A Place to Land Aug 15 2021 As a new generation of activists demands an end to racism, A Place to Land reflects on Martin Luther King, Jr.'s "I Have a Dream" speech and the movement that it galvanized. Winner of the Orbis Pictus Award for Outstanding Nonfiction

for Children Selected for the Texas Bluebonnet Master List Much has been written about Martin Luther King, Jr. and the 1963 March on Washington. But there's little on his legendary speech and how he came to write it. Martin Luther King, Jr. was once asked if the hardest part of preaching was knowing where to begin. No, he said. The hardest part is knowing where to end. "It's terrible to be circling up there without a place to land." Finding this place to land was what Martin Luther King, Jr. struggled with, alongside advisors and fellow speech writers, in the Willard Hotel the night before the March on Washington, where he gave his historic "I Have a Dream" speech. But those famous words were never intended to be heard on that day, not even written down for that day, not even once. Barry Wittenstein teams up with legendary illustrator Jerry Pinkney to tell the story of how, against all odds, Martin found his place to land. Sesame Street: Stories to Grow on Feb 09 2021 Growing up is extra special with stories that come to life as they are read aloud by Nina from Sesame Street! Little ones will love reading about milestones like using the potty, sleeping in a big bed, the first day of school, and more. 8 illustrated board books featuring Elmo and his Sesame friends come with a Me Reader Jr module that reads each book aloud at the touch of a button, with charming narration, fun sounds, and songs. Following along in the book while listening to the narration is an important first step toward independent reading.
