically engineered are already here. With that in view we need to mind these people's feelings. Come what may, they stand rooted in the shadows—angry rampant lions with no testament of them having a soul. Well till they read what's within. And one day soon they will.

Holding Back The Tears Jul 27 2019 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a

memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Vampires After Me Oct 02 2022 The Blood-borne Saga continues in this emotionally enthralling and riveting story of Dr. Paul Geraud, vampire and his human wife, Alexandra. Almost two years had passed since Paul ran from vampire hunters leaving his beloved Alex behind with the intent she should seek a normal life. He was certain she would never find him, she was adamant that she would--and she did. After an impasse, they decide to live near each other, but not together as they attempt to rekindle the deep love and trust they once shared. Emotional turmoil and rivalry develop when Alex meets vampire hunter, Jon Brennan, who romantically pursues her. Forced to choose between her vampire husband and a man who could eventually destroy him, things are further complicated when a jealous force from the past raises its ugly head bent on destroying her. In an effort to save Alex, Paul must trust his rival to hide her while he attempts to destroy the combined forces of vampires, "halflings", and mastiff dogs. He goes to battle insurmountable forces with the knowledge he may not survive, and if he survives, the fear that Alex may not choose him. .

From Me to We: Finding Joy After Grief... Taking a Chance on Love Again Apr 27 2022 Throughout our lives we make choices. Some are good, some are bad and some we make because there just seems to be no alternative. This book, FROM ME TO WE, is about making the choice to go on after the loss of a loved one. In my first book, FROM WE TO ME, written in 2013, I write letters to my friend after the loss of her husband. I shared my first year of being a widow with her as the weeks of her first year passed. That initial book helped so many that writing my second book seemed like a natural next step. In FROM ME TO WE, you will read about the transition I made as I moved into the social world again - but as a Single. I share the decisions I made to step out with girlfriends, to attend Singles activities and to eventually meet my second husband, Jack, on a New Year's Eve cruise! My hope for you is that my stories will enlighten you and lighten you. You will share my struggles and mistakes and my sense of humor as I entered the social scene once more. A message woven through these adventures -and I mean adventures - is that I learned a great deal about myself, my family and my friends and about keeping my own identity strong even during the touch times. With this in mind, curl up with your favorite beverage and begin to read FROM ME TO WE. I promise you will see yourself, and some of your choices, in these stories and marvel, as I did, at how far you have come. God's continued blessings on you, Love, Maryann

Katie McGarry Pushing the Limits Collection Volume 2 Aug 08 2020 Friendships are forever and love blooms in the most surprising ways in Katie McGarry's acclaimed Pushing the Limits series. Read three stunning books in this Volume Two collection! TAKE ME ON: Champion kickboxer Haley swore she'd never set foot in the ring again

after one tragic night. But then the guy she can't stop thinking about accepts a MMA fight in her honor, and suddenly Haley has to train him. West Young is everything Haley promised herself she'd stay away from-but as an unexpected bond forms between them, they'll face their darkest fears and discover love is worth fighting for. **BREAKING THE RULES:** For new high school graduate Echo Emerson, a summer road trip with her boyfriend means getting away from it all. And most of all, it means three months alone with Noah Hutchins. But when the source of Echo's constant nightmares comes back into her life, she has to make some tough decisions about what she really wants--even as foster kid Noah's search for his last remaining relatives forces them both to confront some serious truths about life, love, and themselves. **CHASING IMPOSSIBLE:** Tough and independent, seventeen-year-old Abby lets very few people into her inner circle. It's common knowledge in her Kentucky town that she deals drugs, but not even her closest friends know why. But when a deal goes south and Abby's suddenly in danger, she finds herself reluctantly forced to lean on daredevil Logan—a boy whose restless spirit matches her own...

Yeats Eliot Review Mar 15 2021

Taking Medicine Sep 20 2021 Introduces the importance of taking the right medicines and treating them with respect through the story of Jimmy, who thought medicines were magical and tried to cure his teddy bear, but learned about the different types when he got sick.

Take Me Down Jun 25 2019 They'd risk their lives for love--and they may have to. With a young daughter to raise and multi-million dollar hotel chain to run, the last thing Stephanie Mason wants is a relationship. But she's looking for a man--to keep her hotel safe. Enter Jack Kaufman. Ex-Navy Seal, former mercenary, and security specialist, not to mention dangerous and pulsing with raw sexuality, Jack is exactly what Stephanie needs--and everything she doesn't. Yet after a game of cat and mouse too seductive to resist, Jack charms his way into Stephanie's bed--and her heart. But Stephanie isn't the only thing Jack is after. He wants something priceless to them both:

Christina, Stephanie's adopted daughter--and, as fate would have it, Jack's biological child. It's a truth that unleashes a chain of threatening events even Jack may not be able to stop. If he doesn't act quickly, he may lose everything, and everyone, he's been fighting for all along. Praise for Sylvia Lett "Sylvia Lett is a magician at creating heroes to die for." --Evelyn Palfrey "With Perfect for You, Sylvia Lett offers a story of sizzling romance and dramatic suspense. A new writer to watch for." --Deirdre Savoy

Debunking the Bump Jan 01 2020 When Daphne Adler, a mother and mathematician, was pregnant, a colleague scolded her for sprinkling parmesan cheese on her pasta. After dutifully dumping her dinner in the trash, she decided to investigate to find out whether the admonishment and similar warnings were based on fact. What she discovered surprised her--and will surprise you, too. After 3 years of research where she poured over thousands of studies, Adler has reframed the parameters of what should and shouldn't be allowable

during pregnancy. Her refreshing and reassuring book finally provides us with a way to separate myth from reality. Fact or fallacy?

Debunking the Bump sets the record straight with eye-opening revelations such as: * 44% of obstetricians never mention the most important avoidable cause of birth defects.* Less than half of all pregnant women are counseled about the most dangerous activity they could undertake while pregnant.* In the long list of forbidden foods, one category is 10,000 times more risky than others...but its danger is not emphasized.* Many pregnant women cut down their consumption of the single substance that's the most beneficial to their developing baby. Debunking the Bump is a pregnancy book for women with a thirst for facts. It covers not only all the hot pregnancy topics (Is it safe to eat sushi and drink coffee?) but also a variety of additional subjects Adler's exhaustive research uncovered that aren't even mentioned in most pregnancy books. Filled with practical, actionable recommendations and clear explanations of risks and trade-offs, this unique guide will help you make informed choices so you can enjoy a relaxed and happy pregnancy. English Pronunciation Jul 07 2020 You want to learn English pronunciation but there are so many books to choose from. You don't know which book is right for you, and you don't know which book can give you the results you want. Now look at this: My name is Ken Xiao. I didn't speak any English when I moved to the United States at the age of 17, but listen to my English now! The audio of this is my voice! In this book, you'll learn English pronunciation from a successful English teacher, me, who has walked in your shoes before. You'll learn to pronounce it perfectly in four months with 100% accuracy like me! Take a look at the following pairs of words. Do they sound the same or different? Sheep, ship cop, cup food, foot Yes, they sound different. How about these pairs? cap, cab life, live latter, ladder Yes, they sound different, too. Look at the following sentences. Can you say them right? Walk up a hill in high heels to see how you'll feel. Friend A, "A friend in need is a friend indeed." Friend B, "Agreed! Give me your money." How about these sentences. Can you say them correctly? Wipe a viper with a wiper is wise only if you're truly prepared to die. Wear your best vest facing west then give your kid this kit. Excuse me. what's your excuse to take back your bag? If you think you've got them right, congratulations, you've got them wrong. I have been in your shoes before, and I know you've got them wrong. Many words in English sound so similar, too similar that we think they're the same. Pronouncing the right words wrong can mean something else. Even slightly mispronouncing some words can damage everything. Let's take a look at this sentence: Take the crab to the beach. That's what we intended to say, but you said it wrong. You mispronounced two words, embarrassed yourself, and ruined everything. Do you know what you've pronounced wrong? Let's train our ears to hear the slight differences between similar sounds and train our mouth to pronounce the slight differences between similar sounds. For beginners, let's learn English pronunciation perfectly right away from the beginning. For intermediate learners, let's correct our pronunciation and then

perfect it. For advanced learners, let's find out what we've got wrong, and then get them right. For all learners, let's do so even if we have a tight schedule. In this book, you will: 1. Learn English pronunciation. 2. Perfect your English pronunciation. 3. Do so easily. 4. Laugh. Learn English pronunciation from the successful! Follow my steps in this book to learn English pronunciation and pronounce it perfectly with 100% accuracy! Let's achieve that in four months and have fun. Get this book now!

Computer After Me, The: Awareness And Self-awareness In Autonomic Systems Sep 01 2022 We are increasingly seeing computer systems which are expected to function without operator intervention. This is perhaps acceptable for running computer networks or traffic lights; however, we are now seeing computer systems deployed to qualitatively influence human judgments such as rulings on legal disputes or fitness for work to evaluate disability benefits. In keeping with the precautionary principle, it is important that those who are developing this capability — technologists and scientists — think through its potential implications. The aim of this book is to explore the technological and social and implications of computers and robots becoming increasingly 'aware' of their environment and the people in it, and their being increasingly 'self-aware' of their own existence within it. The wide-ranging scope of the text covers three different angles of the concept of 'the computer after me': (1) the next generation of computationally powerful aware systems; (2) systems in which the computer is aware of qualitatively impact human concerns such as law, health and rules; and (3) computers and robots which are aware of themselves.

After Me Oct 22 2021 Twenty million in diamonds missing. Kate Sawyer, a cop in witness protection, holds the key. If she could only remember. Early-onset Alzheimer's clouds the past. Stem cell therapy is working to clear it. But time is running out for Kate. One night she finds a dead man in her bathtub with a note stuck in his pocket. I know what you've done. Her cover blown, Kate runs, the clock is ticking. People close to her are being killed. Shadowy memories tease her. Some she recognizes. Others don't seem familiar at all. Running from people she can't remember, dogged by a past lost in the haze, Kate discovers no one is who they appear to be, perhaps not even herself. *After Me* is a dark psychological thriller on the cutting edge of medical science, perfect for those who like scientific what-ifs...with a ray of hope. AN INTERVIEW WITH DEBORAH COONTS After making a name for yourself in another genre, why switch genres now? My first series featuring Lucky O'Toole is a light, romantic mystery series. At the time, my life was pretty dark, so I enjoyed the laugh-out-loud snark of Lucky and her pals. But, now life is a bit brighter and I find the darker side, my love of thrillers calling to me. I've always loved thrillers, especially psychological thrillers, medical thrillers, women in jeopardy chase books, that sort of thing. Fast-paced storylines with deep, well-rounded characters—I wanted to add my name to the list of writers who have delved deep into these waters. You're a lawyer, so why the medical tie-in? I've always been a science geek. When I first went to college, medical school was my target. Alas, life got in the way, but it

didn't dim my interest in the field. And today, technology is honing a sharp edge in the medical field raising lots of possibilities for cures. But where there is a good use there is also a bad use—the yin and the yang. Nothing ever comes without a price. Great for storytelling. PRAISE FOR *After Me* "Fantastic! Coonts combines her trademark strong characters and clever plotting with one of the freshest concepts in suspense—a heroine with early onset Alzheimer's who literally can't remember why everyone wants her dead. Buckle your seatbelt for a wild ride!" - Lisa Gardner, #1 New York Times bestselling author "A firecracker of a thriller—with an ingenious premise, non-stop suspense and terrific writing. But it's the heroine who makes this such a winner—a heart-breakingly damaged loner who's got 'soon-to-be-a-major-motion-picture' written all over her." - Hank Phillippi Ryan, Anthony, Agatha, and Mary Higgins Clark award-winning author "Everyone who loves Deborah Coonts's Lucky series knows that she is a master of the humorous mystery; now everyone will watch Coonts make her mark in the darker world of suspense. *After Me* hooked me from page one. *After Me* is the hallmark of a great thriller: strong voice, twisting mystery, and a compelling heroine." - Allison Brennan, New York Times bestselling author "Relentlessly paced, *After Me* is the compelling quest of a woman's inspiring quest to survive...and a haunting reminder of the great truth: we are what we remember. It's Coonts's most gripping book yet." - Vicki Pettersson, New York Times & USA Today bestselling author "Deborah Coonts' *After Me* is the perfect thriller: a protagonist is being chased by those driven to make her pay with her life for a deed she may or may not have done, and truly cannot remember. Coonts's masterly use of memory flashback gives her heroine, Kate Sawyer, just enough revelatory insights into her own private hell to draw her readers into this purgatory with her. The premise is harrowing. The reveal is explosive. And the ending is redemptive. In other words, this is not just a satisfying novel; you'll find it a memorable read." - Josie Brown, author of *The Housewife Assassin* series "Deborah Coonts has given us an incredibly original story. Enjoy!" - Catherine Coulter, #1 New York Times bestselling author "From the white-hot opening sentence - complete with dead body - Deborah Coonts introduces Kate Sawyer, a highly original and different character. From first page to last, you will be caught up in Kate's world, her struggles, her victories, her fear, and her own battles leaving her uncertain what is real and what is not... or who she can trust... even herself. Kate is a new type of heroine in ways that cannot be described; you have to read this book. One can only hope Ms. Coonts will take a suggestion from a certain British Secret Agent and Kate Sawyer will return!" - Will Graham, author of *Spider's Tango*, *Spider's Dance*, and *Spider's Kiss* "*After Me* is a fast-paced page-turner with a plot that will keep you on the edge of your seat. In this taut romantic thriller, no one is who they seem--least of all, Kate Sawyer. Kate must piece together a past she can't remember--a past that holds the key to her staying alive. Coonts has a sure winner!" - Barbara Freethy, #1 New York Times bestselling author "I love Kate Sawyer! Deborah Coonts has created an unforgettable character and thrust her into a fascinatingly unique and dangerous situation. I want

more!!!" - Debra Webb, USA Today bestselling author *Repeat After Me* Jan 13 2021 A young New Yorker teaches English to a Chinese dissident in this "heartbreaking and uplifting" novel of love, loss, and language (Publishers Weekly). Aysha is a twenty-two-year-old plagued by guilt and anxiety ever since her parents' divorce. But after suffering severe symptoms, she's now focused on recovering and on teaching her English as a Second Language students. Then a young man named Da Ge joins her ESL class. A dissident with a painful past, he has fled China after the Tianenmen Square massacre, and Aysha finds herself falling irresistibly in love, in spite of the language barrier—and often, the emotional barrier—between them. When he asks her to marry him for the sake of a visa, she cannot say no. It is a relationship that will bring both great joy and great sorrow—and will take Aysha to places she never imagined. A winner of the ForeWord Magazine Book of the Year Award, this is an insightful and emotional novel by the author of *Big Girl Small* and the memoir *Foreign Babes in Beijing*. "Her writing gleams with beautifully realized descriptions of people, places, and encounters." —Time Out Caribbean Review Nov 30 2019

Look After Me Nov 03 2022 The moment Sebastian Gilbert watches his soul mate declare her undying love to another man, his entire life changes. Unable to cope with the loss of his fiancée, his job, his life, he turns to the only thing that helps ease the pain. Cocaine. Seven months later... Sebastian checks out of rehab, but after three months locked away from the outside world, he struggles to adapt to his new life. When he reaches out to his drug counselor from rehab, Addison Scott, he begins to find hope. Addison is sweet, smart, and understands him in a way that no one else does. As she helps Sebastian rebuild his life, their friendship grows but lines become blurred and lust quickly turns into love. Sebastian's broken heart is slowly mending, but will letting Addison in shatter it once more? **Can be read as a standalone** Warning: Recommended for ages 18+ due to subject matters of drug abuse, violence, explicit language and sexual situations.

Writing from Scratch May 05 2020

Repeat After Me Apr 15 2021 *Repeat After Me* contains seven simple truths that led Kathy step-by-step from confusion into clarity, from chaos into serenity, and from despair into hope. These simple truths can gently escort you on your path through turmoil and out the other side. Rumi said, Be ground. Be crumbled, so wildflowers will come up where you are. You've been stony for too many years. Try something different. Surrender. *Repeat After Me* offers you another way to view the chaos, a way to embrace the crumbling, a simple path into celebrating the wildflower that can rise from the stony ground. Storytelling is one of Kathy Adiss greatest strengths displayed here in spades. Whether you've lost a loved one to cancer, your home to a hurricane, or your perspective on day-to-day life, this book will guide and recenter you. Gripped by the first few pages, you won't be able to put it down you'll come away inspired to live with a sense of purpose and renewal. - Cindy Skalicky, CEO, On Point Communications, LLC. The Rotarian Jun 05 2020 Established in 1911, The Rotarian is the

official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to Kurt Vonnegut Jr. – have written for the magazine.

He's After Me Jun 29 2022 His smile faded and our eyes held and that's when it happened. A charge passed through me, like an electric shock. Anna meets Jem when her life is falling apart. He is everything Anna needs him to be. Her dad may have run off with a younger woman, her mum may be a wreck and her younger sister, Livi, is swerving off the rails - but as long as she has Jem, Anna will be OK. And for the first time in her life Anna falls. Deeply and truly and intensely in love. The end? Not quite...

Repeat After Me Jun 17 2021 Toofer, two books in one, is comprised of "Vaudeville Blues A Play in One Scene," and "Leftovers," a collection of the author's old writings. The play was written in 2005, and the old writings date from 1973 to 1991. Toofer is the author's sixth published book.

School Beauty Goes After Me May 29 2022 A trash from a high school accidentally obtained a ring, and from then on, his life went through a tremendous change. The school belle, cold beauty, and mature woman all fell in love with him, and he even entered an ideal university to begin a glorious life.

Repeat After Me Dec 24 2021 In this revised and updated edition of Repeat After Me, Dr. Claudia Black's revolutionary self-help workbook, readers are provided with a step-by-step framework and a guide that takes them through a process to recognize how present challenges are influenced by growing up in a troubled family system, release the parts of the past they wish to leave behind, and take greater responsibility for how they live today.

1, 2, 3 The Devil's After Me Nov 22 2021

Take Up Your Cross Oct 10 2020 Jesus said, "If anyone wishes to come after Me, he must deny himself, and take up his cross and follow Me." This great statement in the gospel of Matthew commands our attention by setting before us an ultimatum of the utmost importance. Have I denied myself and taken up my cross? Will I come after Him? If we take Jesus' words seriously and we are honest with ourselves we would rather avoid this great statement. Since when does self-denial and suffering determine whether or not we come after Jesus?

Christians are being told that if they want to be a true disciple of Jesus then they must deny themselves and take up their cross. Yet, Jesus requires an absolute denial and death of self. Jesus has not made room for half measures or for a mere willingness to make the ultimate sacrifice. To misrepresent and misunderstand Jesus' great statement is as serious as the teaching is great. The purpose of this book is to exchange burdening error for the empowering truth of Jesus' great statement. By explaining the context and showing how Paul the apostle applied the teaching we provide the correct understanding, thereby, exposing the leaven of the Pharisees. Be refreshed by the truth of the gospel as you gain the correct understanding of Jesus' great statement. Jesus' cross is our only power to live and walk by the

Spirit. This is essential reading for all Christians so that we might come after Jesus by the power of the cross and might know how to walk by the Spirit. Steven and his wife, Alison, live in Boise, Idaho, and have five children. He has authored Recanting Calvinism and has an Australian Bachelor of Theology, which is equivalent to a Masters of Divinity in the U.S.A. Visit traditionalbaptistchurch.com for information.

The Beast After Me Jan 25 2022 Is it a gift if it has teeth? Haley Campbell is caught in a snare: longing to run wild but terrified of her secret violent urges. When she finds her grandfather's diary in the attic, she discovers her insatiable hunger is an inherited trait. The ancient frail man who used to chain-smoke in her parents' living room is responsible for countless unsolved murders in the 1930s and -40s. Fearful of following in his bloody footsteps—her birthright, after all—she travels to Wharton, a beachfront town, hoping to find the Alpha who may have a way of curing her hunger before someone else gets hurt. Candy Bailey is feeling boxed-in: an unfulfilling relationship, a dead-end job, and a raging case of writer's block. Something has to change. Then she meets Haley, a beautiful young woman on a mysterious quest. Candy is desperate to help her—if only to see her smile. But when their relationship escalates into something more, Candy is thrust into a dangerous world she never knew existed. Meanwhile, Alpha Angus Chilton and his human lover, Hunter Bailey, have built a quaint, beautiful life together in Wharton. The tumultuous events of the previous year are now just a distant nightmare. But when Haley makes her presence known, it may tear everything they built asunder.

After Me, The Deluge Jul 31 2022 This is the story of a young priest in the tiny French village of St. Pierre-des-Monts who receives a telephone call from God warning that he is about to destroy mankind with a second great flood. Only Father Benoir and his misfit flock will be saved, but they must hurry, said God, and build an ark like Noah's. AFTER ME, THE DELUGE is an outrageous, irreverent comedy which inspired one of Italy's longest running stage musicals which has been seen by over fifteen million people since it's debut in 1974.
