Operation Mincemeat Dec 01 2019 NEW YORK TIMES
BESTSELLER • NOW A NETFLIX FILM STARRING COLIN FIRTH

• The “brilliant and almost absurdly entertaining” (Malcolm Gladwell, *The New Yorker*) true story of the most successful—and certainly the strangest—deception carried out in World War II, from the acclaimed author of *The Spy and the Traitor* “Pure catnip to fans of World War II thrillers and a lot of fun for everyone else.”—Joseph Kanon, *The Washington Post Book World*

Near the end of World War II, two British naval officers came up with a brilliant and slightly mad scheme to mislead the Nazi armies about where the Allies would attack southern Europe. To carry out the plan, they would have to rely on the most unlikely of secret agents: a dead man. Ben Macintyre’s dazzling, critically acclaimed bestseller chronicles the extraordinary story of what happened after British officials planted this dead body—outfitted in a British military uniform with a briefcase containing false intelligence documents—in Nazi territory, and how this secret mission fooled Hitler into changing military positioning, paving the way for the Allies’ drive to victory. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES

Race Traitor Jun 26 2019 RACE TRAITOR is the visceral true story of a teenage girl who becomes entangled in Canada's most powerful white supremacist group, the Heritage Front - a domestic terrorist group later revealed to have been created and funded with the assistance of Canada's spy agency, CSIS. To sixteen-year old runaway Elisse, the new friends she encounters in the secretive Heritage Front are the family she's never had. They feed her when she's hungry, watch her back, and Wolfgang Droege, one of the group's charismatic leaders, introduces her to a trusted friend, notorious Holocaust denier Ernst Zundel, who provides her with shelter and work. In less than a year, Elisse

evolves into an extremist groomed for a leadership role in the far-right movement. Her loyalty earns her the attention of Grant Bristow, co-founder of the Heritage Front, who is training a secret faction of skinheads and neo-Nazis in information-gathering and terror tactics targeting political opponents. Rapidly drawn into their web of hatred, Elisse witnesses an escalating campaign of terror from which there seems no way out. Forced to confront her sexual orientation and secret heritage, Elisse realizes that she must fight back. But when she attempts to shut down the vicious organization that had brainwashed her and terrorized innocent Canadians, she learns that a darker force is behind the façade of the Heritage Front: Canada's own spy agency, backed by the government that was supposed to protect her. At only eighteen, Elisse's testimony will lead to the criminal convictions of prominent white supremacists including Wolfgang Droege. Within months, Grant Bristow would be exposed as an undercover CSIS agent. Although Operation Governor never led to the arrest of a single Canadian racist, Bristow will be placed into the Witness Protection Program and given a package worth hundreds of thousands of taxpayer dollars, while the teenage girl who had named him as a criminal will be denied police protection and forced to go on the run for her life.

Traitors Feb 24 2022 An award-winning journalist provides a close-up look at treason in America, profiling the spies, saboteurs, and others who betrayed the United States and placed its citizens at risk, from Revolutionary War traitor Benedict Arnold to Robert Hanssen, the FBI agent who sold information to the KGB for more than twenty years. Original.

The Greatest Traitor Aug 01 2022 One night in August 1323 a captive rebel baron, Sir Roger Mortimer, drugged his guards and escaped from the Tower of London. With the king's men-at-arms in pursuit he fled to the south coast, and sailed to France. There he was joined by Isabella, the Queen

writing reminds you of a world of spies and betrayal that was so much a part of life in post-war Europe... Superb from start to finish.' JEREMY VINE On 3 May 1961, after a trial conducted largely in secret, a man named George Blake was sentenced to an unprecedented forty-two years in jail. At the time few details of his crimes were made known. By his own confession he was a Soviet spy and rumours later circulated that his actions had endangered British agents, but the reasons for such a severe punishment were never revealed. To the public, Blake was simply the greatest traitor of the Cold War. Yet, as Roger Hermiston reveals in this thrilling new biography, his story touches not only the depths of treachery, but also the heights of heroism. In WWII the teenage Blake performed sterling deeds for the Dutch resistance, before making a dramatic bid for freedom across Nazi-occupied Europe. Later recruited by British Intelligence, he quickly earned an exemplary reputation and was entrusted with building up the Service's networks behind the Iron Curtain. And, following a posting to Seoul, he also suffered for his adopted country, when captured by North Korean soldiers at the height of their brutal war with the South. By the time of his release in 1953, Blake was a hero, one of the Service's brightest and best officers. But unbeknownst to SIS they were harbouring a mole. Week after week, year after year, Blake was assiduously gathering all the important documents he could lay his hands on and passing them to the KGB. Drawing on hitherto unpublished records from his trial, new revelations about his dramatic jailbreak from Wormwood Scrubs, and original interviews with former spies, friends and the man himself, *The Greatest Traitor* sheds new light on this most complex of characters and presents a fascinating shadow history of the Cold War.

[Turncoat](#) May 18 2021 The story of how British Sergeant Harold Cole double-crossed the British, French, and American war efforts, and came to wear the Gestapo uniform until his arrest and

execution after the war, all revealed in fascinating historical detail by the author of *The Butcher of Lyons*. 40 black-and-white photographs.

The Traitor Oct 11 2020 Fans of Reese Witherspoon's Book Club picks eager for their next moving historical novel—look no further! Readers of *The Alice Project* and *The Lost Girls of Paris* will be enthralled by V.S. Alexander's *The Traitor*. Drawing on the true story of the White Rose—the resistance movement of young Germans against the Nazi regime—*The Traitor* tells of one woman who offers her life in the ultimate battle against tyranny during one of history's darkest hours. In the summer of 1942, as war rages across Europe, a series of anonymous leaflets appears around the University of Munich, speaking out against escalating Nazi atrocities. The leaflets are hidden in public places, or mailed to addresses selected at random from the phone book. Natalya Petrovich, a student, knows who is behind the leaflets—a secret group called the White Rose, led by siblings Hans and Sophie Scholl and their friends. As a volunteer nurse on the Russian front, Natalya witnessed the horrors of war first-hand. She willingly enters the White Rose's circle, where every hushed conversation, every small act of dissent could mean imprisonment or death at the hands of an infuriated Gestapo. Natalya risks everything alongside her friends, hoping the power of words will encourage others to resist. But even among those she trusts most, there is no guarantee of safety—and when danger strikes, she must take an extraordinary gamble in her own personal struggle to survive. Praise for V.S. Alexander's *The Irishman's Daughter* "Accompanied by an expertly rendered plot, bold and empathetic characters, and prose that jumps off the page, this tale will particularly satisfy fans of historicals and those looking for stories about the redeeming grace of faith and hard work." —Publishers Weekly, STARRED REVIEW

fighting force, as told by the modern master of wartime intrigue—coming soon as a limited series on Epix! “Reads like a mashup of *The Dirty Dozen* and *The Great Escape*, with a sprinkling of *Ocean’s 11* thrown in for good measure.”—Michiko Kakutani, *The New York Times* ONE OF NPR’S BEST BOOKS OF THE YEAR • “*Rogue Heroes* is a ripping good read.”—*Washington Post* (10 Best Books of the Year) Britain’s Special Air Service—or SAS—was the brainchild of David Stirling, a young aristocrat whose aimlessness belied a remarkable strategic mind. Where most of his colleagues looked at a World War II battlefield map and saw a protracted struggle, Stirling saw an opportunity: given a small number of elite men, he could parachute behind Nazi lines and sabotage their airplanes and supplies. Defying his superiors’ conventional wisdom, Stirling assembled a revolutionary fighting force that would upend not just the balance of the war, but the nature of combat itself. Bringing his keen eye for detail to a riveting wartime narrative, Ben Macintyre uses his unprecedented access to the SAS archives to shine a light on a legendary unit long shrouded in secrecy.

Queen Isabella Oct 30 2019 BONUS: This edition contains an excerpt from Alison Weir's *Mary Boleyn*. In this vibrant biography, acclaimed author Alison Weir reexamines the life of Isabella of England, one of history’s most notorious and charismatic queens. Isabella arrived in London in 1308, the spirited twelve-year-old daughter of King Philip IV of France. Her marriage to the heir to England’s throne was designed to heal old political wounds between the two countries, and in the years that followed she became an important figure, a determined and clever woman whose influence would come to last centuries. Many myths and legends have been woven around Isabella’s story, but in this first full biography in more than 150 years, Alison Weir gives a groundbreaking new perspective.

A Spy Among Friends Aug 21 2021 From bestselling author Ben Macintyre, the true untold story of history's most famous traitor

Turncoat Feb 12 2021 A historian examines how a once-ardent hero of the American Revolutionary cause became its most dishonored traitor. General Benedict Arnold's failed attempt to betray the fortress of West Point to the British in 1780 stands as one of the most infamous episodes in American history. In the light of a shining record of bravery and unquestioned commitment to the Revolution, Arnold's defection came as an appalling shock. Contemporaries believed he had been corrupted by greed; historians have theorized that he had come to resent the lack of recognition for his merits and sacrifices. In this provocative book Stephen Brumwell challenges such interpretations and draws on unexplored archives to reveal other crucial factors that illuminate Arnold's abandonment of the revolutionary cause he once championed. This work traces Arnold's journey from enthusiastic support of American independence to his spectacularly traitorous acts and narrow escape. Brumwell's research leads to an unexpected conclusion: Arnold's mystifying betrayal was driven by a staunch conviction that America's best interests would be served by halting the bloodshed and reuniting the fractured British Empire.

"Gripping... In a time when charges of treason and disloyalty intrude into our daily politics, Turncoat is essential reading."—R. B. Bernstein, City College of New York "The most balanced and insightful assessment of Benedict Arnold to date. Utilizing fresh manuscript sources, Brumwell reasserts the crucial importance of human agency in history."—Edward G. Lengel, author of General George Washington "An incisive study of the war and the very meaning of the American Revolution itself.... The defining portrait of Arnold for the twenty-first century."—Francis D. Cogliano, author of Revolutionary America

The Patriot Traitor Nov 23 2021 *Explains Arnold's achievements for the Americans, his treason, and how he has been remembered. *Includes pictures of Arnold and important people, places, and events in his life. "Neglected by Congress

below, distressed with the small-pox; want of Generals and discipline in our Army, which may rather be called a great rabble, our credit and reputation lost, and great part of the country; and a powerful foreign enemy advancing upon us, are so many difficulties we cannot surmount them." - Benedict Arnold On October 7, 1777, Benedict Arnold rode out against orders and led an American assault against British forces led by General John Burgoyne in one of the climactic battles of the Revolution at Saratoga, the ultimate turning point of the war. Near the end of the most important American victory of the Revolution, Arnold's leg was shattered by a volley that also hit his horse, which fell on the leg as well. Arnold would later remark that he wish the shot had hit him in the chest. If it had, Benedict Arnold would be remembered as one of America's greatest war heroes, and probably second only to George Washington among the generals of the Revolution. In fact, when Arnold was injured at the height of his success in October 1777, he had been the most successful leader of American forces during the war. Arnold had been instrumental in the seizure of Fort Ticonderoga in 1775, he constructed the first makeshift American navy to defend Lake Champlain and delay British campaigning in 1776, and he was the principal leader at Saratoga in 1777. Even his unsuccessful campaign to Quebec in the winter of 1775 is remembered primarily for the amazing logistical feats undertaken by Arnold and his men to even reach the target. History has accorded Arnold his fair share of credit for the fighting he participated in from 1775-1777. The problem is his contemporaries did not. Arnold was better on the field than any other American general in those years, but his mercurial personality rubbed some the wrong way, and other self-promoting generals, from Ethan Allen to Horatio Gates, credited themselves with success at Arnold's expense. Meanwhile, the Second Continental Congress frequently if inadvertently slighted Arnold, failing to duly promote him in a timely fashion and failing to pay him four years of back pay even

as he spent his own private fortune training, equipping, and feeding his army and navy. Historian William Sterne Randall estimates Congress shorted Arnold out of the equivalent of \$275,000. Today, of course, all of that has been overshadowed by Arnold's treacherous plot to turn over West Point to the British in 1780. The infamous plot came about while Arnold convalesced as the military governor in Philadelphia, where he met and married the Tory-affiliated Peggy Shippen. Arnold grew more concerned about the patriot cause, and combined with the perceived insults, exposure to Loyalist leanings, and another Congressional rebuke for living extravagantly in Philadelphia, Arnold decided to secretly offer his services to the British. As every American knows, Arnold's plot was uncovered, and he barely escaped to the British side, where he was just as distrusted and nearly as despised. Though he would serve as a brigadier-general for the British through the end of the war, his personal fortune and reputation were permanently tarnished. The man who could have been one of his country's greatest heroes became its most despised traitor. The Patriot Traitor: The Life and Legacy of Benedict Arnold chronicles Arnold's life and military career, but it also humanizes the man and offers an objective look at Arnold's treachery and plot in an effort to separate fact from legend. Along with pictures of important people, places, and events in his life, you will learn about Arnold like you never have before, in no time at all.

Circle of Treason Sep 09 2020 Circle of Treason details the authors' personal involvement in the hunt for and eventual identification of a Soviet mole in the CIA during the 1980s and 1990s. The search for the presumed traitor was necessitated by the loss of almost all of the CIA's large stable of Soviet intelligence officers working for the United States against their homeland. Aldrich Ames, a long-time acquaintance and co-worker of the authors in the Soviet-East European Division and Counterintelligence Center of CIA, turned out to be that mole. In April 1985 Ames walked in to the Soviet Embassy in Washington,

D. C. and volunteered to the KGB, working for the Soviet Union for nine years until his arrest by the FBI in February 1994. Ames was arguably one of the most destructive traitors in American history, and is most well-known for providing information which led to the death of at least 11 Soviet intelligence officers who spied for the West. The authors participated in the majority of these cases and the book provides detailed accounts of the operational contact with the agents as well as other similar important cases with which the authors also had personal involvement. The stories of the brave men who were executed or imprisoned by the Soviet Union include GRU General Dmitriy Fedorovich Polyakov, KGB Colonel Leonid Georgiyevich Poleshchuk, KGB Colonel Vladimir Mikhaylovich Piguzov, GRU technical officer Nikolay Chernov, GRU Lieutenant Colonel Boris Nikolayevich Yuzhin, KGB scientific and technical officer Vladimir Ippolitovich Vetrov, GRU Colonel Vladimir Mikhaylovich Vasilyev, GRU officer Gennadiy Aleksandrovich Smetanin, KGB illegals support officer Gennadiy Grigoryevich Varenik, KGB scientific and technical officer Valeriy Fedorovich Martynov, KGB political intelligence officer Sergey Mikhaylovich Motorin, KGB officer Sergey Vorontsov, and Soviet scientist Adolf Grigoryevich Tolkachev. Other operations include KGB technical officer Viktor Ivanovich Sheymov, GRU Colonel Sergey Ivanovich Bokhan, and KGB Colonel Aleksey Isidorovich Kulak. Of particular note in the preceding list of agents compromised by Aldrich Ames is GRU General Dmitriy Fedorovich Polyakov, the highest-ranking spy ever run by the U.S. government against the Soviet Union during the Cold War. Described as the “Crown Jewel”, he provided the U.S. with a treasure trove of information during his 20-plus year history of cooperation. The book also covers the aftermath of Aldrich Ames arrest: the Congressional wrath on CIA for not identifying him sooner; FBI/CIA debriefings of Ames following his plea bargain; a retrospective of Ames the person and Ames the spy; and a comparison of Ames and FBI special agent and Soviet

spy Robert Hanssen, arrested in February 2001 and sentenced to life in prison for spying for the Soviet Union against the U.S. for over 20 years. Although not personally involved in the Hanssen investigation, the two authors were peripherally involved in what became, after many false starts the Hanssen case.

Traitor: The Case of Benedict Arnold May 30 2022 Benedict Arnold always carried things too far. As a boy he did crazy things like climbing atop a burning roof and picking a fight with the town constable. As a soldier, he was even more reckless. He was obsessed with being the leader and the hero in every battle, and he never wanted to surrender. He even killed his own horse once rather than give it to the enemy. Where did the extremism lead Arnold? To treason. America's most notorious traitor is brought to life as Jean Fritz relays the engrossing story of Benedict Arnold -- a man whose pride, ambition, and self-righteousness drove him to commit the heinous crime of treason against the United States during the American Revolution. "A highly entertaining biography illuminating the personality of a complex man." —Horn Book "A gripping story. . . As compelling as a thriller, the book also shines as history." —Publishers Weekly An ALA Notable Book A New York Times Book Review Notable Book of the Year A School Library Journal Best Book of the Year An ABA Pick of the Lists A Horn Book Fanfare Title

A Traitor to His Species Nov 11 2020 From an award-winning historian, the outlandish story of the man who gave rights to animals. In Gilded Age America, people and animals lived cheek-by-jowl in environments that were dirty and dangerous to man and beast alike. The industrial city brought suffering, but it also inspired a compassion for animals that fueled a controversial anti-cruelty movement. From the center of these debates, Henry Bergh launched a shocking campaign to grant rights to animals. A Traitor to His Species is revelatory social history, awash with colorful characters. Cheered on by thousands of men and women who joined his cause, Bergh fought with robber barons, Five

Points gangs, and legendary impresario P.T. Barnum, as they pushed for new laws to protect trolley horses, livestock, stray dogs, and other animals. Raucous and entertaining, *A Traitor to His Species* tells the story of a remarkable man who gave voice to the voiceless and shaped our modern relationship with animals.

American Traitor Aug 28 2019 “Few authors write about espionage, terrorism, and clandestine hit squads as well as Taylor does.”—Houston Press Pike Logan is on the desperate hunt for a man who is about to betray his country—and ignite a horrific new world war—in this pulse-pounding thriller from New York Times bestselling author and former special forces officer Brad Taylor Pike Logan and Jennifer Cahill are enjoying a sunny vacation down under when they get disturbing news: their friend and colleague Clifford Delmonty is in serious trouble. While working as a contractor at an Australian F-35 facility, the former Taskforce member—callsign Dunkin—saw something he shouldn’t have, and now he’s on the run from Chinese agents. Pike and Jennifer soon discover that Dunkin’s attackers are a dangerous link to a much larger scheme that could launch a full-on conflict between China and Taiwan. In its quest for dominance, China is determined to reclaim Taiwan—a pivotal ally the United States has sworn to protect. Pike learns that the Chinese have a devious plan to bait the island nation into all-out war by destabilizing the government and manipulating an artificial intelligence defense system. As the threat reaches a boiling point, Pike alone realizes that what they’re seeing isn’t actually real. A soldier who has always been trained to fight and win, Pike must now track down and neutralize the missing man who holds the key. With the help of Jennifer, the Taskforce team, and a brave Taiwanese intelligence agent, he races to prevent a catastrophic conflict from consuming a whole region of the world.

historian, and author of *Our First Civil War* "It may well be the best general biography of Franklin Roosevelt we will see for many years to come." —The Christian Science Monitor Drawing on archival material, public speeches, correspondence and accounts by those closest to Roosevelt early in his career and during his presidency, H. W. Brands shows how Roosevelt transformed American government during the Depression with his New Deal legislation, and carefully managed the country's prelude to war. Brands shows how Roosevelt's friendship and regard for Winston Churchill helped to forge one of the greatest alliances in history, as Roosevelt, Churchill, and Stalin maneuvered to defeat Germany and prepare for post-war Europe.

The Traitor's Wife Oct 23 2021 A riveting historical novel about Peggy Shippen Arnold, the cunning wife of Benedict Arnold and mastermind behind America's most infamous act of treason... Everyone knows Benedict Arnold—the Revolutionary War general

who betrayed America and fled to the British—as history’s most notorious turncoat. Many know Arnold’s co-conspirator, Major John André, who was apprehended with Arnold’s documents in his boots and hanged at the orders of General George Washington. But few know of the integral third character in the plot: a charming young woman who not only contributed to the betrayal but orchestrated it. Socialite Peggy Shippen is half Benedict Arnold’s age when she seduces the war hero during his stint as military commander of Philadelphia. Blinded by his young bride’s beauty and wit, Arnold does not realize that she harbors a secret: loyalty to the British. Nor does he know that she hides a past romance with the handsome British spy John André. Peggy watches as her husband, crippled from battle wounds and in debt from years of service to the colonies, grows ever more disillusioned with his hero, Washington, and the American cause. Together with her former love and her disaffected husband, Peggy hatches the plot to deliver West Point to the British and, in exchange, win fame and fortune for herself and Arnold. Told from the perspective of Peggy’s maid, whose faith in the new nation inspires her to intervene in her mistress’s affairs even when it could cost her everything, *The Traitor’s Wife* brings these infamous figures to life, illuminating the sordid details and the love triangle that nearly destroyed the American fight for freedom.

[The Greatest Traitor](#) Oct 03 2022 One night in August 1323, a captive rebel baron, Sir Roger Mortimer, drugged his guards and escaped from the Tower of London. With the king’s men-at-arms in pursuit he fled to the south coast and sailed to France. There he was joined by Isabella, the Queen of England, who threw herself into his arms. A year later, as lovers, they returned with an invading army: King Edward II’s forces crumbled before them and Mortimer took power. He removed Edward II in the first deposition of a monarch in British history. Then the ex-king was apparently murdered, some said with a red-hot poker, in Berkeley

Castle. Brutal, intelligent, passionate, profligate, imaginative, and violent, Sir Roger Mortimer was an extraordinary character. It is not surprising that the Queen lost her heart to him. Nor is it surprising that his contemporaries were terrified of him. But until now no one has appreciated the full evil genius of the man. This first biography, *The Greatest Traitor* by Ian Mortimer, reveals not only Mortimer's career as a feudal lord, a governor of Ireland, a rebel leader, and a dictator of England, but also the truth of what happened that night in Berkeley Castle.

[No Other Choice](#) Mar 04 2020 The KGB mole who received--and escaped from--the toughest sentence ever given to a spy by the British court describes his role in the Dutch underground during World War II, his rise through the ranks of British intelligence, and more

[The Traitor's Child](#) Mar 16 2021 After a fateful confrontation with the brother he once betrayed, Eric van Kroot finds himself roaming Amsterdam's seediest streets in a desperate search for the child he never knew he had. His quest uncovers far more than he'd bargained for, however, as he stumbles across the biggest cover up in history. But there are those who will do anything to stop him, for, while many have much to gain, others have everything to lose...

Benedict Arnold Apr 28 2022 Explores the career of Benedict Arnold as patriot and soldier and his treasonous decision and betrayal during the Revolutionary War.

[Time Traitor](#) Jun 06 2020 "Have you ever wished you could go back in time? What if you had the power to alter history, to manipulate events and make yourself rich, famous, or powerful? Kristi Connors is too miserable in the present to care about history. Shipped off to boarding school in the midst of her parents' divorce, Kristi wants nothing more than to run home and find her mom and dad together again. In hopes of being kicked out, Kristi enjoys harassing her ill-tempered history teacher, Dr. Xavier Arnold, with endless pranks. Ty Jordan just wants to be left

alone. Sent to GWP after his mom's sudden death, Ty dreams of disappearing into the pages of the books he reads, far from the bullies who torment him at every turn. When the two unlikely friends find themselves in Dr. Arnold's detention dungeon, they make a startling discovery . . . their teacher has invented a working time machine! The next thing they know, Kristi and Ty are jettisoned back to the Revolutionary War as part of Dr. Arnold's scheme to change history in favor of his infamous ancestor and the country's greatest traitor, General Benedict Arnold. To get home, they must thwart his mad plan while evading slave catchers, surviving battles, and serving as nurses for wounded soldiers" --

Traitor Apr 16 2021 Amanda McCrina's *Traitor* is a tightly woven YA thrill ride exploring political conflict, deep-seated prejudice, and the terror of living in a world where betrayal is a matter of life or death. "Alive with detail and vivid with insight, *Traitor* is an effortlessly immersive account of a shocking and little-known moment in the turbulent history of Poland and Ukraine—and ironically, a piercing and bittersweet story of unflinching loyalty. I think Tolya has left my heart a little damaged forever."

—Elizabeth Wein, #1 New York Times–bestselling author of *Code Name Verity* and *The Enigma Game* Poland, 1944. After the Soviet liberation of Lwów from Germany, the city remains a battleground between resistance fighters and insurgent armies, its loyalties torn between Poland and Ukraine. Seventeen-year-old Tolya Korolenko is half Ukrainian, half Polish, and he joined the Soviet Red Army to keep himself alive and fed. When he not-quite-accidentally shoots his unit's political officer in the street, he's rescued by a squad of Ukrainian freedom fighters. They might have saved him, but Tolya doesn't trust them. He especially doesn't trust Solovey, the squad's war-scarred young leader, who has plenty of secrets of his own. Then a betrayal sends them both on the run. And in a city where loyalty comes second to self-preservation, a traitor can be an enemy or a savior—or sometimes

both. This title has common core connections.

Spies, Patriots, and Traitors Apr 04 2020 Students and enthusiasts of American history are familiar with the Revolutionary War spies Nathan Hale and Benedict Arnold, but few studies have closely examined the wider intelligence efforts that enabled the colonies to gain their independence. *Spies, Patriots, and Traitors* provides readers with a fascinating, well-documented, and highly readable account of American intelligence activities during the era of the Revolutionary War, from 1765 to 1783, while describing the intelligence sources and methods used and how our Founding Fathers learned and practiced their intelligence role. The author, a retired CIA officer, provides insights into these events from an intelligence professional's perspective, highlighting the tradecraft of intelligence collection, counterintelligence, and covert actions and relating how many of the principles of the era's intelligence practice are still relevant today. Kenneth A. Daigler reveals the intelligence activities of famous personalities such as Samuel Adams, George Washington, Benjamin Franklin, Nathan Hale, John Jay, and Benedict Arnold, as well as many less well-known figures. He examines the important role of intelligence in key theaters of military operations, such as Massachusetts, New York, New Jersey, Pennsylvania, and in General Nathanael Greene's campaign in South Carolina; the role of African Americans in the era's intelligence activities; undertakings of networks such as the Culper Ring; and intelligence efforts and paramilitary actions conducted abroad. *Spies, Patriots, and Traitors* adds a new dimension to our understanding of the American Revolution. The book's scrutiny of the tradecraft and management of Revolutionary War intelligence activities will be of interest to students, scholars, intelligence professionals, and anyone who wants to learn more about this fascinating era of American history.

move and current enforced holiday in Halifax, twelve-year-old Laz Berenger rebels against a guided tour of the Citadel and sets out to explore on his own. In one dark tunnel, his St. Christopher medal burns suddenly hot. There's a strange smell, and Laz blacks out. When he wakes up, everything happens at once. A sword is put to his throat. Men who look like extras from *Pirates of the Caribbean* hand him over to a ship's captain who strips him and takes his medal. He is declared a French spy. Laz realizes, to his horror, that it is 1745 and he is trapped in time. These English colonists, still loyal to King George, are at war with the French. To earn his freedom, Laz must promise to spy on the French at the fortification of Louisbourg. But once in Louisbourg, Laz earns a job as runner to the kind Commander Morpain and learns to love both the man and the town. How will Laz find a way to betray the inhabitants of Louisbourg? How else can he hope to earn back his St. Christopher medal, which is surely his key to returning to his own time? The award-winning author of *The Hill and Graffiti Knight* has written an enthralling, swash-buckling time-slip adventure for middle-grade readers centered on a fascinating period in North American history.

Into the Abyss Jan 14 2021 Only four men survived the plane crash. The pilot. A politician. A cop... and the criminal he was shackled to. On an icy night in October 1984, a commuter plane carrying nine passengers crashed in the remote wilderness of northern Alberta, killing six people. Four survived: the rookie pilot, a prominent politician, a cop, and the criminal he was escorting to face charges. Despite the poor weather, Erik Vogel, the 24-year-old pilot, was under intense pressure to fly. Larry Shaben, the author's father and Canada's first Muslim Cabinet Minister, was commuting home after a busy week at the Alberta Legislature. Constable Scott Deschamps was escorting Paul Archambault, a drifter wanted on an outstanding warrant. Against regulations, Archambault's handcuffs were removed—a decision that would profoundly impact the men's survival. As the men fight

through the night to stay alive, the dividing lines of power, wealth, and status are erased, and each man is forced to confront the precious and limited nature of his existence.

The Martyr and the Traitor Dec 13 2020 In September 1776, two men from Connecticut each embarked on a dangerous mission. One of the men, a soldier disguised as a schoolmaster, made his way to British-controlled Manhattan and began furtively making notes and sketches to bring back to the beleaguered Continental Army general, George Washington. The other man traveled to New York to accept a captain's commission in a loyalist regiment before returning home to recruit others to join British forces. Neither man completed his mission. Both met their deaths at the end of a hangman's rope, one executed as a spy for the American cause and the other as a traitor to it. Neither Nathan Hale nor Moses Dunbar deliberately set out to be a revolutionary or a loyalist, yet both suffered the same fate. They died when there was every indication that Britain would win the American Revolution. Had that been the outcome, Dunbar, convicted of treason and since forgotten, might well be celebrated as a martyr. And Hale, caught spying on the British, would likely be remembered as a traitor, rather than a Revolutionary hero. In *The Martyr and the Traitor*, Virginia DeJohn Anderson offers an intertwined narrative of men from very similar backgrounds and reveals how their relationships within their families and communities became politicized as the imperial crisis with Britain erupted. She explores how these men forged their loyalties in perilous times and believed the causes for which they died to be honorable. Through their experiences, *The Martyr and the Traitor* illuminates the impact of the Revolution on ordinary lives and how the stories of patriots and loyalists were remembered and forgotten after independence.

Our Kind of Traitor Aug 09 2020 From the New York Times bestselling author of *A Legacy of Spies*. In this exquisitely told novel, John le Carré shows us once again his acute understanding

of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-lauderer and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

Valiant Ambition Dec 25 2021 A New York Times Bestseller Winner of the George Washington Prize A surprising account of the middle years of the American Revolution and the tragic relationship between George Washington and Benedict Arnold, from the New York Times bestselling author of *In The Heart of the Sea*, *Mayflower*, and *In the Hurricane's Eye*. "May be one of the greatest what-if books of the age—a volume that turns one of America's best-known narratives on its head."—Boston Globe "Clear and insightful, [*Valiant Ambition*] consolidates Philbrick's reputation as one of America's foremost practitioners of narrative nonfiction."—Wall Street Journal In the second book of his acclaimed American Revolution series, Nathaniel Philbrick turns to the tragic relationship between George Washington and Benedict Arnold. In September 1776, the vulnerable Continental army under an unsure George Washington evacuated New York after a devastating defeat by the British army. Three weeks later, one of his favorite generals, Benedict Arnold, miraculously succeeded in postponing the British naval advance down Lake Champlain that might have lost the war. As this book ends, four years later Washington has vanquished his demons, and Arnold has fled to the enemy. America was forced at last to realize that

the real threat to its liberties might not come from without but from within. Complex, controversial, and dramatic, *Valiant Ambition* is a portrait of a people in crisis and the war that gave birth to a nation.

Betrayal Jan 02 2020 ***THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER*** An NPR Book of the Day Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row at the Trump Show*. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

The Daily Show (The Book) May 06 2020 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most

significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Happy Traitor Jul 28 2019 George Blake was the last remaining Cold War spy. As a Senior Officer in the British Intelligence Service who was double agent for the Soviet Union, his actions had devastating consequences for Britain. Yet he was also one of the least known double agents, and remained unrepentant. Through a combination of personal interviews, research and unique access to Stasi records, this book unravels who Blake truly was, what he was capable of, and why he did it
The Astonishing Life of Octavian Nothing, Traitor to the Nation, Volume I Sep 29 2019 National Book Award Winner! This deeply provocative novel reimagines the past as an eerie place that has

startling resonance for readers today. It sounds like a fairy tale. He is a boy dressed in silks and white wigs and given the finest of classical educations. Raised by a group of rational philosophers known only by numbers, the boy and his mother — a princess in exile from a faraway land — are the only persons in their household assigned names. As the boy's regal mother, Cassiopeia, entertains the house scholars with her beauty and wit, young Octavian begins to question the purpose behind his guardians' fanatical studies. Only after he dares to open a forbidden door does he learn the hideous nature of their experiments — and his own chilling role in them. Set against the disquiet of Revolutionary Boston, M. T. Anderson's extraordinary novel takes place at a time when American Patriots rioted and battled to win liberty while African slaves were entreated to risk their lives for a freedom they would never claim. The first of two parts, this deeply provocative novel reimagines the past as an eerie place that has startling resonance for readers today.

The Greatest Traitor Jan 26 2022 At every turn the gripping writing reminds you of a world of spies and betrayal that was so much a part of life in post - war Europe...Superb from start to finish.' JEREMY VINE On 3 May 1961, after a trial conducted largely in secret, a man named George Blake was sentenced to an unprecedented forty - two years in jail. At the time few details of his crimes were made known. By his own confession he was a Soviet spy and rumours later circulated that his actions had endangered British agents, but the reasons for such a severe punishment were never revealed. To the public, Blake was simply the greatest traitor of the Cold War. Yet, as Roger Hermiston reveals in this thrilling new biography, his story touches not only the depths of treachery, but also the heights of heroism. In WWII the teenage Blake performed sterling deeds for the Dutch resistance, before making a dramatic bid for freedom across Nazi - occupied Europe. Later recruited by British Intelligence, he quickly earned an exemplary reputation and was entrusted with

building up the Service's networks behind the Iron Curtain. And, following a posting to Seoul, he also suffered for his adopted country, when captured by North Korean soldiers at the height of their brutal war with the South. By the time of his release in 1953, Blake was a hero, one of the Service's brightest and best officers. But unbeknownst to SIS they were harbouring a mole. Week after week, year after year, Blake was assiduously gathering all the important documents he could lay his hands on and passing them to the KGB. Drawing on hitherto unpublished records from his trial, new revelations about his dramatic jailbreak from Wormwood Scrubs, and original interviews with former spies, friends and the man himself, *The Greatest Traitor* sheds new light on this most complex of characters and presents a fascinating shadow history of the Cold War.

The Spy and the Traitor Jun 30 2022 NEW YORK TIMES

BESTSELLER • The celebrated author of *Double Cross* and *Rogue Heroes* returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. "The best true spy story I have ever read."—JOHN LE CARRÉ Named a Best Book of the Year by *The Economist* • Shortlisted for the Bailie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation's communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union's top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence plots, as the Soviet leadership grew increasingly paranoid at the United States's nuclear first-strike capabilities and brought the world closer to

the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky's name to its counterparts in the CIA, which in turn grew obsessed with figuring out the identity of Britain's obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky's nail-biting escape from Moscow in 1985, Ben Macintyre's latest may be his best yet. Like the greatest novels of John le Carré, it brings readers deep into a world of treachery and betrayal, where the lines bleed between the personal and the professional, and one man's hatred of communism had the power to change the future of nations.

The Greatest Traitor Nov 04 2022 A portrait of the fourteenth-century rebel baron-turned-English king describes his military accomplishments, daring escape from the Tower of London, relationship with lover Queen Isabella, and successful attack on England. 20,000 first printing.

Traitor Mar 28 2022 "Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy... compelling." --Financial Times Political historian and commentator David Rothkopf shows how Trump will be judged by history (Spoiler alert: not well) in *Traitor*. Donald Trump is unfit in almost every respect for the high office he holds. But what distinguishes him from every other bad leader the U.S. has had is that he has repeatedly, egregiously, betrayed his country. Regardless of how Senate Republicans have let him off the hook, the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous. He has clearly broken faith with the people of the country he was chosen to lead, starting long before he took office, then throughout his time in the White House. And we may not yet have seen the last of

his crimes. But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history: is the president of the United States the greatest threat this country faces in the world? We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective. After his examination of traitors including Benedict Arnold, Aaron Burr, and leaders of the Confederacy, David Rothkopf concludes that Donald Trump and his many abettors have committed the highest-level, greatest, most damaging betrayal in the history of the country.
