Big Red Songbook May 06 2020 In 1905, representatives from dozens of radical labor groups came together in Chicago to form One Big Union—the Industrial Workers of the World (IWW), known as the Wobblies. The union was a big presence in the labor movement, leading strikes, walkouts, and rallies across the nation. And everywhere its members went, they sang. Their songs were sung in mining camps and textile mills, hobo jungles and flop houses, and anywhere workers might be recruited to the Wobblies' cause. The songs were published in a pocket-size tome called the Little Red Songbook, which was so successful that it's been published continuously since 1909. In *The Big Red Songbook*, the editors have gathered songs from over three dozen editions, plus additional songs, rare artwork, personal recollections, discographies, and more into one big all-embracing book. IWW poets/composers strove to nurture revolutionary consciousness. Each piece, whether topical, hortatory, elegiac, or comic served to educate, agitate, and emancipate workers. A handful of Wobbly numbers have become classics, still sung by labor groups and folk singers. They include Joe Hill's sardonic "The Preacher and the Slave" (sometimes known by its famous phrase "Pie in the Sky") and Ralph Chaplin's "Solidarity Forever." Songs lost or found, sacred or irreverent, touted or neglected, serious or zany, singable or not, are here. The Wobblies and their friends have been singing for a century. May this comprehensive gathering simultaneously celebrate past battles and chart future goals. In addition to the 250+ songs, writings are included from Archie Green, Franklin Rosemont, David Roediger, Salvatore Salerno, Judy Branfman, Richard Brazier, James Connell, Carlos Cortez, Bill Friedland, Virginia Martin, Harry McClintock, Fred Thompson, Adam Machado, and many more.

Singing Sack Jul 08 2020 A collection of folktales from around the world. Each story is accompanied by music and words in the original language. Suggested level: primary, intermediate.

Bob Marley: Complete Chord Songbook Dec 13 2020 Bob Marley is perhaps the most important voice of Reggae music, crossing-over and achieving an iconic status in the mainstream pop industry. The Complete Guitar Player Rock Songbook would make a sterling addition to any guitarist's bookshelf, and each of these superb songs is guaranteed to make everyone stop and listen.

Songbooks Aug 21 2021 In Songbooks, critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings's 1770 New-England Psalm-Singer to Jay-Z's 2010 memoir Decoded. Drawing on his background editing the Village Voice music section, coediting the Journal of Popular Music Studies, and organizing the Pop Conference, Weisbard connects American music writing from memoirs, biographies, and song compilations to blues novels, magazine essays, and academic studies. The authors of these works are as diverse as the music itself: women, people of color, queer writers, self-educated scholars, poets, musicians, and elites discarding their social norms. Whether analyzing books on Louis Armstrong, the Beatles, and Madonna; the novels of Theodore Dreiser, Gayl Jones, and Jennifer Egan; or varying takes on blackface minstrelsy, Weisbard charts an alternative history of American music as told through its writing. As Weisbard demonstrates, the most enduring work pursues questions that linger across time period and genre—cultural studies in the form of notes on the fly, on sounds that never cease to change meaning.

Bobby Shaftoe, Clap Your Hands Jan 26 2022 A collection of new songs to be sung to well known nursery melodies. Four sections cover action songs, songs for exploring sounds, listening songs, and songs for making patterns. Suggested level: junior.
