2020 During the

Asia-Pacific War,

the Japanese

military forced

hundreds of

thousands of

women across Asia

into "comfort

stations" where

they were

repeatedly raped

and tortured.

Japanese imperial

forces claimed they

recruited women to

join these stations

in order to prevent

the mass rape of local women and the spread of venereal disease among soldiers. In reality, these women were kidnapped and coerced into sexual slavery. Comfort stations institutionalized rape, and these "comfort women" were subjected to atrocities that have only recently become the subject of international debate. Chinese Comfort Women: Testimonies from Imperial Japan's Sex Slaves features the personal narratives of twelve women forced into sexual slavery when

the Japanese military occupied their hometowns. Beginning with their prewar lives and continuing through their enslavement to their postwar struggles for justice, these interviews reveal that the prolonged suffering of the comfort station survivors was not contained to wartime atrocities but was rather a lifelong condition resulting from various social, political, and cultural factors. In addition, their stories bring to light several previously hidden

aspects of the comfort women system: the ransoms the occupation army forced the victims' families to pay, the various types of improvised comfort stations set up by small military units throughout the battle zones and occupied regions, and the sheer scope of the military sexual slavery-much larger than previously assumed. The personal narratives of these survivors combined with the testimonies of witnesses, investigative reports, and local histories also reveal a correlation between the proliferation of the comfort stations and the progression of Japan's military

offensive. The first English-language account of its kind, *Chinese Comfort Women* exposes the full extent of the injustices suffered by and the conditions that caused them. *On Baptism Against the Donatists* Jul 14 2021 This treatise was written about 400 A.D. Concerning it Aug. in *Retract.* Book II. c. xviii., says: I have written seven books on Baptism against the Donatists, who strive to defend themselves by the authority of the most blessed bishop and martyr Cyprian; in which I show that nothing is so effectual for the refutation of the Donatists, and for shutting their mouths directly from upholding

their schism against the Catholic Church, as the letters and act of Cyprian. Aeterna Press

Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and

the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to

decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture,

Spain comes to dazzling, engrossing life. **Video Magazine** Aug 15 2021 **Library of Congress Catalogs** Apr 23 2022 Leading with a Limp May 12 2021 Put your flawed foot forward. Pick up most leadership books and you'll find strategies for leveraging your power and minimizing your areas of weakness. But think about the leaders whose names have gone down in history. Most of them were so messed up that, if they were looking for work today, no executive placement service would give them the time of day. God's criteria for choosing leaders

runs counter to the conventional wisdom. Our culture equates strength with effectiveness, but God favors leaders who know the value of brokenness. In Leading With a Limp, you'll discover what makes flawed leaders so successful. They're not preoccupied with protecting their image, they are undaunted by chaos and complexity, they are ready to risk failure in moving an organization from what is to what should be. God chooses leaders who aren't deceived by the myths of power and control, but who realize that God's power is found in brokenness. If you

are a leader-or if you have been making excuses to avoid leading-find out how you can take full advantage of your weakness. A limping leader is the person God uses to accomplish amazing things. To go deeper, check out the Leading With a Limp Workbook.

**Al- Bahr Al-Madid** Sep 23 2019 Providing commentary on three oft-recited chapters of the

Holy Qur'an, this excerpt of the monumental discourse by 18th-century mystic and scholar Ahmad ibn 'Ajiba presents both an example of Islamic erudition based on traditional sources as well as insight into his own personal journey of discovery. Each verse is expounded upon with an exoteric explanation as well as related with an esoteric commentary to the mystic path of Islam, Sufism. As one of the few scholarly translations of traditional Qur'anic exegesis, this volume affords the previously unacquainted access not only to how educated Muslims have

understood the dominant themes of these three chapters since the earliest days of Islam but also to how traditional Sufic sources have viewed the same themes in respect to the microcosm of the soul and the journey towards God.

**Hermeneutics** Feb 21 2022 This is the first major study in a Western language of Rashid al-Din Maybudi's Persian commentary on the Qur'an Kashf al-asrar wa 'uddat al-abrar (Unveiling of Mysteries and Provision of the Righteous). Annabel Keeler explores the interplay between scriptural exegesis and mystical doctrine in a twelfth-century Sufi commentary on the Qur'an. Previously little-known outside the Persian-speaking world, it is increasingly recognized as a key work in the development of Sufi Qur'anic interpretation. This volume provides invaluable background for anyone wanting to

gain a deeper understanding of Persian mystical poetry and prose, and other major works of Sufi literature. Over a decade since this book's first publication, the bibliography and notes have been updated.
