*The Tiger Mom's Tale* Jan 24 2022 "The Tiger Mom's Tale is a heartfelt, delightful read. Lyn Liao Butler's story of Taiwanese and American identity had me turning pages and laughing (and drooling over the delicious descriptions of food)." - Charles Yu, author of *Interior Chinatown*, winner of the 2020 National Book Award Named one of best summer reads by Parade and PopSugar! When an American woman inherits the wealth of her Taiwanese family, she travels to confront them about their betrayals of the past in this stunning debut by Lyn Liao Butler. Lexa Thomas has never quite fit in. Having grown up in a family of blondes while more closely resembling Constance Wu, she's neither white enough nor Asian enough. Visiting her father in Taiwan as a child, Lexa thought she'd finally found a place where she belonged. But that was years ago, and even there, some never truly considered her to be a part of the family. When her estranged father dies unexpectedly, leaving the fate of his Taiwanese family in Lexa's hands, she is faced with the choice to return to Taiwan and claim her place in her heritage . . . or leave her Taiwanese family to lose their home for good. Armed with the advice of two half-sisters (one American and the other Taiwanese, who can't stand each other), a mother who has reevaluated her sexuality, a man whose kisses make her walk into walls, and her self-deprecating humor, Lexa finds the courage to leave the comfort of New York City to finally confront the person who drove her away all those decades ago. With fond memories of eating through food markets in Taiwan and forming a bond with a sister she never knew she had, Lexa unravels the truth of that last fateful summer and realizes she must stand up for herself and open her heart to forgiveness, or allow the repercussions of her family's choices to forever dictate the path of her life

**Deny of the Tiger** Jan 30 2020 When I came to Auburn in 2004, I fell into a gold mine. My coaching career, which at one time looked very promising, had recently reached a dead end. What I found when I got to The Plains was a vast number of very talented but underachieving players with a burning desire to succeed. Together, as coaches, players, and staff, we developed a selfless majestic synergy that resulted in an undefeated season and, what we believed, would be a ticket to the BCS National Championship game. It wasn't to be. After eighteen years, and several other stops, I retired from coaching but found certain memories never retire. The Auburn Tigers of 2004 will forever represent the pinnacle of my professional career. After traveling to The Plains with my seventeen-year-old son, Cole, to watch the 2021 Iron Bowl, I had an opportunity to reunite with many of the players and fans with whom I shared those memories. Upon my return home, I was inspired by their undying enthusiasm for what was accomplished years ago. I wanted to divulge some interesting stories that haven't been told, and offer, what I hope, an enlightening perspective from the guy who accounted for the game plans and called the plays.

**The Tiger Roars** Jul 06 2020 Hailed as the best of all Anderson's books, The Tiger Roars reminds one of the man-eating tigers he had tracked down, ferocious panthers fond of human blood, the ageing elephant meeting a sad end, and his own adventurous hours spent in the primeval jungles of India.

**Blood of the Tiger** May 04 2020 Blood of the Tiger takes readers on a wild ride to save one of the world's rarest animals from a band of Chinese billionaires. Many people think wild tigers are on the road to recovery, but they are in greater danger than ever—from a menace few experts saw coming. There may be only three thousand wild tigers left in the entire world. More shocking is the fact that twice that many—some six thousand—have been bred on farms, not for traditional medicine but to supply a luxury-goods industry that secretly sells tiger-bone wine, tiger-skin décor, and exotic cuisine enjoyed by China's elite. Two decades ago, international wildlife investigator J. A. Mills went undercover to expose bear farming in China and discovered the plot to turn tigers into nothing more than livestock. Thus begins the story of a personal crusade in which Mills mobilizes international forces to awaken the world to a conspiracy so pervasive that it threatens every last tiger in the wild. In this memoir of triumph, heartbreak, and geopolitical intrigue, Mills and a host of heroic comrades try to thwart a Chinese cadre's plan to launch billion-dollar industries banking on the extinction of not just wild tigers but also elephants and rhinos. Her journey takes her across Asia, into the jungles of India and Nepal, to Russia and Africa, traveling by means from elephant back to presidential motorcade, in the company of man-eaters, movie stars, and world leaders. She finds reason for hope in the increasing number of Chinese who do not want the blood of the last wild tigers to stain their beloved culture and motherland. Set against the backdrop of China's ascendance to world dominance, Blood of the Tiger tells of a global fight to rein in the forces of greed on behalf of one of the world's most treasured and endangered animals. From the Hardcover edition.

**Slaying the Tiger** Mar 26 2022 NEW YORK TIMES BESTSELLER • In Slaying the Tiger, one of today's boldest young sportswriters spends a season inside the ropes alongside the rising stars who are transforming the game of golf. For more than a decade, golf was dominated by one galvanizing figure: Eldrick "Tiger" Woods. But as his star has fallen, a new, ambitious generation has stepped up to claim the crown. Once the domain of veterans, golf saw a youth revolution in 2014. In Slaying the Tiger, Shane Ryan introduces us to the volatile, colorful crop of heirs apparent who are storming the barricades of this traditionally old-fashioned sport. As the golf writer for Bill Simmons's Grantland, Shane Ryan is the perfect herald for the sport's new age. In Slaying the Tiger, he embeds himself for a season on the PGA Tour, where he finds the game far removed from the genteel rhythms of yesteryear. Instead, he discovers a group of mercurial talents driven to greatness by their fear of failure and their relentless perfectionism. From Augusta to Scotland, with an irreverent and energetic voice, Ryan documents every transcendent moment, every press tent tirade, and every controversy that made the 2014 Tour one of the most exciting and unpredictable in recent memory. Here are indelibly drawn profiles of the game's young guns: Rory McIlroy, the Northern Irish ace who stepped forward as the game's next superstar; Patrick Reed, a brash, boastful competitor with a warrior's mentality; Dustin Johnson, the brilliant natural talent whose private habits sabotage his potential; and Jason Day, a resilient Aussie whose hardscrabble beginnings make him the Tour's ultimate longshot. Here also is the bumptious Bubba Watson, a devout Christian known for his unsportsmanlike outbursts on the golf course; Keegan Bradley, a flinty New Englander who plays with a colossal chip on his shoulder; twenty-one-year-old Jordan Spieth, a preternaturally mature Texan carrying the hopes of the golf establishment; and Rickie Fowler, the humble California kid striving to make his golf speak louder than his bright orange clothes. Bound by their talent, each one hungrier than the last, these players will vie over the coming decade for the right to be called the next king of the game. Golf may be slow to change, but in 2014, the wheels were turning at a feverish pace. Slaying the Tiger offers a dynamic snapshot of a rapidly evolving sport. Praise for Slaying the Tiger "This book is going to be controversial. There is no question about it. . . . It is the most unvarnished view of the tour—the biggest tour in the world—that I've ever read. And it's not close."—Gary Williams, Golf Channel "A must-read for PGA Tour fans from the casual to the

most dedicated . . . This book is certain to be as important to this era as [John] Feinstein's [A Good Walk Spoiled] was two decades ago. . . . A well-researched, in-depth look at the men who inhabit the highest levels of the game."—Examiner.com "A masterfully written account of an important time in golf history."—Adam Fonseca, Golf Unfiltered "Absolutely marvelous . . . Ryan's writing flows and his reporting turns pages for you."—Kyle Porter, CBS Sports "A riveting read."—Library Journal "Ryan's fresh look is just what we golfer/readers want."—Curt Sampson, New York Times bestselling author of Hogan "Ryan does a fantastic job painting a thoughtful and accurate portrait of the new crop of heirs apparent."—Stephanie Wei, Wei Under Par

**Flashman and the Tiger** Nov 29 2019 For the first time in four years comes a new book in George MacDonald Fraser's long-running series chronicling the adventures of Sir Harry Paget Flashman. Eleventh in the series, *Flashman and the Tiger* features not one, but three stories of international intrigue that find the fictional Flashman thrown headlong into historical events around the world. This time out Flashman is thwarting an attempted assassination of Austria's Emperor Franz Josef ("The Road to Charing Cross"); getting to the bottom of the Tranby Croft gaming scandal—and the Prince of Wales' involvement in it ("The Subtleties of Baccarat"); and, in the title story, impacting the Zulu war while hunting down a longtime enemy. At once meticulously faithful to fact and wildly fanciful, *Flashman and the Tiger* is an educational romp through the annals of history; thirty years after he began the series, Fraser is at the top of his game.

**Through the Eye of the Tiger** Jun 28 2022 "Hey, yo, Jim . . . This is Sylvester Stallone. Give me a call . . ." It was these words that would set Jim Peterik on the road to rock 'n' roll immortality. After he and his Survivor bandmates recorded "Eye of the Tiger" for the Rocky III soundtrack, the song would go on to earn a Grammy, an Oscar nomination, reach triple platinum status—and become one of the most recognizable tunes in music history. But there's much more to the story of Survivor and its founding member, Jim Peterik, than meets the eye. As one of the most prolific songwriters of his generation, Peterik has cowritten songs with some of the most famous bands and artists of our time, including 38 Special ("Caught Up in You," "Hold on Loosely"), Sammy Hagar ("Heavy Metal"), The Beach Boys, The Doobie Brothers, REO Speedwagon, Cheap Trick, and many more. Now, for the first time, Peterik is sharing his stories. Filled with tales from Peterik's life in rock 'n' roll, *Through the Eye of the Tiger* documents his early days of success with The Ides of March ("Vehicle"), through the often torturous power struggles within Survivor, and the giddy highs that accompany a trail of worldwide hits. From going to a party in Led Zeppelin's hotel room (and turning right back out the door) to escorting a disoriented Janis Joplin back to her hotel room after opening her show in Calgary, Peterik's accounts will surprise and delight. *Through the Eye of the Tiger* is more than just a memoir of a songwriting legend; it's a classic rock 'n' roll story told through the eyes of someone who has lived through it all—and through the Eye of the Tiger.

*Ride the Tiger* Apr 14 2021 Julius Evola's final major work, which examines the prototype of the human being who can give absolute meaning to his or her life in a world of dissolution • Presents a powerful criticism of the idols, structures, theories, and illusions of our modern age • Reveals how to transform destructive processes into inner liberation The organizations and institutions that, in a traditional civilization and society, would have allowed an individual to realize himself completely, to defend the principal values he recognizes as his own, and to structure his life in a clear and unambiguous way, no longer exist in the contemporary world. Everything that has come to predominate in the modern world is the direct antithesis of the world of Tradition, in which a society is ruled by principles that transcend the merely human and transitory. *Ride the Tiger* presents an implacable criticism of the idols, structures, theories, and illusions of our dissolute age examined in the light of the inner teachings of indestructible Tradition. Evola identifies the type of human capable of "riding the tiger," who may transform destructive processes into inner liberation. He offers hope for those who wish to reembrace Traditionalism.

Clotaire Chantal IV Oct 28 2019 This story has to do with the final Will of a man named Mornington, who, in the year 1900, left behind the sum of \$400 million francs. Of that, three fourths went to his adopted country which left \$100 million francs to be distributed to his heirs. The executor of the estate was Mornington's friend, Don Luis Perenna (AKA Clotaire Chantal ). The problem, however, was that no one knew where (or even who) some of the heirs were. If no heirs were to be found within 3 months, the entire \$100 million francs would go to Perenna. And Perenna/Chantal had a reputation as being something of a rogue. It is definitely a race against time, as the heirs seem to be turning up dead at an alarming rate.

**The Tiger Prince** Feb 10 2021 A magnificently illustrated Chinese folklore tale about a tigress, a seer, a King, and the prince, who must leave his family and learn the ways of the tigers so that the war between man and animal can end. Deep in the Great Forest, a tigress is mourning the death of her tiger babies who have been killed by hunters. Seeking revenge, she attacks the villages, destroying houses and prompting the king to gather his army. But a seer named Lao Lao warns the king that if he angers the tigress further she will destroy the kingdom. Lao Lao counsels the king to give his own son to the tigress and promises that no harm will come to the boy. The next morning, the king brings the prince to the edge of the Great Forest and tells him, "Now you must go on alone." To end the war between man and animal, the prince must forget his human ways and begin to learn what tigers know. The Tiger Prince was inspired by The Tigress, a late Shang dynasty bronze vessel in the Cernuschi Museum in Paris depicting a scene from the Chinese folktale of a baby raised by a tigress.
