About Trivium Test Prep Trivium Test Prep is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our test prep products based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our study materials are specifically tailored for your exact needs. We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!

Fsoot Study Guide Mar 13 2021 With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready for the FSOT written exam. You don't want to waste time - and money! - having to study all over again because your score was too low to be accepted. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the Foreign Service Officer Test, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the FSOT...and they get a variety of results. Trivium Test Preps FSOT Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the FSOT exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our FSOT study guide, you get a fast and easy review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; FSOT practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

A Repair Kit for Grading Nov 28 2019 Communicating about student achievement requires accurate, consistent and meaningful grades. Educators interested in examining and improving grading practices should ask the following questions: * Am I confident that students in my classroom receive consistent, accurate and meaningful grades that support learning? * Am I confident that the grades I assign students accurately reflect my school or district's published performance standards and desired learning outcomes? In many schools, the answers to these questions often range from "not very" to "not at all." When that's the case, grades are "broken" and teachers and schools need a "repair kit" to fix them. A Repair Kit for Grading: 15 Fixes for Broken Grades, 2/e gives teachers and administrators 15 ways to make the necessary repairs. Additional Resources from ATI Visit <http://www.ati.pearson.com> to read more articles on assessment, download study guides, and more!
