**Love Affair with a Circus Girl** Apr 01 2020 'Love Affair with a Circus Girl' is a literary nonfiction, psychological romance story about a notorious aerialist named Lisa French, whose childhood exploitation affects the direction of her future and mental stability. It is an emotionally charged, provocative account of her life and challenges, after confronting and killing her stepfather, who she claims molested her for 14 years. While continuing to evade discovery of her crime, Lisa meets a professional ice show skater named Alex, at a theme park in central Florida. Sparks fly and a steamy love affair ensues, but her secret is never revealed. Later, the young couple breaks off their engagement and they go their separate ways, just before the detective on the case charges Lisa with first degree murder. After serving seven long years behind bars, the little air dancer struggles to put the pieces of her life back together again. However, things go from bad to worse for the young circus girl, whose star as a trapeze artist, no longer shines brightly. Almost three decades later, the former lovers are reunited, thanks to social media, and their romance is rekindled. However, by this time Lisa's mental and physical state have been damaged beyond repair, despite Alex's tireless efforts to save her. Ultimately, Lisa fails to resolve the battle with her demons, and the drama plays out in epic fashion on Valentine's Day. This is a powerfully chilling, intimate tale of a uniquely talented woman's dynamic character and split personality, as well as her relationship with an ice skater. Her quest to find love, security, and acceptance in a demonic world, which has exploited her body, corrupted her mind, and defamed her character, never comes to fruition. This story attempts to correct the record, maliciously portrayed by the media, and brilliantly illustrates Lisa's true identity.

**A Love Affair with Nature** Nov 20 2021 In this book Edwin Mullins examines this very British affection in detail: he looks at the great tradition of English landscape painting and demonstrates how the inspiration of nature is reflected in the way the English use the land, in the creation of the small garden, and, on a larger scale, in the landscaped slopes of parkland surrounding the English country house.

**A Spanish Love Affair** Apr 13 2021 It's love at first sight when young Aussie tennis player, Susan Alexander meets charming Pedro Rivera de Flores at the salubrious Chamartin Tennis Club in Madrid. But love doesn't run smoothly after a hasty marriage, cultural differences emerge and Pedro's mysterious past collides. Young Australian tennis player, Susan Alexander is anxious to escape from the memory of a 'love affair' with her tennis coach when she was 11, limited work options, her thwarted dreams of being an actress, over-protective parents, a restrictive lifestyle and early marriage. When her father suggests she go overseas for a year to pay tennis before settling down with her farmer/fiance, Susan, a top junior player, packs her bags. The book follows Susan's journey from Narrabeen, on Sydney's Northern Beaches, to playing on the centre court at Wimbledon, in exotic locations - St Moritz, Monte Carlo and Casa Blanca, behind the Iron Curtain in Yugoslavia and Rumania, totally oblivious of the dictators Tito, Ceausescu as she is of Franco in Spain. Relishing her freedom in Europe, Susan is not a run of the mill tennis player - she smokes, loves red wine, falls in love regularly, has many adventures, unusual encounters and numerous pitfalls. Unable to afford to go back and forward to Australia, and not wanting to spend the winter months in cold, dark and wet London behind a typewriter, Susan impulsively heads for Spain. She is immediately captivated by Spain, the Spanish lifestyle and before too long a handsome Spaniard.

**The Drugs We Love** Feb 09 2021 Prescription, illicit, and recreational drugs touch all of our lives yet a basic understanding of these chemicals is largely absent among Americans. Jerrold Winter offers a comprehensive account of psychoactive drugs, chemicals which influence our brains in myriad ways. Manifestations of their influence on the brain are quite varied. There may be the comfort provided by opioids to those who are dying or in pain or, in everyday life, the surge of contentment for the users of caffeine, nicotine, heroin, alcohol, or marijuana upon the taking of their drug of choice. Turning to the more exotic, a drug such as LSD may alter the way the world looks to us; it may even inspire thoughts of God. Adding to the purely scientific questions which confront us are the ways in which our society chooses to respond to the presence of psychoactive drugs. Should they be banned and their users sent to prison, tolerated as a reflection of man's eternal search for an escape from anxiety, pain, and the monotony of daily life, or celebrated as therapeutically useful agents? Our Love Affair with Drugs is written for experts and novices alike. There are stories of, for example, how Timothy Leary caused the repeal of the Marijuana Tax Act of 1937. Readers will learn of the transformation by Sir Charles Locock of a drug intended to dampen female sexual activity into the first effective drug for the treatment of the ancient disease of epilepsy. Alexander Shulgin's love of psychoactive drugs and his unconventional research practices illuminate the story of methylenedioxymethamphetamine, a.k.a. Ecstasy, a drug now likely to find value in treating veterans and others suffering post-traumatic distress disorder. Winter links the excitement of drug discovery with the very practical matter of balancing the benefits and risks of these drugs.

**My Love Affair with England** Aug 30 2022 Writing a love letter to Great Britain, the America author celebrates badger-watching in the countryside, the London theatre, ghost-hunting, tour guiding students, and other pleasures of traveling through England. Reprint.

**My Love Affair with Modern Art** May 27 2022 One of America's leading curators, "a woman of resilience and vision, a writer of clarity and ardor" (Chicago Tribune), takes you on a personal tour of the world of modern art. In the Depression-era climate of the 1930s, Katharine Kuh defied the odds and opened a gallery in Chicago, where she exhibited such relatively unknown artists as Fernand Léger, Paul Klee, Joan Miró, Ansel Adams, Marc Chagall, and Alexander Calder. Her extraordinary story reveals how and why America became a major force in the world of contemporary art.

**Eleanor and Hick** Jul 25 2019 A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each

other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history.

**One Love Affair** Sep 18 2021 [one love affair]\* meditates on mud daubers, Duras, and the deaths of mentally ill and drug-addicted lovers, blurring fiction, essay, and memoir in an extended prose poem that is as much a study of how we read as it is a treatise on the language of love affairs: a language of hidden messages, coded words, cryptic gestures, and suspicion. As with Jenny Boully's debut book *The Body* (2002), [one love affair]\* is full of gaps and fissures and "seduces its reader by drawing unexpected but felicitous linkages between disparate citations from the history of literature," a work that is "filled with the exegetical projection of our own imagination" (Christian Bok, *Maisonneuve*). Told through fragments that accrete through uncertain meanings, romanticized memories, and fleeting moments rather than clear narrative or linear time, [one love affair]\* explores the spaces between too much and barely enough, fecundity and decay, the sublime and the disgusting, wholeness and emptiness, love and loneliness in a world where life can be interpreted as a series of love affairs that are "unwilling to complete."

**Love Affair** Nov 01 2022 A searing literary memoir of a disconnected childhood, a multigenerational upbringing and incest—from the daughter of legendary jazz pianist Stan Kenton Leslie Kenton was the only child of Violet, a stunning Hitchcock blonde, and the legendary jazz giant Stan Kenton. The story takes place on the road in 1950s America and in the mania of Hollywood—a world of jazz clubs, dance halls and one-nighters, where lives were lived on a razor's edge. *Love Affair* takes us beyond the bright lights and glamour into an intense, claustrophobic world of a father and the only child of his troubled marriage. As Stanley grapples with alcohol and his personal demons, gradually his actions threaten to destroy the only real, untainted thing in his life: Leslie. A true story of obsession, tragedy and grace, *Love Affair* is Leslie Kenton's powerful memoir. At its heart is the complex, ultimately incestuous, relationship with her father—a union so powerful it defines all that came after. As their lives become increasingly entangled, so do the forces of darkness and light that exist within us all, leading to destruction for him and heartbreaking redemption for her. There have been memoirs about incest before, but *Love Affair* is a surprisingly moving and elegant treatment of a young life, shared passion, and boundaries crossed.

**The Regrets** Aug 25 2019 Reality and dream collide in Amy Bonnaffons's "dazzling," wildly inventive "miracle of a love story" about an affair between the living and the dead (NPR) For weeks, Rachel has been noticing the same golden-haired young man sitting at her Brooklyn bus stop, staring off with a melancholy air. When, one day, she finally musters the courage to introduce herself, the chemistry between them is undeniable: Thomas is wise, witty, handsome, mysterious, clearly a kindred spirit. There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he completes a 90-day stint on earth, during which time he is forbidden to get involved with a member of the living -- lest he incur "regrets." When Thomas and Rachel break this rule, they unleash a cascade of bizarre, troubling consequences. Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.

**Wanderlust** Jun 27 2022 Spanning fifteen years of travel, beginning when she is a sophomore in college, *Wanderlust* documents Elisabeth Eaves's insatiable hunger for the rush of the unfamiliar and the experience of encountering new people and cultures. Young and independent, she crisscrosses five continents and chases the exotic, both in culture and in romance. In the jungles of Papua New Guinea, she loses herself—literally—to an Australian tour guide; in Cairo, she reconnects with her high school sweetheart, only to discover the beginning of a pattern that will characterize her life over the long-term: while long-distance relationships work well for her, traditional relationships do not. *Wanderlust*, however, is more than a chronological conquest of men and countries: at its core, it's a journey of self-discovery. In the course of her travels, Eaves finds herself and the sense of home she's been lacking since childhood—and she sheds light on a growing culture of young women who have the freedom and inclination to define their own, increasingly global, lifestyles, unfettered by traditional roles and conventions of past generations of women.

**The Home Place** Nov 08 2020 "A groundbreaking work about race and the American landscape, and a deep meditation on nature... wise and beautiful."—Helen Macdonald, author of *H is for Hawk* A Foreword Reviews Best Book of the Year and Nautilus Silver Award Winner In me, there is the red of miry clay, the brown of spring floods, the gold of ripening tobacco. All of these hues are me; I am, in the deepest sense, colored. Dating back to slavery, Edgefield County, South Carolina—a place "easy to pass by on the way somewhere else"—has been home to generations of Lanhams. In *The Home Place*, readers meet these extraordinary people, including Drew himself, who over the course of the 1970s falls in love with the natural world around him. As his passion takes flight, however, he begins to ask what it means to be "the rare bird, the oddity." By turns angry, funny, elegiac, and heartbreaking, *The Home Place* is a meditation on nature and belonging by an ornithologist and professor of ecology, at once a deeply moving memoir and riveting exploration of the contradictions of black identity in the rural South—and in America today. "When you're done with *The Home Place*, it won't be done with you. Its wonders will linger like everything luminous."—Star Tribune "A lyrical story about the power of the wild... synthesizes his own family history, geography, nature, and race into a compelling argument for conservation and resilience."—National Geographic

**Pet Nation** Nov 28 2019 Now in paperback and with an update about pets during COVID. In the last 20 years pets have gone from the backyard to sleeping on our beds, then showing up in every corner of America. *Pet Nation* tells the story of this seismic shift and the economic, media, legal, political, and social dramas springing from this cultural transformation. Since 1998 the pet population in the U.S. has almost doubled -- about two-thirds of the country now owns a pet. No longer left to wander the neighborhood, dogs and cats eat special food, get individualized medical attention, and even fly in the cabin. As founder of the Animal Policy Group, Mark Cushing provides an inside look at the rise of *Pet Nation*, tracking the myriad ways pets are acquired (a "Canine Freedom Train" runs south to north), reporting on pet rights legislation (and the unseen problems that come with elevating their status), pet healthcare (revealing the truth and myths about large scale breeders), and discovering that despite what many organizations would have us believe, there is a shortage of dogs. Insightful, surprising, and full of great stories, *Pet Nation* opens our eyes to the big changes happening in front of us right now. It shows us not only what our love of animals says about pets, it shows us what it says about ourselves.

In the end, fate took the shape of my best friend and her husband, who were desperate for a baby. Desperate for that miracle, that hope, that joy in their lives. I wanted to give that to them. I wanted them to have the family they were striving for. With my help, they would finally have everything they ever wanted. On the day I found out their little miracle was coming, fate intervened again. It would turn my world upside down, shattering my life into a million pieces. It was on that day I realized things were about to become really complicated.

***A Love Affair with God*** Mar 01 2020 G. K. Chesterton advised, "Let your religion be less of a theory and more of a love affair." Remarkably, God loves you with a passionate, crazy love and craves your love in return. Throughout your sojourn on earth, God entices you in various ways, pursues you, and even demands your love! God created you for love, and your final destiny is everlasting union with this divine Lover. Human beings exhibit certain characteristics toward a person they deeply love, for example, constantly thinking of the beloved and delighting in being together. When you are involved in an intimate relationship with God, these same characteristics hold true for both God and you. In "A Love Affair with God," twelve of these traits are explained. Each chapter presents how God shows one of these traits toward you and how you reciprocate likewise if you are in love with God. This last section is a goldmine of practical ways to express love for God. Scripture verses, quotations, stories, and examples are woven through the material. Questions for reflection are included. Reading this book promises to make you more aware of the immense love God has for you and to stir you to love God back with all your heart. This unique love affair is for time and for eternity. It makes life worth living.

***A Love Affair with Birds*** Mar 13 2021 Imagine a Minneapolis so small that, on calm days, the roar of St. Anthony Falls could be heard in town, a time when passenger pigeons roosted in neighborhood oak trees. Now picture a dapper professor conducting his ornithology class (the university's first) by streetcar to Lake Harriet for a morning of bird-watching. The students were mostly young women—in sunhats, sailor tops, and long skirts, with binoculars strung around their necks. The professor was Thomas Sadler Roberts (1858–1946), a doctor for three decades, a bird lover virtually from birth, the father of Minnesota ornithology, and the man who, perhaps more than any other, promoted the study of the state's natural history. *A Love Affair with Birds* is the first full biography of this key figure in Minnesota's past. Roberts came to Minnesota as a boy and began keeping detailed accounts of Minneapolis's birds. These journals, which became the basis for his landmark work *The Birds of Minnesota*, also inform this book, affording a view of the state's rich avian life in its early days—and of a young man whose passion for birds and practice of medicine among Minneapolis's elite eventually dovetailed in his launching of the beloved Bell Museum of Natural History. Bird enthusiast, doctor, author, curator, educator, conservationist: every chapter in Roberts's life is also a chapter in the state's history, and in his story acclaimed author Sue Leaf—an avid bird enthusiast and nature lover herself—captures a true Minnesota character and his time.

***The Love Affair of an English Lord*** Aug 18 2021 Award-winning author Jillian Hunter both amuses and delights with another irresistible tale of scandal and seduction. Soon after Chloe's banishment begins, she is shocked to learn that her neighbor Dominic Breckland, the devilish Viscount Stratfield, has been killed in his bed. But she is even more stunned to discover the dangerously handsome "victim" taking refuge in her lingerie closet one night. By some miracle Dominic has survived his attack—and wishes the world to believe him dead. Can the alluring Lady Chloe keep his secret? Dominic uses all his masculine charm to persuade her as they work together to unmask his enemy. Of course, being caught sheltering a seductive scoundrel could further mar Chloe's already tarnished reputation. But, really, what's a little scandal to a lady in love?

***My Love Affair with America*** Sep 30 2022 In this touching and delightful memoir, Norman Podhoretz charts the ups and downs of his lifelong love affair with his native land, and warns that to turn against America, from the Right no less than from the Left, is to fall into the rankest ingratitude. While telling the story of how he himself grew up to be a fervent patriot, one of this country's leading conservative thinkers urges his fellow conservatives to rediscover and reclaim their faith in America. A superb storyteller, Podhoretz takes us from his childhood as a working-class kid in Brooklyn during the Great Depression -- the son of Jewish immigrants singing Catholic hymns in a public school staffed by Irish spinsters and duking it out on the streets with his black and Italian classmates -- to his later education, his shifting political alliances, and his arrival at a happy personal and intellectual resolution. *My Love Affair with America* shows us a gentler and funnier Podhoretz than readers have seen before. At the same time, it presents a picture of someone eager to proclaim, against all comers, that America represents one of the high points in the history of human civilizations. In this powerful, elegantly written, and poignant cautionary tale, Podhoretz pleads with his fellow conservatives not to fall, as some have lately done, into their own special brand of anti-Americanism, as he reminds them of the disastrous consequences that followed the assault by the New Left against the United States in decades gone by. Warm in feeling and brilliantly perceptive, *My Love Affair with America* points the way back to a thoroughly unabashed love of country -- the kind of patriotism that has rarely been encountered in recent years and that is as invigorating as it is inspiring.

***A Summer Love Affair*** Dec 22 2021 Petra Quirk returns to Maine to the small town of Eliot's Corner for the summer and discovers a diary that prompts a confession from her mother to her three daughters about a past affair and the truth about Petra's father.

***Dear Mr. Picasso*** Oct 08 2020 A photographic memoir of photographer and FotoFest photo festival founder Fred Baldwin's extraordinary life: how he followed his dream, used his imagination, overcame fear, and acted to accomplish anything. This account takes the reader to high adventure worldwide, but also to disaster and failure. This illustrated love affair with freedom shows how a camera became a passport to the world. The son of an American diplomat, who died when Baldwin was five, the book describes a string of disasters associated with six elite boarding schools and one university led to his exile to work in a factory where he joined low-paid black and white workers in his uncle's factory in Savannah, Georgia. Baldwin escaped by joining the Marines and was immediately shipped to North Korea in 1950. Wounded and decorated twice, Baldwin also learned from the brutal, 35 below zero weather at the Chosin Reservoir where his unit was surrounded and outnumbered by the Chinese. After Korea, Baldwin moved to Paris, then returned to a junior college in Georgia, won a scholarship to Harvard and transferred to Columbia. Baldwin taught himself photography by visiting MoMa and every photo gallery in New York. Baldwin wanted to be a photojournalist. "I discovered the Civil Rights Movement by chance as I was walking the streets of Savannah planning a book on the city's architecture. I met change marching toward me in the form of Benjamin Van Clark, a seventeen-year-old student leading his troops chanting into battle. The deep rumblings of the Civil Rights Movement in Georgia and elsewhere somehow had never reached me in Europe. As I wrote, 'the polar bears I was photographing in the Arctic didn't tell me about what was happening with Black folks in the South. They were just too white.'" The stories in this book are often laced with self-deprecating humour, a mechanism that Baldwin had developed early as a survival tool.

***Mirror, Mirror*** May 03 2020 Of all human inventions, the mirror is perhaps the one most closely connected to our own consciousness. As our first technology for contemplation of the self, the mirror is arguably as important an invention as the wheel. *Mirror, Mirror* is the fascinating story of the mirror's invention, refinement, and use in an astonishing range of human activities -- from the fantastic mirrored rooms that wealthy Romans created for their orgies to the mirror's key role in the use and understanding of light. Pendergrast spins tales of the 2,500-year mystery of whether Archimedes and his "burning mirror" really set faraway Roman ships on fire; the medieval Venetian glassmakers, who perfected the technique of making large, flat mirrors from clear glass and for whom any attempt to leave their cloistered island was punishable by death; Isaac Newton, whose experiments with sunlight on mirrors once left him blinded for three days; the artist David Hockney, who holds controversial ideas about Renaissance artists and their use of optical devices; and George Ellery Hale, the manic-depressive astronomer and telescope enthusiast who inspired (and gave his name to) the twentieth century's largest ground-based telescope. Like mirrors themselves, *Mirror, Mirror* is a book of endless wonder and fascination.

***The Negroni*** Jun 23 2019 An illustrated history of the iconic Negroni, including over 20 simple variations, from Matt Hranek, author of *A Man & His Watch* and *A Man & His Car*.

***Love Affair in the Garden of Milton*** Feb 21 2022 *Love Affair in the Garden of Milton* interweaves the private story of a marriage coming apart with readings of John Milton's poetry and prose. Connected essays chart the chaos of loss and the discovery of how a writer can inhabit our emotional as well as our intellectual selves. Inflected by the principles of mindfulness, Susannah B. Mintz's memoir explores how we reconstruct ourselves and find our way back to meaning in the aftermath of trauma. Formally inventive and engaging dynamic philosophical ideas, *Love Affair in the Garden of Milton* raises questions of forgiveness, desire, identity, grief, and the counterintuitive relevance of literary tradition. This lyric memoir offers readers a sense of partnership, with the author and Milton as companionable guides through the wilds of love and loss.

***Euphemania*** Dec 10 2020 How did die become kick the bucket, underwear become unmentionables, and having an affair become hiking the Appalachian trail? Originally used to avoid blasphemy, honor taboos, and make nice, euphemisms have become embedded in the fabric of our language. *Euphemania* traces the origins of euphemisms from a tool of the church to a form of gentility to today's instrument of commercial, political, and postmodern doublespeak. As much social commentary as a book for word lovers, *Euphemania* is a lively and thought-provoking look at the power of words and our power over them.

***A Love Affair with Life*** Jul 29 2022 "In this captivating and thought-provoking book, Barbara Hyde gently, and yet with no holds barred, weaves together engaging stories, arresting observations, and insightful commentary for a compelling look at what keeps us from experiencing the life we desire" --Cover p. [4].

Checkout 19 Dec 30 2019 NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES, THE NEW YORKER, AND VOGUE “Bennett writes like no one else. She is a rare talent, and Checkout 19 is a masterful novel.” –Karl Ove Knausgaard From the author of the “dazzling. . . . and daring” Pond (O magazine), the adventures of a young woman discovering her own genius, through the people she meets—and dreams up—along the way. In a working-class town in a county west of London, a schoolgirl scribbles stories in the back pages of her exercise book, intoxicated by the first sparks of her imagination. As she grows, everything and everyone she encounters become fuel for a burning talent. The large Russian man in the ancient maroon car who careens around the grocery store where she works as a checkout clerk, and slips her a copy of Beyond Good and Evil. The growing heaps of other books in which she loses—and finds—herself. Even the derailing of a friendship, in a devastating violation. The thrill of learning to conjure characters and scenarios in her head is matched by the exhilaration of forging her own way in the world, the two kinds of ingenuity kindling to a brilliant conflagration. Exceeding the extraordinary promise of Bennett’s mold-shattering debut, Checkout 19 is a radical affirmation of the power of the imagination and the magic escape those who master it open to us all.
