**Salvation in Three Time Zones Apr 02 2020** Do you know what the Bible means by the terms "saved" and "salvation"? Have you been saved in the past from sin's penalty? Are you being saved in the present from sin's power? And do you know with certainty that you will be saved in the future from sin's very presence? **SALVATION IN THREE TIME ZONES** explains why God's free gift of salvation is one of the most wonderful and vital subjects in the entire Bible and why distinguishing between the three tenses of salvation is essential for every believer's personal assurance, spiritual growth, and correct and consistent interpretation of God's Word. This practical study shows from the Bible that God's grace guarantees the believer in Christ a past and future salvation, while also providing all that is necessary for salvation in the present. Many difficult passages dealing with salvation are explained and clarified. Three chapters at the end of the book cover "test passages" to determine which type and tense of salvation is being referred to (Matthew 24:13; 1 Corinthians 3:15; and James 2:14-26).

**The Potter's Freedom Aug 07 2020** What is Dr Geisler warning the Christian community about in this book? . . . A new cult? Secularism? False prophecy scenarios? No -- Dr Geisler is sounding the alarm about a system of beliefs commonly called "Calvinism". He insists this belief system is "theologically inconsistent, philosophically insufficient, and morally repugnant". The book is written as a reply to Dr Geisler, but it is much more: it is a defence of the very principles upon which the Protestant Reformation was founded. Indeed, it is a defence of the very gospel itself! In a style that both scholars and layman can appreciate, James White masterfully counters the evidence against so-called "extreme Calvinism", defines what the Reformed Faith actually is, and concludes that the gospel preached by the Reformers is the very one taught in the pages of Scripture.

*Commentary on the New Testament* Sep 07 2020 Verse-by-verse explanations with a literal translation Shouldn't a Bible commentary clarify what God's Word actually says? Going beyond questions of authorship, date, sources, and historicity, respected linguist and teacher Gundry offers a one-volume exposition of the New Testament that focuses on what is most useful for preaching, teaching, and individual study--what the biblical text really means. Providing interpretive observations in a "breezy" style that's easy to read and adaptable for oral use in pulpit or classroom presentations, Gundry directs his book to an evangelical audience. His crisp translation of the New Testament inserts various phrasings of passages in brackets, allowing for smooth transition from original text to alternative and contemporary readings.

**SAMPLE TEXT OF TRANSLATION JOHN'S PREDICTING A MORE POWERFUL BAPTIZER THAN HE** (Mark 1:1-8) 1:1-3: The beginning of the gospel of Jesus Christ, God's Son, according as it's written in Isaiah the prophet, "Behold, I'm sending my messenger before your face [= ahead of you], who'll pave your way [= the road you'll travel], [the messenger who is] the voice of one crying out in the wilderness, 'Prepare the way of the Lord. Make his paths straight.'" Pastors, Sunday school teachers, small-group leaders, and laypeople will welcome Gundry's non-technical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures. A trustworthy guide for anybody wanting to delve deeper into God's Word. **SAMPLE TEXT OF COMMENTS** "Gospel" means "good news." Jews would associate this good news with Isaiah 52:7. Non-Jews would think of the good news of an emperor's accession to power, birthday, visit to a city, military victory, or bringing of prosperity to the empire. But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms. "The gospel of Jesus Christ" therefore means "the gospel about Jesus Christ" and refers to a proclaimed message ("the voice of one crying out"), not a book (though because books like Mark's contain that proclaimed message, the term came to refer to those books in the capitalized form of "Gospels" to distinguish them from the message, kept uncapitalized as "gospel").
