**Our Lives are But Stories** Apr 03 2020 A rich analysis of how four Tunisian-Israeli women tell the stories of their lives, and a look at the implications for our own understanding of stories and the behavior of communication.

[The Measure of Our Lives](#) Jul 31 2022 At once the ideal introduction to the legendary Nobel Prize winner and a lovely and moving keepsake for her devoted readers: a treasury of quotations from her work. With a foreword by Zadie Smith. "She was our conscience. Our seer. Our truth-teller." —Oprah Winfrey This inspirational book juxtaposes quotations, one to a page, drawn from Toni Morrison's entire body of work, both fiction and nonfiction—from *The Bluest Eye* to *God Help the Child*, from *Playing in the Dark* to *The Source of Self-Regard*—to tell a story of self-actualization. It aims to evoke the totality of Toni Morrison's literary vision. Its compelling sequence of flashes of revelation—stunning for their linguistic originality, keenness of psychological observation, and philosophical profundity—addresses issues of abiding interest in Morrison's work: the reach of language for the ineffable; transcendence through imagination; the self and its discontents; the vicissitudes of love; the whirligig of memory; the singular power of women; the original American sin of slavery; the bankruptcy of racial oppression; the complex humanity and art of black people. *The Measure of Our Lives* brims with elegance of style and mind and moral authority.

**The Time of Our Lives** Aug 27 2019 What happens when your past meets your present?

[Time of Our Lives](#) Sep 01 2022 "Emily and Austin have a reputation for delivering heartwarming, provoking, and real contemporary YA novels."--BuzzFeed Fitz Holton waits in fear for the day his single mother's early-onset Alzheimer's starts stealing her memory. He's vowed to stay close to home to care for her in the years to come--never mind the ridiculous college tour she's forcing him on to visit schools where he knows he'll never go. Juniper Ramirez is counting down the days until she can leave home, a home crowded with five younger siblings and zero privacy. Against the wishes of her tight-knit family, Juniper plans her own college tour of the East Coast with one goal: get out. When Fitz and Juniper cross paths on their first college tour in Boston, they're at odds from the moment they meet-- while Juniper's dying to start a new life apart from her family, Fitz faces the sacrifices he must make for his. Their relationship sparks a deep connection--in each other's eyes, they glimpse alternate possibilities regarding the first big decision of their adult lives. [Part of Our Lives](#) Jun 05 2020 Challenges conventional thinking and top-down definitions, instead drawing on the library user's perspective to argue that the public library's most important function is providing commonplace reading materials and public space. Challenges a professional ethos about public libraries and their responsibilities to fight censorship and defend intellectual freedom. Demonstrates that the

American public library has been (with some notable exceptions) a place that welcomed newcomers, accepted diversity, and constructed community since the end of the 19th century. Shows how stories that cultural authorities have traditionally disparaged- i.e. books that are not "serious"- have often been transformative for public library users.

**Days of Our Lives 50 Years** Jun 29 2022 Days of our Lives 50 Years is an in-depth photographic journey of the longest-running scripted program in NBC's history. This beautiful keepsake showcases new and exciting views of a television icon that continues to bring the beloved world of Salem to its loyal viewers. Beginning with rare black-and-white historical photos and including a wealth of rare full-color photos, this is a spectacular journey highlighting iconic characters and beloved stories over 50 years. Welcome to an unparalleled peek into Days of Our Lives-a favorite daytime drama that has not only become an important part of American Pop Culture, but is also loved by millions of fans around the world! "Days of our Lives hasn't just been in our homes for 50 years. It's also in our DNA, packing a power and punch that is incomparable in the daytime drama landscape. This beloved show is famous for its epic twists and crazy turns: Premature burial! Biblical plagues! Demonic possession! But this is not what keeps us loyally devoted and coming back, year in, year out. We return for the love love of romance, love of friendship, love of family. When we make our daily trip to sleepy little Salem to visit with the Brady and Horton and Kiriakis clans, and even those impossible, badass DiMeras, we feel a marvelous sense of bliss and comfort and connection. This show is so much more than entertainment. It makes us feel like we've come home." Michael Logan, TV Guide Magazine "Playing the beloved character Marlena Evans on Days of our Lives has been the highlight of my career. She is a revolutionary character... a strong, independent, successful career woman who believes her role as both a wife and a mother come first. Over the years she has become the ultimate heroine and continues to be an inspiration to women of all ages around the world." Deidre Hall, MARLENA EVANS, Days of our Lives **Our Lives Matter** May 05 2020 Our Lives Matter uses the tenor of the 2014 national protests that emerged as a response to excessive police force against Black people to frame the book as following the discursive tradition of liberation theologies broadly speaking and womanist theology specifically. Using a womanist methodological approach, Pamela R. Lightsey helps readers explore the impact of oppression against Black LGBTQ women while introducing them to the emergent intellectual movement known as queer theology. The author privileges their narratives and experiences as she reviews several doctrines and dogma of the Christian church. Theological reflection on contemporary debates such as same-sex marriage and ordination rights make this book a valuable resource to clergy, students of theology, LGBTQ persons and allies. .embed-container { position: relative; padding-bottom: 56.25%; height: 0; overflow: hidden; max-width: 100%; } .embed-container

**The Book of My Lives** Apr 15 2021 Aleksandar Hemon's lives begin in Sarajevo, a small, blissful city where a young boy's life is consumed with street soccer with the neighborhood kids, resentment of his younger sister, and trips abroad with his engineer-cum-beekeeper father. Here, a young man's life is about poking at the pretensions of the city's elders with American music, bad poetry, and slightly better journalism. And then, his life in Chicago: watching from afar as war breaks out in Sarajevo and the city comes under siege, no way to return home; his parents and sister fleeing Sarajevo with the family dog, leaving behind all else they had ever known; and Hemon himself starting a new life, his own family, in this new city. And yet this is not really a memoir. *The Book of My Lives*, Hemon's first book of nonfiction, defies convention and expectation. It is a love song to two different cities; it is a heartbreaking paean to the bonds of family; it is a stirring exhortation to go out and play soccer—and not for the exercise. It is a book driven by passions but built on fierce intelligence, devastating experience, and sharp insight. And like the best narratives, it is a book that will leave you a different reader—a different person, with a new way of looking at the world—when you've finished. For fans of Hemon's fiction, *The Book of My Lives* is simply indispensable; for the uninitiated, it is the perfect introduction to one of the great writers of our time. *A Kirkus Reviews Best Nonfiction Book of 2013*

**Gays of Our Lives** Oct 22 2021 Emerson Robinette only leaves his apartment to get laid and go to work. Having MS—and trying to pretend he doesn't—makes everything more complicated, especially his fantasies of coming on strong and holding a guy down. Finding a partner who'll explore that with him isn't Emerson's idea of a realistic goal. Until a chance meeting with a hipster on a bus makes him reconsider. Obie is happy, open-hearted, and warm; what's more, he gets his kicks being physically dominated, spanked, and teased until he's begging. It would be perfect, except for one thing: Emerson isn't made for happiness, and he doesn't see how a guy like Obie would settle for a cynic like him. But as far as Obie's concerned, the only thing keeping them apart is Emerson. Can Emerson handle a boyfriend who's more invested in his future than he is? Emerson's barely convinced he has a future. But when Obie's smiling at him, anything seems possible.

**The Music of Our Lives** Jan 13 2021 Kathleen Higgins argues that the arguments that Plato used to defend the ethical value of music are still applicable today. Music encourages ethically valuable attitudes and behavior, provides practice in skills that are valuable in ethical life, and symbolizes ethical ideals.

**Retelling the Stories of Our Lives: Everyday Narrative Therapy to Draw Inspiration and Transform Experience** May 17 2021 Powerful ideas from narrative therapy can teach us how to create new life stories and promote change. Our lives and their pathways are not fixed in stone; instead they are shaped by story. The ways in which we understand and share the stories of our lives therefore make all the difference. If we tell stories that emphasize only desolation, then we become weaker. If we tell our stories in ways that make us stronger, we can soothe our losses and ease our sorrows. Learning how to re-envision the stories we tell about ourselves can make an enormous difference in the ways we live our lives. Drawing on wisdoms from the field of narrative therapy, this book is designed to help people rewrite and retell the stories of their lives. The book invites readers to take a new look at their own stories and to find significance in events often neglected, to find sparkling actions that are often discounted, and to find solutions to problems and predicaments in unexpected places. Readers are introduced to key ideas of narrative practice like the externalizing problems - 'the person is not the problem, the problem is the person' -and the concept of "re-remembering" one's life. Easy-to-understand examples and exercises demonstrate how these ideas have helped many people overcome intense hardship and will help readers make these techniques their own. The book also outlines practical strategies for reclaiming and celebrating one's experience in the face of specific challenges such as trauma, abuse, personal failure, grief, and aging. Filled with relatable examples, useful exercises, and informative illustrations, *Retelling the Stories of Our Lives* leads readers on a path to reclaim their past and re-envision their future.

**The Story of Our Lives** Jan 31 2020 An in-depth elucidation of "The Lost Princess", a tale by Rebbe Nachman of Breslov.

**The Story of Our Lives** Nov 03 2022 They think nothing can tear their bond apart, until a long-buried secret threatens to destroy everything. Every year they have met up for a vacation, but their time away is much more than just a bit of fun. Over time, it has become a lifesaver, as each

of them struggles with life's triumphs and tragedies. Sophie, Emily, Amy and Melissa have been best friends since they were girls. They have seen each other through everything—from Sophie's private fear that she doesn't actually want to be a mother despite having two kids, to Amy's perfect-on-the-outside marriage that starts to reveal troubling warning signs, to Melissa's spiraling alcoholism, to questions that are suddenly bubbling up around the paternity of Emily's son. But could a lie that spans just as long as their friendship be the thing that tears them apart? *Days of Our Lives* Feb 23 2022 On November 8, 1965, *Days of Our Lives* debuted on NBC. The show overcame a rocky beginning to become one of the best-loved and longest running soap operas on daytime television. For 30 years, the story of the show's Horton family has been closely followed by a dedicated audience. Through extensive research, including the first-ever examination of the show's archives, and interviews with cast members, writers, producers and production personnel, the show's history is told here. This reference work provides a complete cast list from the show's debut through 1994, as well as the most comprehensive storyline of the show ever available. Also included are family trees of the show's characters, tracing the often confusing relationships involved in thirty years of developing roles.

**Cases that Changed Our Lives** Jun 17 2021 All lawyers have an in-built need to revisit the great cases of the past. After all, that is the basis upon which common law is founded. A retrospective look at the people and circumstances behind the results of these great cases gives tremendous insight and understanding, as well as revealing a human side to the events which is not always apparent from the law reports. This collection of essays examines key cases (both UK and international) that have changed or created the rules and procedures which govern our lives and which we abide by - cases which have changed our lives. The book sets out the facts of each case and examines its impact, with emphasis on the human angle of the story, including: \* Who were the people involved? \* What was actually decided in the case? \* What happened later and how what was decided on the facts changed our lives? \* What were the later implications for that area of law and/or other areas of law? \* What legacy has the case left? The themes addressed by the book support the rule of law, demonstrating that using something as abstract as judicial reasoning, we create a set of rules and procedures which govern our lives. The rule of law involves the acceptance of this intellectual and abstract concept. With contributions from leading practitioners in their fields, this book gives an insight into the importance of case law and the impact it has on our lives.

**Mismeasuring Our Lives** Jun 25 2019 In February of 2008, amid the looming global financial crisis, President Nicolas Sarkozy of France asked Nobel Prize-winning economists Joseph Stiglitz and Amartya Sen, along with the distinguished French economist Jean Paul Fitoussi, to establish a commission of leading economists to study whether Gross Domestic Product (GDP) - the most widely used measure of economic activity - is a reliable indicator of economic and social progress. The Commission was given the further task of laying out an agenda for developing better measures. *Mismeasuring Our Lives* is the result of this major intellectual effort, one with pressing relevance for anyone engaged in assessing how and whether our economy is serving the needs of our society. The authors offer a sweeping assessment of the limits of GDP as a measurement of the well-being of societies - considering, for example, how GDP overlooks economic inequality (with the result that most people can be worse off even though average income is increasing); and does not factor environmental impacts into economic decisions. In place of GDP, *Mismeasuring Our Lives* introduces a bold new array of concepts, from sustainable measures of economic welfare, to measures of savings and wealth, to a "green GDP." At a time when policymakers worldwide are grappling with unprecedented global financial and environmental issues, here is an essential guide to measuring the things that matter.

**Fire in Our Lives** Nov 10 2020 This book contains stories, experiences, and advice from a forty-year career in public safety with emphasis on fire safety, fire inspectors, and severe weather. "David Wilson is one of the most knowledgeable fire inspectors in America. His book, *Fire in Our Lives*, is masterful in the way that it weaves together the law and his life experiences as a fire inspector. Fire officials will be inspired and learn as well as the general public. David's practical application will make each home safer today." -Joey Bee, author and environmental scientist "David does an excellent job of pointing out various items around the home that should be maintained to prevent fires. He does a fantastic job of illustrating how we can make our homes safer and we feel this is a must read for every property manager and homeowner." -Jason Kapica, vice president, Dryer Vent Wizard International, LLC "Expect the unexpected,

even if things seem to be going the same way as last time. This book will help you prepare personally and professionally." -Thomas Nicolette, fire captain "As a public servant, David Wilson provided essential fire safety services via inspections and education. Fire in Our Lives will educate most and reinforce to others, the roll everyone has in keeping our communities safe." -Captain Glenn Darden, NJ state police (.ret) David has been awarded by the American Red Cross, Jaycees, Knights of Columbus, Elks, Rotary, VFW, American Legion, NJ Citizen's Alliance for Fire Safety, and NJ Legislature. He has been published by Fire Engineering, Fire House, and numerous local newspapers, magazines, and websites.

**The Ride of Our Lives** Aug 08 2020 "The Ride of Our Lives, Lessons on Life, Leadership, and Love" is an inspirational story about a man and his family on a transformational journey as they bicycled across the United States. It is a powerful story about the resiliency required to overcome challenges. In 1983 John and Berti Gronski and their 15-month-old son Stephen set off on a bicycle tour across America. There were no ubiquitous mobile phones, no internet, no email, Google, or social media sites. The closest thing to connectivity was a payphone along a dusty road. John pulled Stephen in a bicycle trailer that resembled a pioneer's covered wagon. They traveled over 4,000 miles from Washington state to Pennsylvania. The trip was filled with adventures and enduring leadership lessons. "From Homer's Odyssey to Pirsig's Zen and the Art of Motorcycle Maintenance, tales of travel, adventure, and self-discovery have always fascinated people. Likewise, John Gronski's The Ride of Our Lives regales readers with an inspirational and engaging story of a young family's cross-country bicycle trip that results in a life-long formation of character, family values, patriotic service and citizenship, and unshakable faith. Gronski skillfully weaves into his captivating story a wide range of military leadership principles, faith-based truths, and life lessons that serve as guideposts for the reader's own moral development. This book is a must read for all people interested in learning how one family's experience shaped their notion of character-based leadership through their encounters with and embracing of the best life has to offer." --John J. Sosik, Ph.D., Professor of Management and Organization, Penn State University, Great Valley School of Graduate and Professional Studies, Malvern, PA. John L. Gronski, Major General, USA (Ret.) is founder and CEO of Leader Grove Consulting, LLC (www.LeaderGrove.com). John is a much sought-after speaker and leadership seminar facilitator.

**The Ride of Our Lives** Jul 19 2021 Mike Leonard wanted to give his parents the ultimate family reunion. And so, one February morning, three generations of Leonards set out on their journey under the dazzling Arizona sky. In the course of their humorous, often poignant cross-country tour, f

**Reading for Our Lives** Sep 20 2021 An award-winning journalist and literacy advocate provides a clear, step-by-step guide to helping your child thrive as a reader and a learner. When her child went off to school, Maya Smart was shocked to discover that a good education in America is a long shot, in ways that few parents fully appreciate. Our current approach to literacy offers too little, too late, and attempting to play catch-up when our kids get to kindergarten can no longer be our default strategy. We have to start at the top. The brain architecture for reading develops rapidly during infancy, and early language experiences are critical to building it. That means parents' work as children's first teachers begins from day one too—and we need deeper knowledge to play our positions. Reading for Our Lives challenges the bath-book-bed mantra and the idea that reading aloud to our kids is enough to ensure school readiness. Instead, it gives parents easy, immediate, and accessible ways to nurture language and literacy development from the start. Through personal stories, historical accounts, scholarly research, and practical tips, this book presents the life-and-death urgency of literacy, investigates inequity in reading achievement, and illuminates a path to a true, transformative education for all.

**The Times of Our Lives** Dec 12 2020 The true experiences that are featured in this book, introduced by best-selling author Louise L. Hay, have been culled from the writings of some of the most renowned writers and teachers in the fields of self-help, transformation, social consciousness, and spirituality. These are stories reflecting metaphysical miracles; momentous milestones; heartwarming, humorous, and sometimes heartbreaking reminiscences; and extraordinarily poignant personal accounts. In addition, there are many narratives that will actually make you sit back in your seat and exclaim, "Wow!" As you read this uniquely fascinating book, you'll laugh, you'll cry . . . and most of all, you'll be reminded that truth is not only stranger than fiction—it's

infinitely more interesting!

**Sharing our Lives Online** Feb 11 2021 Why do we share so much about our lives on social media when we often have little idea who might be reading or viewing? David R. Brake examines the causes and consequences of moving towards a radically open society.

**Days of Our Lives Better Living** Dec 24 2021 This lavishly illustrated book includes healthy living secrets on diets, health, sleep and fashion from some of the most appealing cast members including Deidre Hall, Molly Burnett, Suzanne Rogers, Eric Martsolf, Galen Gering, James Scott, Austin Peck, and others.

**The Game of Our Lives** Jul 27 2019 In this bestselling timeless classic, Peter Gzowski recounts the 1980-81 season he spent travelling around the NHL circuit with the Edmonton Oilers. These were the days when the young Oilers, led by a teenaged Wayne Gretzky, were poised on the edge of greatness, and about to blaze their way into the record books and the consciousness of a nation. While the story of the early Oilers embodies the book, The Game of Our Lives is much more than a retelling of one season in the life of an NHL team. Unlike any book ever written in the annals of hockey, Gzowski beautifully weaves together the anatomy of a modern NHL team with the magnificent history of the game to create one of the best books about hockey in Canada. Here are the great teams and the great players through the ages—Morenz, Richard, Howe, Orr, Hull—the men whose rare and indefinable genius on the ice exemplified the speed, grit and innovation of the game.

**The Time of Our Lives** Apr 27 2022 Who we are, where we've been, and where we need to go now, to recapture the American dream Now with a new Foreword by the author. "The best presentation of the challenges facing the country—and the possible solutions—I've ever seen."—P. J. O'Rourke Tom Brokaw, known and beloved for his landmark work in American journalism and for the New York Times bestsellers The Greatest Generation and Boom!, now turns his attention to the challenges that face America in the new millennium, to offer reflections on how we can restore America's greatness. Rooted in the values, lessons, and verities of generations past and of his South Dakota upbringing, Brokaw weaves together inspiring stories of Americans who are making a difference and personal stories from his own family history, to engage us in a conversation about our country and to share ideas for how we can revitalize the promise of the American Dream. Inviting us to foster a rebirth of family, community, and civic engagement as profound as the one that helped win World War II, built our postwar prosperity, and ushered in the Civil Rights era, Brokaw traces the exciting, unnerving changes in modern life—in values, education, public service, housing, the Internet, and more—that have transformed our society in the decades since the age of thrift in which he was raised. In offering ideas from Americans who are change agents in their communities, Brokaw gives us a nourishing vision of hopefulness in an age of diminished expectations. NEW YORK TIMES BESTSELLER "Inspiring tales of how people from different walks of life have found ways to be of service to their communities and country."—Walter Isaacson

**Chapters of Our Lives** Jan 25 2022 A work of fiction that is at turns poignant, thoughtful, redemptive and heartbreakingly sad awaits readers in Chapters Of Our Lives. The novel is divided into 32 chapters that unmask the feelings of each character through the written word. Chapters Of Our Lives is based on the knowledge, imagination and perception of the author Mary. Readers will meet The Boyds - John, Mary and Robert. John and Mary is an ordinary couple living in a very influential neighborhood. John is a plumber by trade but a millionaire. They live on over two hundred acres of land which Mary calls their crowdom. Their elite neighbors do not like them, because they are blue collar workers; therefore, they have no finesse. Mary feels they are the crows among the peacocks, but she loves to be a crow rather than a peacock. She feels the crows are smarter than the peacocks. John, on the other hand, does not care what people think about him. He wants to do his work and do it well. Robert is the only son of the Boyds a brilliant child who makes mistakes and ends up in jail for murder he did not commit. And theres Jean Peterson, Ginger, Sally, Victoria, Grandma Lainy, Damian, Grandma Bailey and the Bailey twins. The story follows the intertwining lives of these characters- struggles, conflicts, and inner demons that humans fight with every single day. Woven with such craft as if the characters leap out of the pages themselves, the author brings her creative spark to give birth to an elegant piece of fiction. When asked what her story is all about, the author candidly replied that its all about regular things that happen to people. Yet, Chapters Of Our Lives is a solid novel that is carefully constructed, giving special attention to the details, and yet provides it characters space to breathe and exhibit

feelings that are genuine, real and raw.

**Connecting Sociology to Our Lives** Jul 07 2020 Many introductory texts claim to make sociology relevant to student interests. Perhaps no other text has done this so completely - and engagingly - as *Connecting Sociology to Our Lives*. Tim Delaney not only uses popular and contemporary culture examples, he explains sociology thoroughly within the frame of the contemporary culture of students - a culture shaped by political, economic, and environmental trends just as much as by today's pop stars. This book will help academics to engage their students in sociology through the prism of their own culture. It involves students in critical thinking and classroom discussion through the book's many 'What Do You Think?' inserts, and will inspire them to careers with the book's unique chapter, 'Sociology's Place in Society: Completing the Connection'.

**The Time of Our Lives** Aug 20 2021 The 2017 Pulitzer Prize Winner for Commentary and conservative icon Peggy Noonan offers her most insightful work, including her Wall Street Journal columns about the 2016 Election. New York Times bestseller *The Time of Our Lives* travels the path of Peggy Noonan's remarkable and influential career, beginning with a revealing essay about her motivations as a writer and thinker. It's followed by an address to students at Harvard University on the drafting of President Reagan's speech the day the space shuttle Challenger exploded. Then comes one surprising chapter after the next including: "People I Miss" -- memorable salutes to the likes of Tim Russert, Joan Rivers, Margaret Thatcher, and others. "Making Trouble" -- Peggy's sharpest, funniest and most critical columns about Democrats and Republicans, the idiocracy of government, and Beltway disconnect. "I Just Called to Say I Love You" -- Peggy's most poignant writing capturing the country's grief and recovery in the wake of 9-11, and clear-eyed foresight on what lay ahead in terms of war and sacrifice. "The Loneliest President Since Nixon" -- tracking hope and change as it became disillusionment and disappointment with President Obama. And other sections where Peggy discerns the mood of the country ("State of the Union"), the melodrama of the historic 2008 election ("My Beautiful Election"), her battles with the Catholic Church ("What I Told the Bishops") and lighter meditations on baseball, a snowy afternoon in Brooklyn, and motherhood ("Having Fun"). Annotated throughout, *The Time of Our Lives* articulates Peggy's conservative vision, demonstrating why she has been awarded the Pulitzer Prize, journalism's highest honor.

**Days of Our Lives 45 Years** Oct 02 2022 *Days of Our Lives A Celebration in Photos* Days of our Lives 45 years a celebration in photos is an unprecedented photographic journey behind the scenes of the longest-running scripted program in NBC's history, *Days of our Lives*. Including both vintage and recent behind-the-scenes photos, this book showcases the beautiful cast, dedicated crew, and familiar sets of a television icon that continues to this day to bring the beloved world of Salem to its loyal viewers. Beginning with rare black-and-white historical photos and including a wealth of new never-before-seen full-color photos, this is a spectacular tour of over 250 pages of the cast, crew, sets, and styling from 1965 to 2010 that create the magic behind the show. Welcome to an unparalleled peek into the TV magic of creating *Days of our Lives*-a blast from the past all the way to the stars of today, with a glimpse of what's to come. "What began as a dream of my parents, Ted and Betty Corday, 45 years ago has become one of the most beloved shows on television. *Days of our Lives* is not just part of my family; it is also part of America's family. This book is a beautiful and unparalleled photographic celebration of *Days of our Lives* today." KEN CORDAY EXECUTIVE PRODUCER "What a wonderful celebration of 45 years of hard work, dedication, love, and family. I am honored to be part of television history and excited to share a glimpse of our world with our fans." KRISTIAN ALFONSO "HOPE" "I am so excited that this beautiful book will offer our family of *Days* fans a special behind-the-scenes tour. This book is an amazing celebration in photos." ALISON SWEENEY "SAMI"

**Days of Our Lives** May 29 2022 It's daytime TV's most popular show. It's daytime TV's most famous town. And now daytime TV's most loyal fans can get a unique behind-the-scenes look at the town that put *Days of Our Lives* on the map.... This fully authorized, amazingly comprehensive, must-have companion to the hit show includes... \* OVER 200 COLOR PHOTOS AND ILLUSTRATIONS \* ALL THE HEROES AND HEROINES \* ALL THE SECRETS AND SCANDALS \* ALL THE VILLAINS AND VIXENS \* THE EXOTIC GETAWAYS AND AFTER-HOURS HOT SPOTS \* THE LAVISH HOMES \* and more!

**What Are We Even Doing With Our Lives?** Nov 22 2021 Named one of the best comedy books of 2017 by Splitsider.com In this a charming, satirical "children's" book, BuzzFeed's lead animal editor and an acclaimed art director/illustrator poke fun at our contemporary, hyper-connected, and often mundane millennial age and the absurdities of the #blessed time and place in which we all now live. Welcome to "Digi Valley," the epitome of twenty-first-century urban life! The animal-people who call it home do cool things: life coach, cat landlord, baby DJ teacher, app developer, iPhone photographer, new media consultant, beauty blogger, and, of course, freelancer. On the street, in the coffee shop, at the farmer's market, or the local vegan café, you'll meet new friends like Frances and Sadie, Freelance Frank, Realtor Rick, and Bethany the Beauty Blogger as they bike, drive, bus, hoverboard, and Uber their way around town—or just sit and enjoy a latte while doing important things on their devices. Everybody in Digi Valley is very, very busy—texting, tweeting, video chatting, sending selfies, swiping for dates, and binging on their favorite shows. Whether you're looking for a job at the latest media startup or want to publish your own web series, this urban mecca has something for everyone. And with the emotionally sensitive, tech-friendly Digi Valley Elementary School, it's a great place to raise kids too! In *What Are We Even Doing With Our Lives?* Chelsea Marshall and Mary Dauterman have created an authentic fictional world that illuminates the funny, silly, earnest experience of millennial life. But watch out when the unthinkable happens—the internet goes down! Filled with dozens of illustrated spreads, *What Are We Even Doing With Our Lives?* is the most honest children's book for all ages ever written... like seriously.

**The Best Saturdays of Our Lives** Mar 15 2021 Mark McCray wasn't the only boy who loved Saturday morning cartoons, but he may have been the only one to call the networks and tell them what he liked and disliked about them. For instance, he was blown away by the direction Hanna-Barbera took with *Josie and the Pussycats*, the kids in the wrong place at the wrong time who rose to the occasion and saved the day. It wasn't long before he was writing his own newsletter, titled *The Best Saturdays of Our Lives*, which he circulated to animation and television executives, networks, studios, and comic book publishers. The newsletters chronicle the origins of competitive Saturday morning programming—from the 1966-67 season straight through to the 1990s—and they're compiled in one place for easy reference in this book. You'll get an insider's look at the inner workings of the cartoon and television industries, competition between broadcast networks, and how the industry has changed over the years. Mark's curiosity, probing insights and love of television, come together to create *The Best Saturdays of Our Lives*.

**The Days of Our Lives** Sep 28 2019 Presents the history of "*The Days of Our Lives*," a show that started as the dream of one family, the Corday family, as they struggled to emerge from nowhere to create and sell one of the most successful and enduring TV shows in history.

[The Loves of Our Lives](#) Oct 10 2020 Are you still hung up on your first love? Or maybe you're way past first love and are trying to find the perfect balance between family caretaking and your own ambitions. Emi, Jo, and Willa wrestle with these very dilemmas. The road to love and fulfillment can be a path full of sharp edges and distracting turns, much compounded when you're a Black woman in America. *The Loves of Our Lives* is a multi-generational story that follows the saga of a grandmother, daughter, and granddaughter from the 1950's onward. Emi, Jo and Willa all face different challenges in the pursuit of love and happiness. Giddiness, betrayal, unwavering commitment, abuse, and romantic apathy all play a role in their respective stories. Emi has a huge secret to announce to her family, Jo struggles to navigate the waters of intercultural relationships and trauma, and Willa fights to let go of her first love as she crashes against issues of consent. After reading Karsyn's *The Loves of Our Lives* you may find yourself curious about your own family history. There might be a treasure trove of romantic drama hiding just behind your family's eyes.

[The Presence of the Dead in Our Lives](#) Nov 30 2019 This volume offers a selection of articles from authors representing a wide array of disciplines, all of whom explore the following central theme: how can the presence of the dead take life in the hearts of the living? Although individuals die, they can i.

[How We Fight for Our Lives](#) Mar 27 2022 From award-winning poet Saeed Jones, *How We Fight for Our Lives*—winner of the Kirkus Prize and the Stonewall Book Award—is a "moving, bracingly honest memoir"

(The New York Times Book Review) written at the crossroads of sex, race, and power. One of the best books of the year as selected by The New York Times; The Washington Post; NPR; Time; The New Yorker; O, The Oprah Magazine; Harper's Bazaar; Elle; BuzzFeed; Goodreads; and many more. "People don't just happen," writes Saeed Jones. "We sacrifice former versions of ourselves. We sacrifice the people who dared to raise us. The 'I' it seems doesn't exist until we are able to say, 'I am no longer yours.'" Haunted and haunting, *How We Fight for Our Lives* is a stunning coming-of-age memoir about a young, black, gay man from the South as he fights to carve out a place for himself, within his family, within his country, within his own hopes, desires, and fears. Through a series of vignettes that chart a course across the American landscape, Jones draws readers into his boyhood and adolescence—into tumultuous relationships with his family, into passing flings with lovers, friends, and strangers. Each piece builds into a larger examination of race and queerness, power and vulnerability, love and grief: a portrait of what we all do for one another—and to one another—as we fight to become ourselves. An award-winning poet, Jones has developed a style that's as beautiful as it is powerful—a voice that's by turns a river, a blues, and a

nightscape set ablaze. *How We Fight for Our Lives* is a one-of-a-kind memoir and a book that cements Saeed Jones as an essential writer for our time.

**The Time of Our Lives** Jan 01 2020 What's the key to the art of growing older well? Is it an art that anyone can cultivate? How should we confront dying and death in a secular age? What about sex when we're older? What about loneliness? (And, for that matter, what about facelifts?) At the height of his powers in this remarkable (and often witty) book, Robert Dessaix addresses these increasingly urgent questions in inimitable prose and comes up with some surprising answers. From Java to Hobart via Berlin, Dessaix invites us to eavesdrop on his intimate, no-nonsense conversations about ageing with friends and chance acquaintances. Reflecting on time, religion, painting, dancing and even grandchildren, Dessaix takes us on an enlivening journey across the landscape of growing older. Riffing on writers and thinkers from Plato to Eva Hoffman, he homes in on the crucial importance of a rich inner life. *The Time of Our Lives* is a wise and timely exploration of not just the challenges but also the many possibilities of old age.
