Naughty #TeXXXt Mar 10 2021 Bianca Young and her dad tried to cross us. They wanted to take my family for fools, and now they're going to find out what three jocks like us will do with her beautiful body. She walked around campus as if she was in her own world, but we would have her begging for mercy, until we were done with her. We would strip her, spank her until she's soaking wet. Then, we would put her in line for stealing from my family. We would have her screaming our names with every orgasm before we were through with her. No one messed with the Russo family and got away with it. No one. Author's Note: Please be advised this series contains material not suitable for all readers. It's a reverse harem with

some dark scenes, which include gambling and alcohol abuse. If you love reading such material, then this is the book for you!

Three on a Match Jun 01 2020 A Reverse Harem Bad Boy Romance

Into the Madness Sep 28 2022 I didn't fall into a place of wonder and madness. I was taken. This world is a perfect, enchanting wonderland. The people here are just as alluring. But we all have our secrets. Like the white rabbit who's leading a rebellion right under the King's nose. Or the sweet March Hare who's actually an enemy spy. Or my one true ally in all of this, a killer who's so feared they won't even say his real name. As for me, I have more secrets than all of them combined. Because Wonderland is waiting for the beloved Alice Liddell. And I'm just the bitch pretending to be her. This is a reverse harem series, recommended for readers 18 and over.

Death Untold Jun 20 2019 All magic comes with a price tag. It's a lesson witches are taught from a young age, along with the ones about how we'll never survive a vampire turning, how hunters will always seek to eradicate us, and how a devil's bargain can never be broken. But together, my rebels and I have shattered every last rule, ignored every last warning. We've grown stronger because of it, and so far, we've survived everything fate has thrown our way. So what's one more warning shunned, one more cosmic law overturned in the face of such a devastating loss? Asher. Darius. Ronan. Liam. Emilio. To keep the men I love safe, there's nothing I won't risk. Break. Destroy. What's done is done. All we can do now is face the consequences, and hope that when fate comes to collect, we can afford to pay the price.

Trick Or Revenge (A Dark Standalone Reverse Harem) Mar 30 2020 I'm not the sweet, quiet girl they remember. That's what happens when tragedy strikes where you least expect it. I thought I would be okay. That I could handle anything. I was wrong. Revenge is the name the game now. If you're not with me, you're against me. Get ready to enter Hell. *** She's different. Angry and dark. Something happened and we won't stop until we figure it out. She's our girl, even if she doesn't know it. And NO ONE hurts her. When we find out what happened, the person(s) responsible better run. We aren't nearly as golden as everyone thinks we are. *This is a reverse harem romance with bully elements. If you don't like dark themes and the main character ending up with more than one character, this may not be the book for you. Please take this warning seriously because there WILL be triggers inside these pages.*

The Lost Girl of Neverland Jul 14 2021 Peter Pan is an arrogant little wanker Sorry, not sorry, you'd say it too if you'd ever been to Neverland. I know the big story is that Wendy Darling is the first girl to end up on Neverland because girls are too smart to fall out of their prams. I'm living proof that's a lie. Wendy was just the first time Peter actually asked permission before he took a girl to Neverland to be his mother. I guess he learned his lesson from me. He kidnapped me from my bed while I was sleeping and just expected me to be his mother. I'd rather be a Lost Boy than his mother. Peter eventually gave up on me. He lost a mother and two Lost Boys that day that left with me. I've been living away from Peter Pan. Me and my Lost Boys are now the Wildlings. We even have a fairy with us named Coale, who is a blacksmith fairy, but prefers making explosives. Coale and Blaize get along marvelously as Blaize loves to play with fire. But we've committed the one crime on Neverland Peter won't forgive. An instant death sentence for anyone on Neverland no matter how close to Peter you are. We already have one strike against us leaving him. We've now committed the ultimate Neverland sin. We woke up one morning and we've all grown up. There is a legend on Neverland, someone Peter hates. Someone no one knows where to find. Someone everyone on Neverland only knows as the hook nosed hag. If she's an old woman on Neverland, then she either predates Peter or she survived his culling. We have to stay out of Peter's way and find this mysterious hag. We find some old villains who end up not being villains. Captain Hook is not dead and may have information on the hag. We only have three days before Peter's Spring Cleaning is over and he returns Wendy's descendant back home. After that, he will be on the hunt for our blood. We don't even know if the hag survived Peter's culling. If not, everyone who has grown up on Neverland has died by Peter's blade.

Serpent's Kiss Apr 23 2022 Five men stand between me and the deranged cult that wants me dead, but that's not all that's going on. When the Keeper asks me to come to London with him, I figure all he wants is to show me off to some of his academic friends. As the last of my kind, I guess I am something of a show and tell project, even if no one would ever say that to my face. As soon as I arrive in London, however, and figure out the truth about what's going on, everything changes. Suddenly I'm no longer visiting a city I've always wanted to see as a tourist, I'm knee deep in an investigation that blows open a whole new can of worms. As if having a cult hell-bent on killing all of the female supernaturals they could get their hands on hunting me down wasn't bad enough. It seems like there's nowhere I can go to escape the people who want me dead, but as things start coming to light, I realize there are more forces at work than any of us had thought, and these forces have an agenda that goes way beyond just killing people. Time is running out, and right now they have the upper hand, because we don't know who they are, what they really want, or where they're hiding, but I have to figure this all out, and fast, because people's lives are on the line, and not just my own. *Serpent's Kiss* is the third book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. If you love the paranormal romance and urban fantasy genres, and want to read something that not only straddles the line between both, but introduces not one, but five love interests (possibly more), then this is the book for you. Disclaimer: this book is part of a continuing series of novels, all which will follow the same arc over many books, but each which will tease into the next - expect to be left with questions at the end. As a reverse harem urban fantasy, you can expect there to be action, magic, intrigue, and multiple primary love interests. Sexual content will also form a part of this series, as will swearing and violence. If you're happy with all of this, then... Scroll up, hit buy now, and dive deeper into Lilith's story!

To the world, they're nothing but leather wearing, foul-mouthed bikers, but to me, they are my saviors. The light at the end of a very dark tunnel. However, as my memory starts to come back to me in pieces, I fear the darkness ahead. Maybe the reason why I can't recollect anything is because I don't want to. Life is sweet in heaven. Colt, Cary, and Cash are triplets with steely gray eyes and powerful bodies hardened by the land. They offer me a job, and I take it despite the risks. Forced to live with them, I discover the five gorgeous brothers aren't the ruthless cowboys I imagined they were. I've never been with a man, and suddenly five want to make me a woman. HATE Mar 22 2022 "Madison Kate Danvers was murdered tonight." Those words changed my life, and not for the better. They were wrong, of course. I wasn't dead. But I was set up. After being charged with a string of offences--and made an example of by my political minded father--I'm eventually released back into Shadow Grove with one thing on my mind. Hate. Someone is going to pay for derailing my carefully laid out future. Someone is going to catch the full force of my hate. Her Secret Oct 17 2021 "Our love is so much more than a mere catastrophic occurrence." My name is Freya Wilson. I am not your typical girl next door. I'm far from it. As my mother likes to point out since I graduated high school, I should be planning my life instead of wallowing around the house, in my pajamas all day. Girls my age are either preparing for college or taking advantage of the warm summer days that California provides in spades. She doesn't understand why I prefer to be stuck in my room, watching the world pass by. But there is a reason to my melancholy that she will never know. I'm in mourning. I mourn a love I can never have. A love that if anyone were to learn about its existence, I would be judged and ridiculed. Branded with names too ugly to mention. Years ago, I had made the ultimate sacrifice so no one would discover my secret. However, now my secret is being put to the test. I will need to overcome one last obstacle. When fate brings me to live under the same roof temptation lies, I fear I might not be strong enough to hide my feelings. The moment I set foot inside it, my life takes an unexpected turn and the vision I once had of eternal solitude, seems out of reach. The chains I have weaved around me are no match for the allurements the house next door provides. There is no running away from love, and I was a fool to think otherwise. This love story involves five alpha knights that will do anything to get their princess back. If you believe that love conquers all, and adore all things Reverse Harem then this book is for you. *Bad Influence is a Contemporary Reverse Harem Romance series. Group Therapy Jan 08 2021 From the Wall Street Journal bestselling author of 44 Chapters About 4 Men (inspiration for the 4th Most-Watched Netflix Original Series of all time, Sex/Life) comes a fun, forbidden romantic comedy about an inexperienced psychologist and her ultra-famous client. I am thiiiiis close to finally becoming a full-fledged psychologist. PhD? Check. Prestigious postdoc position, providing therapy to entitled millionaires and C-list celebrities whose pumpkin spice lattes cost more than my Converse and make excellent projectiles during their reality TV-worthy tantrums? Check. Letter of recommendation from my velociraptor-like supervisor? That's going to take a miracle. Not only because my boss said I have to cure our most-prized client's writer's block in time for him to meet his insane deadline, but also because that client just so happens to be ... Thomas F*@%ing O'Reardon. Yeah, that Thomas O'Reardon. The wickedly brilliant, achingly beautiful, devastatingly British best-selling author whose psychological thrillers line my bookshelf at home and whose face I might or might not picture while I ... you get the point. Sitting in a confined space with him; inhaling the crisp, clean scent of his cologne; gazing into his broody blue eyes while trying to remember to nod and listen and come up with suggestions that don't involve taking our clothes off ... it's torture. So, when Thomas casually asks me out at the end of a therapy session, I'm forced to make an impossible choice: say yes and risk losing my dream job, or say no and risk losing my dream guy. In a panic, I blurt out a third option—the only solution I can think of that will allow me to see this man after hours without it being considered a career-ending ethics violation: Group therapy. The only problem? I've never actually done group therapy. And side problem: my other clients are ... a handful. But what's the worst that could happen? I mean, it's not like I'm going to lose all control of the group and let it devolve into a chaotic, bloodthirsty, topless fight club. Right? Synergist Feb 21 2022 Let Synergist Lead You into a Twisted World of Fairies and Magic. This is the entire first book (the omnibus)! The Synergist has to be one of the most original Fae worlds I've read in a very long time. It has a very whimsical feel to it. Goodreads Reviewer Fired, close to eviction, and determined not to ask anyone for help, Amaya Reynolds's last hope is a job at the local vampire blood bank. But on her first night there, she learns that blood isn't the only thing on the menu and consent isn't always required. When dark and mysterious Vasily rides to her rescue with his four warlock roomies, she's grateful, then confused when they all insist she's something special. But she's not. She's just another boring human living in Distant Edge, where supernaturals roam free. Right? Synergist is book 1 of a 3 book series. Book 2 will be released this October and book 3, this December.
