**Speaking and Writing Strategies for the TOEFL iBT** Oct 09 2020 Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all

argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: \* Essential rhetorical strategies and opinion development strategies \* Step-by-step basic responses for all speaking and writing tasks \* Step-by-step advanced responses for all speaking and writing tasks \* Step-by-step emergency responses for all speaking and writing tasks \* How to revise your spoken and written responses to maximize scoring \* How to rate spoken and written responses quickly and proficiently ARGUMENT DEVELOPMENT Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score. ARGUMENT MAPPING Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based strategy called argument mapping. SCORING STRATEGIES Learn how to think like a TOEFL rater so you know exactly what to say and write to maximize scoring.

**ENGLISH LANGUAGE LABORATORIES** Jul 26 2019 Today, acquiring English language skills has become so essential, especially for those who are looking for new jobs in reputed organizations as well as for the practising professionals. Many engineering students, even though they have adequate knowledge of their subject, are unable to express themselves well in English. Taking this into account, engineering colleges/institutes have introduced exclusive English Language Laboratories where students are drilled in the practical aspects of the English language. This compact and comprehensive book is a step-by-step practical guide to students, telling them how to prepare technical reports and how to acquire the basic communication skills—listening, speaking, reading and writing. The book deals with conversation, situational dialogues and role plays, and Group Discussions (GDs). It also gives detailed discussion about Interviews—step-by-step preparation, practical and psychological preparation, the dos and don'ts for interview—besides dealing with different kinds of interviews: telephonic, videoconferencing, and others. In addition, the text stresses the importance of researching the organization, and salary negotiations. Finally, the book shows the students how to make powerpoint presentations (PPTs), the structure of presentation and using audio visuals. This activity based, skill-oriented, learner centred book is designed according to the WBUT syllabus on Technical Report Writing and Language Laboratory Practice for the B.Tech. students. However, it would be equally useful for B.Tech./B.E. students across the country. **DISTINGUISHING FEATURES** : A practical and student friendly text, the stress being on the functional aspects of the language and various activities for acquiring the language. Gives the Methodology of conducting activities such as GDs, Interviews and Presentation. Provides model GD topics and the step-by-step process of making PPTs. Clearly spells out all the details, right from preparing a good job application, researching the company (including its financial health), to preparing the job portfolio, to wearing the proper dress, handling questions, and negotiating salary. Provides an extensive list of probable questions along with their answers to prepare students for mock interviews. Also gives well-crafted questions at the end of each lesson.
