[Bad Signs](#) Jun 23 2019 Orphaned by an act of senseless violence that took their mother from them, half-brothers Clarence Luckman and Elliott Danziger have been raised in state institutions, unaware of any world beyond its walls. But their lives take a sudden turn when they are seized as hostages by a convicted killer en route to death row. Earl Sheridan is a psychopath of the worst kind, and as he and his two hostages set off on a frenetic path through California down to Texas, Clarence and Elliot must come to terms with the ever-growing tide of violence in their wake. It's a path that will force them to make a choice about their lives, and their relationship to each other—and it will change their lives forever. Set in the 1960s, *Bad Signs* is a tale of the darkness within all of us, the inherent hope for salvation, and the ultimate consequences of evil. Praised by Alan Furst as a “uniquely gifted, passionate, and powerful writer,” R.J. Ellory once again delivers a thriller as beautiful as it is riveting, returning to the haunting ground of his international bestseller *A Quiet Belief in Angels*.

[Orthography as Social Action](#) Apr 01 2020 The chapters in this edited volume explore the sociolinguistic implications of orthographic and scriptural practices in a diverse range of communicative contexts, ranging from schoolrooms to internet discussion boards. The focus is on the way that scriptural practices both index and constitute social hierarchies, identities and relationships and in some cases, become the focus for public language ideological debates. Capitalizing on the now robust body of literature on orthographic choice and debate in sociolinguistics and anthropological linguistics, the volume addresses a number of cross-cutting themes that connect orthographic practices to areas of contemporary interest in sociolinguistics and linguistic anthropology. These themes include: the different social implications of self vs. other representation and the permeability of the personal/social and the public/private; how scriptural practices ("inscription") serve as sites for social discipline; the historical and intertextual frameworks for the meaning potentials of orthographic choice (relating to issues of genre and style); and writing as a broader semiotic field: the visual and esthetic dimensions of texts and metalinguistic "play" in spelling and its ambiguous implications for writer stance.

Moorden met woorden Jul 25 2019 Overzicht in woord en beeld van het Nederlandse misdaadverhaal in de twintigste eeuw.

[Horror International](#) Apr 25 2022 A close look at horror films from around the world, drawing attention to neglected social, cultural, and ideological aspects of the horror genre in international cinema.

Brinkman's catalogus van boeken en tijdschriften Jul 05 2020 With 1901/1910-1956/1960 Repertoium is bound: Brinkman's Titel-catalogus van de gedurende 1901/1910-1956/1960 (Title varies slightly).

Optimistische woede Dec 30 2019 Veel mensen geven openlijk toe nauwelijks boeken van vrouwen te lezen. Leeslijsten op scholen worden gedomineerd door boeken van (witte hetero)mannen. Vrouwen winnen minder literaire prijzen dan mannen. Is dat erg? Ja, want het weerspiegelt en vormt de verhoudingen in de samenleving. Elf vrouwelijke schrijvers zijn verontwaardigd over de

ongelijke positie van vrouwen in de letteren, en verenigden zich in het collectief Fixdit. Vanuit bondgenootschap strijden ze voor verandering, in de literaire wereld én in de canon. In de elf stukken van dit manifest diepen zij het probleem uit. Woedend, strijdvaardig, en vooral: optimistisch. Fixdit bestaat uit Yra van Dijk, Sanneke van Hassel, Rachida Lamrabet, Jannah Loontjens, Munganyende Hélène Christelle, Christine Otten, Gaea Schoeters, Shantie Singh, Fleur Speet, Manon Uphoff en Annelies Verbeke.

Serial Killers Feb 21 2022 In this provocative cultural study, the serial killer emerges as a central figure in what Mark Seltzer calls 'America's wound culture'. From the traumas displayed by talk show guests and political candidates, to the violent entertainment of *Crash* or *The Alienist*, to the latest terrible report of mass murder, we are surrounded by the accident from which we cannot avert our eyes. Bringing depth and shadow to our collective portrait of what a serial killer must be, Mark Seltzer draws upon popular sources, scholarly analyses, and the language of psychoanalysis to explore the genesis of this uniquely modern phenomenon. Revealed is a fascination with machines and technological reproduction, with the singular and the mass, with definitions of self, other, and intimacy. What emerges is a disturbing picture of how contemporary culture is haunted by technology and the instability of identity.

Finding Bobby Fischer Jun 15 2021 'Bobby Fischer gets up, tall, overweight, and slightly clumsy. He tries to fulfil the duties of the host and shakes hands, but his nervously darting eyes betray his unease with the situation. This is not a man accustomed to receiving visitors.' Dirk Jan ten Geuzendam's gripping encounter with the legendary American recluse, a journalist's dream come true, is the worthy apotheosis of this unique collection of interviews which were first published in *New In Chess* between 1986 and 1992. Why did Kasparov think Fischer was an alien? How many stamps does Karpov have? Was it really Caruso who appeared in Smyslov's dream to teach him how to sing? Brimming with anecdotes and revealing insights these interviews bring together chess champions of past and present. Meet legends like Botvinnik, Gligoric, Portisch and Spassky or modern stars like Anand, Kramnik, and Judit Polgar. Different as they are, they all seem to ask Ten Geuzendam the favourite question of the inimitable Miguel Najdorf: 'Do you want to hear a beautiful story?' A classic collection, finally available again.

Transnational Film Remakes Dec 22 2021 What happens when a film is remade in another national context? How do notions of translation, adaptation and localisation help us understand the cultural dynamics of these shifts, and in what ways does a transnational perspective offer us a deeper understanding of film remaking? Bringing together a range of international scholars, *Transnational Film Remakes* is the first edited collection to specifically focus on the phenomenon of cross-cultural remakes. Using a variety of case studies, from Hong Kong remakes of Japanese cinema to Bollywood remakes of Australian television, this book provides an analysis of cinematic remaking that moves beyond Hollywood to address the truly global nature of this phenomenon. Looking at iconic contemporary titles such as *The Girl with the Dragon Tattoo* and *Oldboy*, as well as classics like *La Bete Humaine* and *La Chienne*, this book interrogates the fluid and dynamic ways in which texts are adapted and reworked across national borders to provide a distinctive new model for understanding these global cultural borrowings.

The Official World Mar 25 2022 In his virtuosic new book noted cultural critic Mark Seltzer shows how suspense, as art form and form of life, depicts and shapes the social systems that organize our modern world. Modernity's predicament, Seltzer writes, is a society so hungry for reality that it cannot stop describing itself, and that makes for a world that continuously establishes itself by staging its own conditions. Employing the social theories of Georg Simmel, Erving Goffman, Niklas Luhmann, and Peter Sloterdijk, Seltzer shows how suspense novels, films, and performance art by Patricia Highsmith, Tom McCarthy, Cormac McCarthy, J. G. Ballard, Karl Ove Knausgaard, and others outline how we currently live and reveal the stress-points and mood-systems of the modern epoch. In its focus on social games, depictions of violent and explosive persons, along with its cast of artists, reporters, detectives, and others who observe and report and reenact, the suspense mode creates and recreates modern systems of action and autonomy, and defines the self-turned world's practices and aesthetics. By epitomizing a reflexive, self-legislating, and autonomous world, a suspense art with humans in the systems epoch provides the models and sets the rules for our modern, official world.

Het diner Oct 08 2020 Two couples meet over dinner to discuss their children who misbehaved, but avoid doing so.

Dossier, Tim Krabbé Sep 06 2020 Beknopte biografie en uitgebreide samenvattingen van het werk van de Nederlandse schrijver (1943-).

History of Concepts May 03 2020 Hoewel enorm invloedrijk in Duitstalig Europa, heeft de conceptuele geschiedschrijving (Begriffsgeschichte) tot nu toe weinig aandacht in het Engels gekregen. Dit genre van intellectuele geschiedschrijving verschilt van zowel de Franse geschiedschrijving van mentalités als de Engelstalige geschiedschrijving van verhandelingen door het concept. Aan de hand van praktische voorbeelden in de geschiedschrijving wordt deze vorm toegelicht door Bram Kempers, Eddy de Jongh en Rolf Reichardt.

Me & Mr Jones Jul 29 2022 Vijf jaar na de verdwijning van Natalee Holloway gaat undercoverjournalist Remi naar haar op zoek voor het populaire misdaadprogramma van zijn vader, *Crimescene*. Om zo onopvallend mogelijk research te kunnen plegen, doet hij alsof hij op Aruba op vakantie is met zijn verloofde. Zijn partner in crime is Eva, een callgirl die door zijn vader is ingehuurd. Remi weet niet dat zij ernstig ziek is en nog maar kort te leven heeft. Remi probeert een doorbraak te forceren door bij Joran van der Sloot in te breken. Dat is het begin van een reeks schokkende gebeurtenissen, met fatale gevolgen... Paul Ruven (regisseur van o.a. *Filmpje!*) schreef samen met Marian Batavier het scenario voor *Me & Mr Jones*. Acteurs Robert de Hoog (*Skin en Schemer*) en Hanna Verboom (*De co-assistent en Feuten*) spelen de hoofdrollen in de film. Simone de Jong bewerkte het script tot een meeslepende YA-thriller, die sterk doet denken aan de psychologische thrillers *Het gouden ei* en *Vertraging* van Tim Krabbé.

The Low Countries Mar 13 2021

Cognitive Ergonomics, Clinical Assessment and Computer-assisted Learning Jul 17 2021 This first section of this book deals with cognitive ergonomics, covering such topics as the design of graphical user interfaces and speech recognition facilities. The second part of the book is dedicated to the increasingly popular field of computer-assisted learning.

Flygirl May 27 2022 For fans of *Unbroken* and *Ruta Sepetys*. All Ida Mae Jones wants to do is fly. Her daddy was a pilot, and years after his death she feels closest to him when she's in the air. But as a young black woman in 1940s Louisiana, she knows the sky is off limits to her, until America enters World War II, and the Army forms the WASP-Women Airforce Service Pilots. Ida has a chance to fulfill her dream if she's willing to use her light skin to pass as a white girl. She wants to fly more than anything, but Ida soon learns that denying one's self and family is a heavy burden,

and ultimately it's not what you do but who you are that's most important. Read Sherri L. Smith's posts on the Penguin Blog

Lezen in het VMBO Aug 06 2020 Verschillende artikelen over het leesgedrag van vmbo-leerlingen, waarbij ook de rol van de bibliotheek aan bod komt. Voor vakcollecties jeugdliteratuur.

Literatuur in klank en beeld Mar 01 2020

The Assault May 15 2021 It is the winter of 1945, the last dark days of World War II in occupied Holland. A Nazi collaborator, infamous for his cruelty, is assassinated as he rides home on his bicycle. The Germans retaliate by burning down the home of an innocent family; only twelve-year-old Anton survives. Based on actual events, *The Assault* traces the complex repercussions of this horrific incident on Anton's life. Determined to forget, he opts for a carefully normal existence: a prudent marriage, a successful career, and colorless passivity. But the past keeps breaking through, in relentless memories and in chance encounters with others who were involved in the assassination and its aftermath, until Anton finally learns what really happened that night in 1945—and why.

Het gouden ei Sep 30 2022 Een jongeman gaat op zoek naar zijn raadselachtig verdwenen levensgezellin.

The Kubishime Romanticist Jan 29 2020 When he is a suspect in a friend's murder, Ii-chan attempts to clear his name, by solving the crime himself.

Het oog van de meester Nov 28 2019 Onderzoek naar de literaire ontwikkeling van adolescenten in de tweede fase van het voortgezet onderwijs. Centraal staat de vraag 'Waarom moet je lezen wat je nog niet kunt begrijpen?'. Voor o.a. vakcollecties jeugdliteratuur.

Listen in terror Nov 20 2021 This groundbreaking book is the first full-length study of British horror radio from the pioneering days of recording and broadcasting right through to the digital audio cultures of our own time. The book offers an historical, critical and theoretical exploration of horror radio and audio performance examining key areas such as writing, narrative, performance practice and reception throughout the history of that most unjustly neglected of popular art forms: radio drama and 'spoken word' auditory cultures. The volume draws on extensive archival research as well as insightful interviews with significant writers, producers and actors. The book offers detailed analysis of major radio series such as *Appointment with Fear*, *The Man in Black*, *The Price of Fear* and *Fear on Four* as well as one-off horror plays, comedy-horror and experimental uses of binaural and digital technology in producing uncanny audio.

James Bond Uncovered Oct 20 2021 This volume brings fresh perspectives to the study of James Bond. With a strong emphasis on the process of Bond's incarnation on screen and his transit across media forms, chapters examine Bond in terms of adaptation, television, computer games, and the original novels. Film nonetheless provides the central focus, with analysis of both the corpus as a whole—from *Dr. No* to *Spectre*—and of particular films, from popular and much-discussed movies such as *Goldfinger* and *Skyfall* to comparatively under-examined texts such as the 1967 *Casino Royale* and *A View to a Kill*. Contributors' expertise and interests encompass such diverse aspects of and approaches to the Bond stories as Sound Design, Empire, Food and Taste, Geo-politics, Feminist re-reading, Tarot, Landscape and Sets.

Spaces and Identities in Border Regions Aug 18 2021 Spatial and identity research operates with differentiations and relations. These are particularly useful heuristic tools when examining border regions where social and geopolitical demarcations diverge. Applying this approach, the authors of this volume investigate spatial and identity constructions in cross-border contexts as they appear in everyday, institutional and media practices. The results are discussed with a keen eye for obliquely aligned spaces and identities and relinked to governmental issues of normalization and subjectivation. The studies base upon empirical surveys conducted in Germany, France, Belgium and Luxembourg.

De cultus van het lijden Apr 13 2021 In *De cultus van het lijden* maken we kennis met een geboren duur-sporter; iemand die, zich bewust van zijn beperkingen, onophou-delijk pogingen onderneemt de grenzen van zijn lichamelijke en mentale kunnen op te zoeken. De ervaring van pijn en zelfopgeleg-de ontbering helpen hem grip te krijgen op de materie. Door te sporten wil hij 'de fysieke condi-tie van de moraal op peil houden [...] verworven uithoudingsver-mogen in dienst stellen van denkkraft'. Een crisisvakantie aan de Spaanse grens nadat hij daar ge-strand was, zet hem ongewild op het spoor van Walter Benjamin. De parallel met diens noodlottige tocht over de Pyrenee is even gewaagd als evident en daagt hem uit de zin van dit staaltje toeval te doorgronden. De speur-tocht krijgt zijn beslag in een vijftal zogenaamde duurschrijf-pogingen, waarin al zoekend en proberend uiteindelijk een wel-haast familiair soort verwant-schap wordt blootgelegd. Naast deze uithoudingsproef krijgt de lezer tevens een vergelij-kend warenonderzoek naar het li-teraire gehalte van de contempo-raine Nederlandse wielrenroman voorgeschoteld, en wordt uitzicht geboden op de oorsprong van deze trial and error-achtige bewegingsdrang die gelegen is in de vroegste jeugd van een op sug-gestiviteit gespitste auteur. PETER SMINK (1954) studeerde Nederlands en publiceerde eerder een verhalenbundel (*Het slinkende papier*) en een roman (*Passage*). Ook schreef hij voor toneel.

Brinkman's cumulatieve catalogus van boeken Aug 25 2019 Voorts een alfabetische lijst van Nederlandsche boeken in België uitgegeven.

Turkish Delight Dec 10 2020 The story of a tempestuous love affair—and the basis for Paul Verhoeven's Oscar-nominated film—Wolkers's controversial masterpiece comes alive in a new translation. Upon its original publication in 1969, *Turkish Delight* was a sensation and a scandal. Its graphic language and explicit sex scenes had an explosive effect, but just as revolutionary was its frank, colloquial style. The more straightlaced critics condemned the book, but readers saw a novel that reflected the way that they spoke, thought, and felt. *Turkish Delight* opens with a screed: a sculptor in his studio, raging against the love he lost and describing, in gory detail, the state of his life since she left him. Our narrator alternates between the story of his relationship with Olga—its passion and affection, but also its obsessiveness and abuse—and the dark days that followed, as he attempts to recapture what they had when they lived together, “happy as beasts.” The two only reunite during Olga's inexorable and tragic decline into cancer—the chemo having taken her hair and rotted her teeth, she will only eat the soft, sweet *Turkish Delight* that her ex-lover brings to her bedside. In a new translation by Sam Garrett (*Herman Koch's The Dinner*), readers get a sense of Wolkers's revolutionary style and musical prose, *Turkish Delight's* particular balance of naked impulse and profound longing. Tin House Books gratefully acknowledges the support of the Dutch Foundation for Literature, whose generous subsidy made this new translation possible.

Aspect and Temporal Ordering Nov 08 2020

Engelenplaque Feb 09 2021 We zien de schrijver aan het werk die als geen ander contemporaine auteur in zijn episch opgezette romancycli het levensgevoel van het hedendaagse tijdsgewricht vangt en oude mythische en literaire motieven met een moderne gedachte-inhoud injecteert. We kunnen de ontwikkeling van zijn oeuvre volgen van zijn eerste opzet voor een 'roman fleuve' die uit zou groeien tot de romancyclus De tandeloze tijd, tot de ontstaangeschiedenis van zijn moderne variant op de klassieke Oidipous-mythe, de zevendelige cyclus Homo duplex, over de gespleten mens op het snijvlak van twee eeuwen. In Engelenplaque vinden we zijn filosofische bespiegelingen over de plaats van de mens, de schrijvende mens, in de geschiedenis, aantekeningen waarin toekomstig werk in de steigers wordt gezet, maar ook des schrijvers persoonlijke obsessies, zijn gevecht tegen alles wat het ambachtelijke beitelwerk aan zijn literaire kathedralen in de weg staat: cafebezoek, het verlamme erotische visioen, crises en botbreuken.

A Dictionary of Numismatic Names Sep 26 2019

The Misfortunates Sep 18 2021 Frank, tender, and brutally funny, Dimitri Verhulst's semi-autobiographical story details the vibrantly entertaining journey of a boy growing up in a family of alcoholics in Belgium. Sobriety and moderation are alien concepts to the men in Dimmy's family. Useless in all other respects, his three uncles have a rare talent for drinking, a flair for violence, and an unwavering commitment to the pub. And his father Pierre is no slouch either. Within hours of his son's birth, Pierre plucks him from the maternity ward, props him on his bike, and takes him on an introductory tour of the village bars. His mother soon leaves them to it and as Dimmy grows up amid the stench of stale beer, he seems destined to follow the path of his forebears and make a low-life career in inebriation, until he begins to piece together his own plan for the future. Bringing to life the shambolic upbringing that The Guardian describes as, "the odd, ugly, excremental poetry of their grubby lives," *The Misfortunates* "can be unexpectedly tender as well as uncomfortably funny... this novel continually surprises and intrigues."

History in Dutch Studies Jan 23 2022 *History in Dutch Studies* re-considers the central role of history within the discipline of Dutch Studies as viewed from a range of specializations within the field. Contributions by scholars of Dutch history, art history, literature and linguistics all illustrate how the past, and one's theories and views of history, affect the practice of each part of the discipline. One reflection of the history of the Low Countries in "Dutch Studies" is the range of the field: it is interpreted broadly in this volume to include studies of Afrikaans as well as Dutch literature- poetry as well as prose- in light of their histories, the history of Flanders and that of the Netherlands, approaches within Dutch linguistics as well as a history of language contact and its influence on Dutch. This breadth continues in the range of institutions and nationalities that are represented. The volume presents work from major scholars from the Netherlands, Belgium, and South Africa as well as from the United States of America. These articles therefore provide a good cross-section of ongoing research in the Netherlandic Studies the world over.

The Vanishing Nov 01 2022 When Saskia Ehlvest, a young Dutch girl, disappears from a rest stop along a highway in rural France, her lover, Rex Hofmann, cannot accept her disappearance and embarks on an obsessive search for her that spans years. Movie tie-in. 20,000 first printing.

Janus at the Millennium Jun 27 2022 This volume contains a selection of articles originally presented at the Tenth Interdisciplinary Conference on Netherlandic Studies. These revised contributions, relating to the common theme of Janus and the perspective of time, examine Dutch language and culture from the U.S., Belgium, and the Netherlands.
