**Reaching for the Stars** Aug 26 2019 Born into a family of migrant workers, toiling in the fields by the age of six, Jose M. Hernández dreamed of traveling through the night skies on a rocket ship. REACHING FOR THE STARS is the inspiring story of how he realized that dream, becoming the first Mexican-American astronaut. Hernández didn't speak English till he was 12, and his peers often joined gangs, or skipped school. And yet, by his twenties he was part of an elite team helping develop technology for the early detection of breast cancer. He was turned down by NASA eleven times on his long journey to donning that famous orange space suit. Hernández message of hard work, education, perseverance, of "reaching for the stars," makes this a classic American autobiography.

[The Ledge](#) Sep 07 2020 NEW YORK TIMES BESTSELLER • "The authors bring extreme climbing to life. . . . Perhaps no author can rationalize why some choose to risk their lives . . . for the thrill of conquering a mountain. The Ledge comes perilously close and tells a ripping true story at the same time."—The Denver Post In June 1992, best friends Jim Davidson and Mike Price stood atop Washington's Mount Rainier, celebrating what they hoped would be the first of many milestones in their lives as passionate mountaineers. Then their triumph turned tragic when a cave-in plunged them deep inside a glacial crevasse—the pitch-black, ice-walled hell of every climber's nightmares. An avid adventurer since youth,

Davidson was a seasoned climber at the time of the Rainier ascent. But the harrowing free fall left him challenged by nature's grandeur at its most unforgiving. Trapped on a narrow frozen shelf, deep below daylight, he desperately battled crumbling ice, snow that threatened to bury him alive, and crippling fear of the inescapable chasm below—all the while struggling to save his fatally injured friend. Finally, alone, with little equipment and rapidly dwindling hope, he confronted a fateful choice: the certainty of a slow, lonely death or the near impossibility of an agonizing climb for life. A story of heart-stopping adventure, heartfelt friendship, fleeting mortality, and implacable nature, *The Ledge* chronicles the elation and grief, dizzying heights and punishing depths, of a journey to hard-won wisdom. "Plunges readers into a dark, icy chasm from which escape seems impossible. Then it reveals the strength it takes to look up, and to start climbing."—Jim Sheeler, winner of the Pulitzer Prize and author of the National Book Award finalist *Final Salute* "How [Davidson] rescued himself is the core of *The Ledge*, and its most gripping part. The physical effort and will involved are astonishing."—*The Plain Dealer* "A moving portrait of friendship and loss."—*The Wall Street Journal*

**Rock Stars: Inspirational Stories of Success by 100 of the Top Business Leaders, Athletes, Celebrities, and RockStars in the World** Jul 26 2019 It's the end of an era. I have produced high-energy, content-rich RockStar Marketing BootCamps for the past twelve years. At my first BootCamp I was blessed to have approximately 250 people in the audience. Over the years it continued to grow, and at my April 2019 event, we had more than 700 attendees.

*The World's Best Inspiring Stories* Oct 01 2022 This is one of the many inspiring stories from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story which is a novel approach. Stories and examples are the best way to inspire, and this reasonably priced volume could be useful gifts for people. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

*A Small If* Feb 10 2021 How hard would you fight if you only had a sliver of hope? Elijah Stacy suffers from Duchenne muscular dystrophy, a fatal muscle wasting disease. At the age of sixteen, to avoid agonizing surgery, he had to endure enough physical therapy to change the shape of his own spine. It had never been done before, but still, his doctor gave him a small "if." In *A Small If*, Elijah shares thirteen lessons he's learned throughout his life's journey of losing his ability to walk, getting bullied in school, losing his brother Max to Duchenne, and learning that his other brother has the same disease. Elijah explains how to overcome extreme suffering by developing an adapter's mindset, understanding what it means to control something rather than influencing it, and using other people's negative energy as the ultimate motivation. Today, Elijah's mission to minimize human suffering and propel human prosperity is fueling his ambition to cure his disease. He's been told he has less than ten years to live, but he's faced long odds before. Sometimes, all you need is *A Small If*.

**Nobody Will Tell You This But Me** Sep 27 2019 NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FORBES • BOOKPAGE • NEW YORK POST • WIRED "I have not been as profoundly moved by a book in years." —Jodi Picoult Even after she left home for Hollywood, Emmy-nominated TV writer Bess Kalb saved every voicemail her grandmother Bobby Bell ever left her. Bobby was a force—irrepressible, glamorous, unapologetically opinionated. Bobby doted on Bess; Bess adored Bobby. Then, at ninety, Bobby died. But in this debut memoir, Bobby is speaking to Bess once more, in a voice as passionate as it ever was in life. Recounting both family lore and family secrets, Bobby brings us four generations of indomitable women and the men who loved them. There's Bobby's mother,

who traveled solo from Belarus to America in the 1880s to escape the pogroms, and Bess's mother, a 1970s rebel who always fought against convention. But it was Bobby and Bess who always had the most powerful bond: Bobby her granddaughter's fiercest supporter, giving Bess unequivocal love, even if sometimes of the toughest kind. *Nobody Will Tell You This But Me* marks the creation of a totally new, virtuosic form of memoir: a reconstruction of a beloved grandmother's words and wisdom to tell her family's story with equal parts poignancy and hilarity.

**The Inspiring Story of Little Goody Two Shoes** Oct 21 2021 Retells the story of an orphan girl who grows up to become a wise and virtuous schoolmistress.

**101 Amazing Stories of Hope and Faith** Jan 12 2021 "Life takes the strangest sharp turns--and sometimes, U-turns. Robert Petterson--popular speaker, storyteller, and author--has been a student for his entire life of what God is teaching us through those real-life U-turns. In this short book, he compiles amazing stories that teach lessons you won't easily forget. Each entry is written in the rest-of-the-story style popularized by Paul Harvey"--Amazon.com

[The Story of Your Life](#) Dec 23 2021 When Grammy-nominated recording artist Matthew West started writing his top-selling new album, *The Story of Your Life* (Sparrow, 2010) he asked fans to submit personal experiences. More than 10,000 tales of hope, perseverance, and redemption poured in. With friend and author Angela Thomas, West presents some of these powerful stories paired with meaningful devotions they inspired. Wendy gave birth to her daughter in jail. When all seemed hopeless, she found God and her life transformed into something beautiful. Cory, a married youth pastor, had an affair and his life fell apart. With God's mercy, he and his wife gathered the broken pieces and started again. Sheila always struggled with severe insecurity. Now she lives confidently in the purpose God has for her. This unforgettable devotional journey inspires readers to discover God as the author of their unique lives and to share the power of their story. Also available this season—a companion DVD of the same title and a standalone guide, *The Story of Your Life Interactive Journey*. The DVD and book help readers, individually or as part of a group study, personalize and explore more deeply the messages of God's hope and redemption in their own stories.

**The Hilarious World of Depression** Jan 24 2022 One of Today's Ten Best Inspirational Books, 2020 By the creator and host of the acclaimed mental health podcast *Depresh Mode* with John Moe "[A] path to deeper understanding and openness, by way of laughter in the dark" —The New York Times Book Review "Filled with heart, humor and hope." —People "A funny, honest book." —Neil Gaiman "Candid and funny and intimate." —Susan Orlean For years John Moe, critically-acclaimed public radio personality and host of *The Hilarious World of Depression* podcast, struggled with depression; it plagued his family and claimed the life of his brother in 2007. As Moe came to terms with his own illness, he began to see similar patterns of behavior and coping mechanisms surfacing in conversations with others, including high-profile comedians who'd struggled with the disease. Moe saw that there was tremendous comfort and community in open dialogue about these shared experiences and that humor had a unique power. Thus was born the podcast *The Hilarious World of Depression*. Inspired by the immediate success of the podcast, Moe has written a remarkable investigation of the disease, part memoir of his own journey, part treasure trove of laugh-out-loud stories and insights drawn from years of interviews with some of the most brilliant minds facing similar challenges. Throughout the course of this powerful narrative, depression's universal themes come to light, among them, struggles with identity, lack of understanding of the symptoms, the challenges of work-life, self-medicating, the fallout of the disease in the lives of our loved ones, the tragedy of suicide, and the hereditary aspects of the disease. *The Hilarious World of Depression* illuminates depression in an entirely fresh and inspiring way.

**Paper Son: The Inspiring Story of Tyrus Wong, Immigrant and Artist** Nov 09 2020 Winner of the American Library Association's 2021 Asian/Pacific American Award for Best Picture Book! An inspiring picture-book biography of animator Tyrus Wong, the Chinese American immigrant responsible for bringing Disney's Bambi to life. Before he became an artist named Tyrus Wong, he was a boy named Wong Geng Yeo. He traveled across a vast ocean from China to America with only a suitcase and a few papers. Not papers for drawing--which he loved to do--but immigration papers to start a new life. Once in America, Tyrus seized every opportunity to make art, eventually enrolling at an art institute in Los Angeles. Working as a janitor at night, his mop twirled like a paintbrush in his hands. Eventually, he was given the opportunity of a lifetime--and using sparse brushstrokes and soft watercolors, Tyrus created the iconic backgrounds of Bambi. Julie Leung and Chris Sasaki perfectly capture the beautiful life and work of a painter who came to this country with dreams and talent--and who changed the world of animation forever.

**A Book of Miracles** Sep 19 2021 Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a "carefrontation." Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life's difficulties.

**Leading Ladies** May 16 2021 Have you ever felt trapped in a job? Has life dealt you a blow, forcing you to rethink the way you live? Have you wanted to start something new, but let the fear of failure hold you back? In 2015, I quit the world of finance to focus on my family and find a new challenge. It was not easy, but it felt like the right decision. Here, I share the inspirational stories of 32 women who bravely strove out on their own and followed their hearts. These are ordinary women who made courageous decisions to change their lives. They represent different age groups, life experiences and aspirations, yet the one thing they all have in common is passion and a strong sense of purpose. Learn from each woman's unique experience and perspective. They each offer you personal insight, discuss the challenges they have had to overcome, and also share some of the things they wish they'd known at the start. This book will change the way you view your life and energise you to take that next step with confidence.

**Telling the Success Story** Jun 04 2020 How do individuals tell their success stories when they want to secure recognition, but avoid appearing arrogant? By examining success stories of Nobel Prize winners, athletes, and Mary Kay Cosmetics consultants, this work analyzes this fundamental type of interpersonal communication.

**Novak Djokovic: the Inspiring Story of One of Tennis' Greatest Legends** Apr 14 2021 Learn the Inspiring Story of One of Tennis' Greatest Stars, Novak Djokovic! Read on your PC, Mac, smartphone, tablet or Kindle device! In *Novak Djokovic: The Inspiring Story of One of Tennis' Greatest Legends*, you will learn the inspirational story of one of tennis' premier legends, Novak Djokovic. Novak Djokovic has come a long way since reaching his first Grand Slam final in the 2007 US Open. There was little doubt that even in his defeat to fellow legend, Roger Federer, that Djokovic was going to be embarking on an illustrious tennis career. He has since validated this belief. At the age of twenty-nine, Novak Djokovic is a 12-time Grand Slam champion, and has held the top spot of the ATP Tour for more than 220 weeks. The most impressive part has been his absolute dominance in the last half decade of tennis, as he has won multiple Australian Opens, Wimbledons, and US Opens. In this unauthorized biography, we'll explore Djokovic's journey to becoming one of the greatest, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career Djokovic's First Major Title, The 2008 Australian Open Years of Dominance and Key Majors Most Notable Rivalries Djokovic's Personal Life Djokovic's Impact on Tennis and Beyond The Legacy of Novak Djokovic An excerpt from the book: He is combustible while competitive; temperamental, yet oh so talented. He is prickly, yes, but a definite prodigy. The owner of a swashbuckling style he has ridden to success. He is controversial at times, sure, but a champion without a doubt. No one word is ever going to fully fit all of who Novak Djokovic is because the sum of all who he is transcends a mere one-word description. He is one of the greatest tennis players of his generation who has transcended into being one of the most impactful tennis players of any generation. He has willed himself from a talented yet scrawny Serbian teenager into a multiple-time Grand Slam winner who has the chance to do the unthinkable - surpass Roger Federer's record haul of Grand Slam titles, something once thought impossible for Federer himself to achieve. But how did he get here from there? How did the tennis player adored by many with chants of "No-le" arrive at the crossroads of greatness in a sport in which he has shared traits of both its heroes and villains? How has he come to thrive at a time where the division is enjoying some of its greatest depth of talent in its extensive history? Sacrifices were made by both him and his family. There were the perseverance and persistence to improve, first to simply be one of the "Big Four" who has defined the current state of men's tennis, and then to hold its throne. There was also an emotional maturing, one that has created a grounding in both his professional and personal worlds which helped him reach the pinnacle of his sport as the number one ranked player in the world and stay among its elite for a prolonged period. **We Are Inspiring** Aug 19 2021 "We Are Inspiring" is a children's book anthology featuring the stories of 32 Asian American and Pacific Islander women. This work encompasses API femmes of various ethnicities, occupations, and body sizes, and is inclusive of LGBTQ folks, immigrants, and mixed-race women. How many Asian American or Pacific Islander women can you name? Designed for reading-with your child or for children ages 10+ to read independently, "We Are Inspiring" brings to life the inspiring stories of Asian American women from various backgrounds, ethnicities, occupations, and successes. Asian American history is an integral part of American history. Asian Americans and Pacific Islanders have been a part of the North American cultural fabric for centuries. I wondered why I couldn't find this kind of book anywhere... I realized it was because I hadn't made it yet. Dear reader, thank you for supporting me in my mission to create the book of American stories that I have wanted to hold since I was child. I hope that women (femme-identifying or non-binary folks) and our allies are inspired by the women whose stories I authored and illustrated. I especially hope that when Asian American women flip through the pages of my children's book, they can see themselves represented, acknowledged, and validated. I hope that they are inspired to chase their dreams by the women who inspired me to chase my own.

**Signals** Mar 26 2022 Joel Rothschild and his friend Albert, both HIV positive, made a pact: whoever died first would attempt to "signal" the other from beyond. Joel wasn't sure he believed in psychic abilities, but from the day Albert died he began receiving messages. One message led Joel to a note Albert had left for him before he died. Another message told Joel to hang in there when he became sick, that he would get well - and he did. Albert's messages have changed not only Joel's life but the lives of many others who have been helped by messages Joel has delivered to them. Their stories and Joel's psychic awakening - a transformation from cynic to believer - are both amazing and reassuring.

**Bedtime Inspirational Stories** Aug 31 2022 Best Seller in African American Children's Books Help your child develop a strong sense of self by following these stories that can equip children with the powerful mantra: We Are Masters of Our Own Destiny. Bedtime Inspirational Stories... celebrates the achievements of the amazing black heroes who have paved the way for future generations. Unfortunately, in today's world, it can be a challenge to raise positive kids, as they are constantly bombarded with negative

messages. More than ever, parents and teachers need to create a positive atmosphere for our children in order to help them believe in themselves. That's why we've proudly created this richly illustrated and inspiring book, *Bedtime Inspirational Stories: 50 Amazing Black People Who Changed the World*, which highlights the achievements and stories of fifty notable women and men from the 18th century to today. Some were born slaves, some grew up in poverty, and some had physical or emotional challenges. Some were born many years ago, and some are still with us. The stories in the book include those of political activists, scientists, artists, musicians, inventors, businesspeople, Nobel prize winners, and more. *Black History Books for kids* Every single one of these individuals overcame adversities and changed the world, building a way for others to live better lives. Each one worked hard and maintained self-confidence, even when others expressed doubt or said their dreams couldn't be achieved. *Bedtime Stories* Children looking for inspiration will surely find it here. This fun and inspiring collection of influential stories provides fifty illustrated examples of strong, independent role models, all of whom had a profound impact on the world. Personal aspirations from today's youth are also interspersed throughout the book, so that each story has its own life lesson alongside a positive message. It's never too soon to start making a difference, and these stories are exhilarating examples of power in action to make for ideal motivation. *Positive Affirmations* The book also contains fifty positive affirmations, and we encourage you to say them aloud with your child every day. Why affirmations? These positive self-statements, when repeated over time, are capable of convincing a child that the statements are true. This is a powerful way to boost their self-esteem. Why is it important for young kids to know they matter? Children can feel small and insignificant in a busy and complicated world, and begin to question their place in life. The affirmations found in this book can counteract this effect while allowing them to grow. As parents and educators, there are three important things that we can give to our children: good memories, a good education, and a sense of self-worth. Our team has created this book to help you to achieve these goals. There are no better memories than the times when we share books with our children. We hope that the positive messages and affirmations throughout this book will improve your child's self-esteem. Lastly, we should here acknowledge that every story in this book would merit a book by itself; hopefully, these snippets will inspire you and your child to learn more about each person. *Books for Black Children* With vivid, compelling art and quotes, this book shows its readers that no matter what obstacles may lie ahead, they should never give up on their dreams. Simply, this beautiful book is about the potential within each of us to pursue our dreams and shape our own paths. It is a treasure to cherish with your family forever. We hope that you find inspiration in these pages, whether you're a girl or a boy, a parent or a teacher! These women and men are black heroes, and they're part of our history and culture. And no matter who you are, you have a special mission on this planet.

Here's one of the stories featured: Your Personal Angel A story about an angel who has been taking care of you even before you were born and will always take care no matter how much you grow old.... you know that angel as Mother, Mamma, Mom... My mom only had one eye. I hated her... She was such an embarrassment. She cooked for students and teachers to support the family. There was this one day during elementary school where my mom came to say hello to me. I was so embarrassed. How could she do this to me? I ignored her, threw her a hateful look and ran out. The next day at school one of my classmates said, 'Eeee, your mom only has one eye!' I wanted to bury myself. I also wanted my mom to just disappear. I confronted her that day and said, ' If you're only gonna make me a laughing stock, why don't you just die?' My mom did not respond... I didn't even stop to think for a second about what I had said, because I was full of anger. I was oblivious to her feelings. I wanted out of that house, and have nothing to do with her. So I studied real hard, got a chance to go abroad to study. Then, I got married. I bought a house of my own. I had kids of my own. I was happy with my life, my kids and the comforts. Then one day, my Mother came to visit me. She hadn't seen me in

years and she didn't even meet her grandchildren. When she stood by the door, my children laughed at her, and I yelled at her for coming over uninvited. I screamed at her, 'How dare you come to my house and scare my children!' Get Out Of Here! Now!' And to this, my mother quietly answered, 'Oh, I'm so sorry. I may have gotten the wrong address,' and she disappeared out of sight. One day, a letter regarding a school reunion came to my house. So I lied to my wife that I was going on a business trip. After the reunion, I went to the old shack just out of curiosity. My neighbors said that she died. I did not shed a single tear. They handed me a letter that she had wanted me to have. My dearest son, I think of you all the time. I'm sorry that I came to your house and scared your children. I was so glad when I heard you were coming for the reunion. But I may not be able to even get out of bed to see you. I'm sorry that I was a constant embarrassment to you when you were growing up. You see... when you were very little, you got into an accident, and lost your eye. As a mother, I couldn't stand watching you having to grow up with one eye. So I gave you mine. I was so proud of my son who was seeing a whole new world for me, in my place, with that eye. With all my love to you, Your mother

**Plastic Free** Jun 24 2019 In July 2011, Rebecca Prince-Ruiz challenged herself to go plastic free for the whole month. Starting with a small group of people in the city of Perth, the Plastic Free July movement has grown into a 250-million strong community across 177 countries, empowering people to reduce single-use plastic consumption and create a cleaner future. This book explores how one of the world's leading environmental campaigns took off and shares lessons from its success. From narrating marine-debris research expeditions to tracking what actually happens to our waste to sharing insights from behavioral research, it speaks to the massive scale of the plastic waste problem and how we can tackle it together. Interweaving interviews from participants, activists, and experts, Plastic Free tells the inspiring story of how ordinary people have created change in their homes, communities, workplaces, schools, businesses, and beyond. It is easy to feel overwhelmed in the face of global environmental problems and wonder what difference our own actions could possibly make. Plastic Free offers hope for the future through the stories of those who have taken on what looked like an insurmountable challenge and succeeded in innovative and practical ways, one step—and one piece of plastic—at a time.

*The Opposite of Loneliness* May 28 2022 The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on NewYorker.com. Her essay "Even Artichokes Have Doubts" was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over...We're so young. We can't, we MUST not lose this sense of possibility because in the end, it's all we have." *The Opposite of Loneliness* is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People).

**The Road to Scientific Success** Nov 29 2019 The Hungarian born mathematical genius, John von Neumann, was undoubtedly one of the greatest and most influential scientific minds of the 20th century. Von Neumann made fundamental contributions to Computing and he had a keen interest in Dynamical Systems, specifically Hydrodynamic Turbulence. This book, offering a state-of-the-art collection of papers in computational dynamical systems, is dedicated to the memory of von Neumann. Including contributions from J E Marsden, P J Holmes, M Shub, A Iserles, M Dellnitz and J Guckenheimer, this book offers a unique combination of theoretical and applied research in areas such as geometric integration, neural networks, linear programming, dynamical astronomy, chemical reaction models, structural and fluid mechanics.

*Sigh, Gone* Jun 28 2022 For anyone who has ever felt like they don't belong, *Sigh, Gone* shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as *The Metamorphosis*, *The Scarlet Letter*, *The Iliad*, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as *Fresh Off the Boat*, *Running with Scissors*, or tales of assimilation like Viet Thanh Nguyen's *The Displaced* and *The Refugees*, *Sigh, Gone* explores one man's bewildering experiences of abuse, racism, and tragedy and reveals redemption and connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the '80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him.

**101 Inspiring Stories** Nov 02 2022 This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

**Big Hearted** Apr 02 2020 Big Hearted gives you an inside look into the triumphs, struggles, joys and sorrows of ordinary families with generous hearts. It invites you to witness extraordinary love in ordinary moments like the simple cooking of a meal or the hug between a teenaged brother and his baby sister. Just like your family, these families experience pain, setbacks, and challenges. And just like your family, they also experience love and immeasurable blessing through their commitment and care for each other. In this book, you will learn the stories of: A father of seven healthy boys who struggled to love his Down syndrome baby girl A mother of twelve who learned an important lesson about Christmas from her children A special relationship between a teenaged brother and his infant sister Two grandparents in their final days who inspired their grandchildren in simple ways Two orphan children from Kenya who prayed for adoption by an American family and got what they asked for! It has been said that God cannot be outdone in generosity. The stories in these pages will show you how big hearted families experience this truth in a myriad of ways, sometimes miraculously.
