Den Of Sorrows Aug 07 2020 The Romanian and Serbian Canis lupus rest in an uneasy peace. One of their own, Sally Miklos, the young and powerful gypsy healer, aids Perizada in her quest to defeat Volcan, a long forgotten nightmare returned to our world. These two packs watch as their brothers across the world, wolves from Spain, Ireland, and America, join their own forces in the battle against the evil dark fae. At the same time, the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers. While Jacque and Jen miss Sally, their longtime best friend, they have bided their time dealing with their own domestic issues. Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant. Both girls are eagerly awaiting Sally's return, and have Perizada's word that she will be back in time for the birth of Jacque's baby. Vasile and Alina, the Alpha pair of the Romanian pack, are enjoying this time of peace. But Vasile did not become the most powerful Alpha in centuries by being a fool. He has lived long enough to know that there is always another battle on the horizon. As long as evil exists in this world, his race must step forward and stand in the gap, shielding those who cannot protect themselves. But the battle he is anticipating is bigger than he could have ever imagined. As Perizada has recently discovered, creatures of the night that have for so long remained hidden from the human realm, have slithered from their underground lairs and begun preying on the young and innocent. The high fae has declared war, and she expects Vasile and his wolves to be the ones to carry out the attack. The Alpha is more than happy to oblige. But with his first grandchild on the way, and the gift of five vulnerable healers coming under the wolves' protection, he understands that he must be very careful not to place any of them in harm's way. Such is the job of the Alpha, protector, and provider. He and those he leads must stand as sentinels and warriors to safeguard those they love, and the humans who know nothing of the supernatural world. It will be their job to destroy the creatures that threaten to expose them all. And if they fail, the world as they know it, both human and supernatural, will never be the same.

Out of the Dark Mar 26 2022 He is mine and I am his. I will move every obstacle in my way to remind him. Decebel Anghelescu is one of the strongest Canis lupus on earth, an alpha in his own right. Now that he's found his mate, the fiery blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. Now, she has come to terms with her fate, accepting she won't share a life with Decebel...and what a life it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources – including Sally Morgan, the new gypsy healer of the Romanian pack – to battle the witch, lift the curse from Decebel and reunite him with his mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

The LA Wolves Series: The Offense Oct 09 2020 In the Grasp (Book 1) I'm at the top of my game, and the most notoriously private player in the league, but my personal life leaves something to be desired. I thought I'd have more accomplished by now - like a wife and family - but for nine years I've held onto the memory of the girl who got away. Now she's back and I'm more determined than ever to make her mine. For good this time. Across the Middle (Book 2) From the moment I laid eyes on Gina Rodrigo, she twisted my whole world on its axis. For months I refused to give into the feelings she evoked in me. I'd gone down that road before and it led nowhere good. But one kiss changed everything and I couldn't fight my feelings anymore. Except she doesn't know my secret and the deeper we get, the more the ghosts of my past threaten to ruin the first true happiness I've ever found. Down by Contact (Book 3) I'm a playboy, a modern-day Casanova. I don't love women, I just make their orgasm dreams come true. She's the coach's daughter and the ultimate ice princess - always cold, composed, and spoiled. We have nothing in common, until she makes me a proposition I can't turn down. I'm only human after all, and she's hot. It shouldn't mean anything. So why can't I get her out of my damn head? Taking the Handoff (Book 4) I couldn't say no when my best friend asked for a favor. His little sister needed a safe place until she got her feet

under her in LA, so of course I said yes. But I was not prepared for the vixen that showed up at my door looking NOTHING like the girl I remember. She's off limits and I'm trying to behave. Really. I am. But the longer she stays here, the more tempted I am to take her and make her mine.

Beyond the Veil Dec 23 2021 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia – with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupis, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender – who happens to be a member of the Romanian pack. If all that weren't enough, the Fates have decided to pay a little visit to Jen. It's time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It's more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.

Angel's Cage (Molotov Obsession Duet Book 2) Jul 30 2022 Back in the devil's lair, I'm at the mercy of a man who fascinates and terrifies me, a tender killer whose obsession with me is growing by the day. Nikolai Molotov is as much my captor as he is my protector, his compound both my safe haven and my gilded cage. If only I could resist his lethally seductive touch... or fight his growing hold on my heart and mind. Because no matter how far I delve into the enigma of his past, I still don't know the answer to the most crucial question: Just how dangerous is his love for me? Note: This is the conclusion of Nikolai and Chloe's story.

Lobizona Dec 31 2019 "Garber's gorgeous novel combines the wonder of a Hogwarts-style magic school with the Twilight-esque dynamics of a hidden magical species that has strict rules about interacting with the human world." - BOOKLIST (Starred Review) Some people ARE illegal. Lobizonas do NOT exist. Both of these statements are false. Manuela Azul has been crammed into an existence that feels too small for her. As an undocumented immigrant who's on the run from her father's Argentine crime-family, Manu is confined to a small apartment and a small life in Miami, Florida. Until Manu's protective bubble is shattered. Her surrogate grandmother is attacked, lifelong lies are exposed, and her mother is arrested by ICE. Without a home, without answers, and finally without shackles, Manu investigates the only clue she has about her past—a mysterious "Z" emblem—which leads her to a secret world buried within our own. A world connected to her dead father and his criminal past. A world straight out of Argentine folklore, where the seventh consecutive daughter is born a bruja and the seventh consecutive son is a lobizón, a werewolf. A world where her unusual eyes allow her to belong. As Manu uncovers her own story and traces her real heritage all the way back to a cursed city in Argentina, she learns it's not just her U.S. residency that's illegal. . . .it's her entire existence. "With vivid characters that take on a life of their own, beautiful details that peel back the curtain on Romina's Argentinian heritage, and cutting prose Romina Garber crafts a timely tale of identity and adventure."—Tomi Adeyemi New York Times bestselling author of *Children of Blood and Bone*

Alpha Rising Aug 26 2019 Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe, has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races. But now the alliance

doesn't fight a single supernatural threat. It's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their safety. Now, the wolves face a unified force of evil--the Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack's greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

What of the innocents trapped within the compound's walls? Were any of those lives spared? Even with all they have faced, the challenges, the loss and pain, Fane, Jacque, their pack, and allies remain steadfast in their fight against evil. Past experiences give them hope that not all is as it seems. Perhaps there are hearts that still beat where others perished. And always with them is their Creator, the Great Luna, an ever present help in trouble. To hunt down the ancient artifact the Order seeks, Séverin calls upon a band of unlikely experts: An engineer with a debt to pay. A historian banished from his home. A dancer with a sinister past. The Wolves Descend Aug 31 2022 The fight for dominance begins. The period of mourning for the great alphas, Vasile and Alina, is over. But some refuse to move on. The high fae, Perizada, vows never to experience the loss of her friends--her family--again. She knows the only way to do this is to take on the Order of the Burning Claw herself. But her mate would never allow it. So, she does the only thing she can, severing all ties with her allies. Peri's decision could destroy her enemies, the Order, but it could also destroy everything she holds dear. The end of mourning also marks the beginning of challenges to the new alpha of alphas, Fane Lupei. Rogue wolves who desire to rule in his stead attempt to stake their claims. Though Fane abides by pack law when facing his opponents, others aren't so honorable. Fane soon realizes the threats he faces aren't just against him, but against his entire pack. Skender and the fae, Tenia, fight against the mate bond drawing them closer. They both know they cannot be together, but the bond is more powerful than either expected. Meanwhile, Skender has promised to keep Tenia's son, Torion, safe--a promise he's willing to die to keep. Skender soon finds out that there's more to the boy than meets the eye, and Skender's ability to keep the boy safe could be the key to saving them all.

The Burning Claw May 04 2020 Jacque's mind wandered as she hovered somewhere between life and death. Her body longed to let go, to sink into the peaceful abyss, to the place where she didn't have to worry about rabid, child-snatching vampires and the carnage they'd caused to so many innocent families. But something kept her here, tethered to this world, something she couldn't quite remember hovered just on the edge of her consciousness, something vital. It wasn't Fane, he would be with her on the other side, she knew that. If she died, he died too and he wouldn't have it any other way. She could feel Peri's presence in her body. The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacque's survival? Jacque was starting to remember someone else—someone that depended on her. A brand new life, precious and perfect...her son. Costin's best friend lay as if sleeping, clinging to life by a mere thread, held at the other end by the powerful fae. But the thread holding Costin to his own sanity was just as feeble. Sally, his world, his light, his brown-eyes, the only thing that keeps the darkness at bay, was gone. Simply vanished. Costin didn't know how or where, and it was tearing him up inside. The young boy, Titus, his adopted son, was the only thing that kept his wolf from taking over completely. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral wolf at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Though the girl had proven to be resilient, she had no idea how to handle her the huge dominating werewolf that had staked his claim on her. Drake was past the point of feral when he'd found her, and that kind of darkness doesn't let go without a fight. The strongest of alpha females, raised with a full understanding of pack law and the power of the mate bond, would have had a tough time dealing with the wolf. Bethany, a dormant, who had no idea who or what she was, didn't stand a chance.

Loki's Wolves Jun 04 2020 "The runes have spoken. We have our champion...Matthew Thorsen." Matt hears the words, but he can't believe them. He's Thor's representative? Destined to fight trolls, monstrous wolves and giant serpents...or the world ends? He's only thirteen. While Matt knew he was a modern-day descendent of Thor, he's always lived a normal kid's life. In fact, most people in the small town of Blackwell, South Dakota, are direct descendants of either Thor or Loki, including Matt's classmates Fen and Laurie Brekke. No big deal. But now Ragnarok is coming, and it's up to the champions to fight in the place of the long-dead gods. Matt, Laurie, and Fen's lives will never be the same as they race to put together an unstoppable team, find Thor's hammer and shield, and prevent the end of the world. In their middle grade debut, K.L. Armstrong and M.A. Marr begin the epic Blackwell Pages series with this action-packed adventure, filled with larger-than-life legends, gripping battles, and an engaging cast of characters who bring the myths to life.

Promise of the Wolves Oct 28 2019 The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Luna Of Mine Jul 18 2021 We've watched the Romanian Grey Wolves find their true mates, fight against evil and reunite with the other *Canis lupus* in the world. Now we will see just how the most powerful Alpha in their history met his match with the woman who became his mate, and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy. Every story has a beginning and an end. The Alpha of the Romania Grey Wolves knows this better than most. He also knows it's the things that transpire to create that legacy and the experiences, triumphs and failures that happen in the middle of the story that matter. His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race he had to be willing to serve them. In order to be raised up he had to first be torn down. There was only one who could do this and live, only one who could light his way when the darkness closed in; his mate, his Luna. This is the building of their legacy, the middle of their story. Their triumphs, their failures, and their tragedy's that would one day make them strong enough to restore a race torn apart by greed, envy, and fear.

from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack's greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna—his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen and Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart.
