[MRCOG Part 2](#) Jun 05 2020 This book is a complete revision guide for trainees preparing for MRCOG Part 2 examinations. Divided into eleven

sections, 500 SBA (single best answer) questions with detailed answers and explanations, cover eighteen different modules covered in the examination including surgeries, antenatal care, infertility, early pregnancy care, gynaecology, and more. Questions are based on previous examinations and each one features references, including RCOG and NICE guidelines, and suggestions for further reading. Compiled by experts from Coventry and Warwickshire NHS Trust and Birmingham Women's and Children's NHS Foundation Trust, the book also includes two practice question papers to assist students with revision. Key points Complete MRCOG Part 2 revision guide Features 500 SBA questions with detailed answers and explanations Includes references based on RCOG and NICE guidelines Two practice question papers are provided to assist revision

**Single Best Answer MCQs in Anaesthesia** Dec 12 2020 This book comprises six sets of single best answer practice papers. Each set contains 30 single best answer questions on physiology, pharmacology, clinical measurement and physics. The scenarios are based on the application of a wide knowledge of basic sciences relevant to the clinical practice of anaesthesia. The best possible answer to a given question is substantiated by detailed explanation drawn from recent journal articles and textbooks of anaesthesia and basic sciences. These questions enable the candidates to assess their knowledge in basic sciences and their ability to apply it to clinical practice. Alongside the previously published book Single Best Answer MCQs in Anaesthesia (Volume I - Clinical Anaesthesia, ISBN 978-1-903378-75-5), this book is an ideal companion for candidates sitting postgraduate examinations in anaesthesia, intensive care medicine, and pain management. It will also be a valuable educational resource for all trainees and practising anaesthetists.

**Part 2 MRCOG: Single Best Answer Questions** Jun 17 2021 Part 2 MRCOG: SBA Questions contains invaluable preparation and practice for candidates undertaking the Royal College of Obstetricians and Gynaecologists Part 2 MRCOG examination. It contains 400 practice questions written by a highly experienced team of MRCOG question writers, alongside detailed answers referencing each question to either an RCOG, NICE or WHO guideline, or an article in the professional journal 'The Obstetrician & Gynaecologist'. This will enable candidates to understand the reasoning and knowledge base behind the question, as well as giving them a clear reference should they wish to read further around the subject. The first part of the book introduces and explains the new format of the Part 2 MRCOG exam, giving insightful advice on the skills required to write a good SBA question. The second part of the book contains chapters matched to the 15 of the 19 modules of the core curriculum, giving a comprehensive range of questions and answers with detailed explanations and references. For anyone preparing for the Part 2 MRCOG exam, this book will provide extensive and comprehensive practice and guidance from an expert author team.

**Final FRCR Part A Modules 1-3 Single Best Answer MCQS** Sep 20 2021 Single best answer (SBA) questions have been introduced into the Final FRCR Part A examination of the Royal College of Radiologists in the UK for the first time. This book of 600 SBA questions and explanatory answers has been written to aid students preparing for the exam by current trainees in clinical radiology, coordinated through The Society of Radiologists in Training (SRT). Questions are grouped by topic and each topic is split into three papers of 70 questions, with explanations separated into chapters to enable readers to either attempt a whole mock exam paper or to browse question by question. The book is a bridge between a pure revision aid and a reference text, including a bibliography of useful references for further information. Candidates for other professional exams in Radiology will find the text useful, as will and those from other specialties wishing to explore the radiological aspects of their syllabus in greater depth. This is a companion volume to Final FRCR Part A Modules 4-6 Single Best Answer MCQs by the same team.

**Access to Surgery** Aug 20 2021 This book provides subject based Single Best Answer style questions for doctors on their Foundation Year rotations and candidates taking their MRCS exam. It includes SBA questions testing factual knowledge and clinical scenarios testing application of basic facts. Detailed answers and explanations enable doctors to revise without the need to read large Anatomy books.

Grainger & Allison's Diagnostic Radiology Jul 07 2020 This is an ideal tool for trainee radiologists preparing for their professional certification exams to assess their current knowledge, comprehension and retention of information prior to sitting their exams. The book is targeted at the new style FRCR 2A exam. It reflects the recent changes in exam structure and all of the 520 questions are provided in the new "best of five" format. The book contains explanations and key learning points that are cross-referenced to Grainger & Allison's Diagnostic Radiology and to other leading radiology reference works and journals.

Intercollegiate MRCS Sep 08 2020 Focuses on the application of the basic sciences (anatomy, physiology, pathology, microbiology and pharmacology) to the management of surgical patients. This book emphasises on the physiological and pharmacological basis of post-operative care, ITU care, as well as the anatomical basis of commonly undertaken ward procedures and surgical operations.

Final FRCR Part A Modules 4-6 Single Best Answer MCQs Feb 23 2022 Single best answer (SBA) questions have been introduced into the FRCR Part 2A examination of the Royal College of Radiologists in the UK for the first time. This book of 600 SBA questions and explanatory answers has been written to aid students preparing for the exam by current trainees in clinical radiology, coordinated through The Society of Radiologists in Training (SRT). Questions are grouped by topic and each topic is split into three papers of 70 questions, with explanations separated into chapters to enable readers to either attempt a whole mock exam paper or to browse question by question. The book is a bridge between a pure revision aid and a reference text, including a bibliography of useful references for further information. Candidates for other professional exams in Radiology will find the text useful, as will and those from other specialties wishing to explore the radiological aspects of their syllabus in greater depth. This is a companion volume to Final FRCR Part A Modules 4-6 Single Best Answer MCQs by the same team.

**Single Best Answers for Mrcog** Jan 31 2020 Passing the MRCOG Part 2 exam is essential to complete further training in O&G, both in the UK and for many doctors across the world. There are two annual sittings in the UK, plus the candidates sitting in Bangladesh, Egypt, Hong Kong, India, Iraq, Jordan, Malaysia, Pakistan, Saudi Arabia, Sudan, UAE, West Indies and China. It is a notoriously difficult exam, with a pass rate of c. 20%. From March 2015 there will be a change to one of the two written papers for MRCOG Part 2. Single best answer questions (SBAs) a new format - worth 40% of the total Part 2 mark. This book consists of 200 questions in the new SBA exam format, and will present a question followed by a detailed answer and feedback.

Single Best Answer Questions for Dentistry Oct 02 2022 A must-have resource for those preparing for the MJDF, MFDS, ORE, and other dental examinations Single best answer (SBA) questions are widely used in dental examinations including the Membership of the Joint Dental Faculties (MJDF), Member of the Faculty of Dental Surgery (MFDS), and the Overseas Registration Exam (ORE). Single Best Answer Questions for Dentistry is a comprehensive revision tool designed to help dental students be thoroughly prepared on exam day. Each clearly written SBA question is accompanied by an accurate answer and a full explanation, providing students with a quick and easy-to-access way to revise. The SBAs cover a broad range of specialties within dentistry such as restorative dentistry, oral surgery, oral pathology, paediatric dentistry and orthodontics, periodontology, oral medicine, and more. All terms throughout the book conform to the latest evidence and guidelines, such as the most recent classification of periodontal disease, and match the level of knowledge required for success on current dental examinations. Written by a leading dental practitioner, this valuable resource: Comprises 10 chapters, organised by specialty, each containing 20 to 30 SBAs with their associated answers and explanations Covers various dental specialties and topics including restorative dentistry, radiology, pharmacology, human disease, and dental materials Presents a simple and efficient question-and-answer format that is ideal for exam revision Helps strengthen students' skills in clinical problem solving and decision making Containing more than 280 questions of varying difficulty levels as well as numerous high-quality images and radiographs, Single

Best Answer Questions for Dentistry is essential reading for all dental students and a useful tool for practicing dentists wanting to test or refresh their knowledge.

**Single Best Answer MCQs in Anaesthesia** Mar 15 2021 The single best answer format of questions is invaluable in assessing a trainee's clinical skills and problem-solving abilities. It allows the trainee to demonstrate application of their knowledge to clinical practice. This book comprises six sets of practice papers. Each set contains 30 single best answer questions which cover topics including clinical anaesthesia, pain and intensive care. The questions are based on the recent changes introduced to the written part of the final FRCA examination. The best possible answer to a given clinical scenario is substantiated by a detailed explanation drawn from recent review articles and textbooks in clinical anaesthesia. These questions will enable candidates to assess their clinical knowledge and skills in problem-solving, data interpretation and decision making. This book is essential study material for candidates sitting postgraduate examinations in anaesthesia and intensive care medicine. It is not only an essential guide for trainees but also an invaluable educational resource for all anaesthetists.

Practice Single Best Answer Questions for the Final FRCA Oct 10 2020 Ten papers of thirty questions each cover the entire syllabus, with questions pitched at the right level for the exam.

*320 Single Best Answer Questions For Final Year Medical Students (Second Edition)* Mar 27 2022 This second edition of '320 Single Best Answer Questions for Final Year Medical Students' is an invaluable resource for medical students preparing for their final examinations. Additionally, the breadth of topics covered and detailed answers expands the versatility of this book to a larger audience including doctors preparing for postgraduate exams and other allied healthcare professionals who will be examined in general internal medicine. This improved edition contains updated and new questions that are in line with the most recent developments in clinical guidelines as well as being written in accordance with the recent changes to medical school examinations. The 320 questions are divided into 11 commonly tested areas of medicine, surgery and sub-specialities. They are designed to provide a comprehensive coverage of the medical school curriculum and to allow practice by speciality or random selection. The questions are written in the format of medical final examinations. The answers provide detailed explanations as to how the correct answer is reached, followed by a clear discussion of how the incorrect answers are ruled out and supplementary information about other important aspects of each question. The answers are designed to allow the reader to further enhance their clinical knowledge, understanding and single best answer technique, thus making this book an excellent aid for exam preparation. **SBA MCQs for the MRCS** Mar 03 2020 Specifically designed to help candidates revise for the MRCS exam, this book features 350 Single Best Answer multiple choice questions, covering the whole syllabus. Containing everything candidates need to pass the MRCS Part A SBA section of the exam, it focuses intensively on the application of basic sciences (applied surgical anatomy, physiology, and pathology) to the management of surgical patients. The high level of detail included within the questions and their explanations allows effective self-assessment of knowledge and quick identification of key areas requiring further attention. Varying approaches to Single Best Answer multiple choice questions are used, giving effective exam practice and guidance through revision and exam technique. This includes clinical case questions, 'positively-worded' questions, requiring selection of the most appropriate of relatively correct answers; 'two-step' or 'double-jump' questions, requiring several cognitive steps to arrive at the

correct answer; as well as 'factual recall' questions, prompting basic recall of facts.

**Mastering Single Best Answer Questions for the Part 2 MRCOG Examination** Jan 25 2022 An examination practice and comprehensive review of the exam syllabus, to assist candidates preparing for the Part 2 MRCOG examination.

**SBA Questions for the Part 2 MRCOG** Feb 11 2021 SBA Questions for the Part 2 MRCOG is a valuable preparation resource aimed at those specialising in obstetrics and gynaecology who are planning to take the Part 2 MRCOG examination. It contains two hundred practice single best answer questions written by MRCOG question writers, with accompanying explanations and references. It also contains an introduction to the new format of the examination and the rationale for the changes. The first section consists of two hundred single best answers allowing the reader to test their knowledge. The second section lists the correct response accompanied by an explanation and suggestions for further reading. SBA Questions for the Part 2 MRCOG is the only official preparation book produced by the RCOG and is therefore essential reading for candidates sitting this examination in its new format.

*Single Best Answer Questions for the Final FFICM* Jun 29 2022 Containing 240 practice questions, this is the first dedicated study resource for the SBA component of the Final FFICM examination.

**Single Best Answer Questions in Cardiothoracic Surgery** Nov 10 2020 This first edition of Single Best Answer Questions in Cardiothoracic Surgery provides a comprehensive revision aid to the candidates taking the specialty examination in Cardiothoracic Surgery world-wide. This new revision aid provides over 300 single best answer practice questions in Cardiothoracic Surgery and conforms to the recent changes in the format of specialty examinations in Cardiothoracic Surgery. Each question has been carefully formulated to cover an important topic in cardiothoracic surgery. The questions cover the complete specialty examination syllabus and a considerable number of these have been based on previous examination questions. This book contains a substantial number of patient-based questions or clinical vignettes that will enable prospective candidates to test their ability to integrate key basic science concepts with relevant clinical problems. In addition factual recall questions have also been included that probe for basic recall of facts. Detailed and comprehensive explanations, rather than just brief answers, to questions have been provided so that the candidates do not have to consult textbooks for clarification as is the case with most other MCQs books currently available in the market. A list of relevant references is provided at the end of each answer to enable candidates to read the most up to date journal articles on the subject. The questions in this book can be used in a number of ways: (1) as a diagnostic tool (pretest), (2) as a guide and focus for further study, and (3) for self-assessment. The least effective use of these questions is to study them by reading them one at a time, and then looking at the correct response. These over 300 practice questions are intended to be an integral part of a well-planned review as well as an isolated resource. If used appropriately, these questions can provide self-assessment information beyond a numeric score. Furthermore, the questions have been planned in such a way that this book can be used as companion to any textbook of Cardiothoracic Surgery.

**Single Best Answer MCQs in Anaesthesia** Jul 31 2022 The single best answer format of questions is invaluable in assessing a trainee's clinical skills and problem-solving abilities. It allows the trainee to demonstrate application of their knowledge to clinical practice. This book comprises six sets of practice papers. Each set contains 30 single best answer questions which cover topics including clinical anaesthesia, pain and intensive care. The questions are based on the recent changes introduced to the written part of the final FRCA examination. The best possible answer to a given clinical scenario is substantiated by a detailed explanation drawn from recent review articles and textbooks in clinical anaesthesia. These questions will enable candidates to assess their clinical knowledge and skills in problem-solving, data interpretation and decision making. This book is essential study material for candidates sitting postgraduate examinations in anaesthesia and intensive care medicine. It is not only an essential guide for

trainees but also an invaluable educational resource for all anaesthetists.

*Practice Single Best Answer Questions* Jul 19 2021 Practice Single Best Answer Questions: MRCOG Part 2 is an ideal revision resource for the new SBA format MRCOG Part 2 exam. **Preparing to Pass the FRCA** Nov 03 2022 Preparing to Pass the FRCA: Strategies for Exam Success equips you with the skills of effective revision and time management to maximise your success. The book takes each element of the FRCA exam and provides tips and techniques on how to approach the different types of questions, and includes worked examples with answers, so that you can undertake your revision accordingly. It will help you to target your revision so you can cover the breadth of topics in the FRCA syllabus and ensure that you structure your revision in an efficient way, as well as helping you to approach the exam and convey your knowledge through writing or speech correctly. Taking many common problems candidates face when preparing for this exam, the book covers motivation, effective studying, managing nerves, and scheduling time to study amongst other commitments.

**Single Best Answer MCQs in Anaesthesia** Apr 03 2020 Single best answer multiple choice questions are considered invaluable in assessing a trainee's ability to apply knowledge to clinical practice. This book comprises six sets of practice papers, each set containing 30 single best answer questions in basic sciences applicable to the practice of anaesthesia, pain management and intensive care. The single best answer stem is presented as a clinical problem followed by a lead-in question and five possible options. The best possible answer to a given question is substantiated by detailed explanation drawn from recent review articles and textbooks in anaesthesia and basic sciences. At the end of the answer section to each question, a useful list of references are provided to aid further reading. These questions will enable candidates to assess how well they can apply their factual knowledge on basic sciences to their clinical practice. Alongside the authors' previously published book, "Single Best Answer MCQs in Anaesthesia: Volume 1 - Clinical Anaesthesia", this book supplements the essential study material for post-graduate examinations in anaesthesia and intensive care medicine. This book is also a valuable educational resource for all trainees and practicing anaesthetists.
