**Intimate Caresses** Jun 25 2019 He'd only known her a couple hours, but already he wanted her. Now, if only she wasn't a murder suspect... Detective Brock Transom eyed Nina Jansen across her desk. In the short span of time since the body of her boss had been found, he'd picked up a number of interesting insights. Some had been freely given - from the crime scene techs and medical examiner, as expected. Others had come, knowingly or unintentionally, from the man's coworkers, including the beautiful brunette in front of

him. Two things about her were clear: she had strong negative feelings about the deceased, and she was hiding something. His challenge was going to be to separate his investigative instincts from the compelling attraction he felt for this woman. Nina felt like she was on a roller coaster. In the dark. Going backwards. Since the day began, she had been unexpectedly jerked up, down, and sideways. The big "drop from the ride's peak" being the revelation that her lecherous creep of a boss had been murdered! Now, the detective whose presence had

so electrified her as the police screened arriving employees was questioning her with more than a casual interest. His inquiries about her boss were easy - she had detested the man, but she certainly hadn't killed him! But accounting for her time outside the office could expose activities that she wasn't ready to reveal. Now - how to remove herself from suspicion when Detective Transom's mere touch made her stomach flutter and her heartbeat race? Enjoy Intimate Caresses - book two in The Love and Danger Series!

### **The Tycoon's Tender**

**Triumph** Jul 19 2021 Ever since she'd realized men were more than just irritants, Chloe had been fascinated by Sam Marchant. As the years went by, that fascination had grown into infatuation, to the point where simple dates with other men left her cold and unmoved. So when Sam showed up in her life once again, larger than life and sexier than ever, Chloe was furious that she still had feelings for this man who would take her out to dinner

one night, talk and laugh and make her feel special, then go out with another woman the following night. She tried very hard to hate Sam for that betrayal, but her body couldn't resist the allure of his magnificent physique. It was like her mind was telling her to run but her feet were...not just standing still but wrapping themselves around Sam's waist while her mouth kissed him with all the longing and need pent up for years. Sam stepped in and gave her the courage to follow her dream. And that led to one incredible night in his bed. A night Sam was unwilling to allow being a one night stand. Getting Chloe to the altar though was going to be his biggest challenge because she was afraid of him for reasons she refused to discuss. He would win though, and he'd show her a love as big as the Texas sky. She just had to trust herself enough to let that love into her heart.
