From the Apennines to Spoon River. Stories of Migration from the Mountains of Bologna and Modena of America at the Turn of the Twentieth Century Sep 22 2021

Nimrod's Shadow Oct 12 2020 Reilly is an impoverished painter who lives alone in a shabby garret, with only his unsold canvases and his faithful dog Nimrod for company. He seems destined to remain in artistic obscurity until the most influential art critic of the time begins to notice his talent. But no sooner has he found a patron than the critic is found drowned in a local canal and the trail leads directly back to Reilly. From Reilly's prison cell in Edwardian London to an exclusive gallery in contemporary Soho, the clues that lead to the real murderer lie carefully hidden, until the day when Samantha, a young office assistant, finds herself drawn to one of Reilly's pictures and decides to embark on her own investigation ... Steeped in atmosphere and laced with intrigue, *Nimrod's Shadow* is a gripping tale of genius, jealousy and revenge - with a few twists and turns along the way.

The Tale of Despereaux Dec 02 2019 A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

The Road May 07 2020 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

Antologia di Spoon River Jan 27 2022 Dalla tomba in cui sono sepolti, i cittadini di una piccola cittadina americana svelano i segreti della loro vita. In versi sciolti, ma quasi regolari, con una ironia pungente, evocano la vita del villaggio che, al di sotto della spesse coltre puritana, in realtà nasconde concupiscenza e vizio. Il motivo principale del libro sta nella trasformazione dell'amore nel suo opposto, la lussuria. Tutto si deforma e i sogni appassiscono. La raccolta comprende diciannove storie che coinvolgono un totale di 248 personaggi che coprono praticamente tutti i mestieri umani. L'opera di questo cantore dell'Illinois è riuscita, nel nostro paese più che in altri, a scavare nei cuori di generazioni di lettori. È forse l'attrazione costante per la morte a donare vita alla poesia di Edgar Lee Masters. Ed è attorno alla morte che si gioca l'intreccio di storie di questo canovaccio vitale e funereo al tempo stesso. In Italia il successo di questo libro, profondamente liberatorio e libertario, fu dovuto alla traduzione di Fernanda Pivano (con il supporto di Cesare Pavese) e alla vicenda che la portò in carcere proprio per aver tradotto il libro, invisato al regime fascista. Infine, ulteriore fama al libro di Lee Masters fu data dall'interpretazione di Fabrizio De André, che assieme a Nicola Piovani, diede alla luce nel 1971 un album straordinario come *Non al denaro non all'amore né al cielo*.

Antologia di Spoon River Feb 13 2021 Da quando Cesare Pavese la presentò nel 1941 nella bella traduzione di Fernanda Pivano, *Spoon River Anthology* non ha conosciuto soste nella fortuna presso il pubblico dei lettori italiani. E il segreto sta probabilmente nella poetica, universale verità dei personaggi di quella che è stata definita la commedia umana degli Stati Uniti. *Spoon River* è qualcosa infatti tra la lirica e la narrativa. La storia di una piccola città americana con le sue mille vite, ognuna chiusa nel suo dramma e raccontata attraverso le lapidi del suo cimitero. Con testo a fronte.

There are 60 odd characterizations and vignettes in this constantly interesting entertainment offering an amazingly varied array of

Un bel posticino. Lo Spoon River di Hermann Hesse Jul 09 2020

Olive Kitteridge Mar 05 2020 WINNER OF THE PULITZER PRIZE • THE EMMY AWARD-WINNING HBO MINISERIES STARRING FRANCES MCDORMAND, RICHARD JENKINS, AND BILL MURRAY In a voice more powerful and compassionate than ever before, New York Times bestselling author Elizabeth Strout binds together thirteen rich,

luminous narratives into a book with the heft of a novel, through the presence of one larger-than-life, unforgettable character: Olive Kitteridge. At the edge of the continent, Crosby, Maine, may seem like nowhere, but seen through this brilliant writer's eyes, it's in essence the whole world, and the lives that are lived there are filled with all of the grand human drama—desire, despair, jealousy, hope, and love. At times stern, at other times patient, at times perceptive, at other times in sad denial, Olive Kitteridge, a retired schoolteacher, deplores the changes in her little town and in the world at large, but she doesn't always recognize the changes in those around her: a lounge musician haunted by a past romance; a former student who has lost the will to live; Olive's own adult child, who feels tyrannized by her irrational sensitivities; and Henry, who finds his loyalty to his marriage both a blessing and a curse. As the townspeople grapple with their problems, mild and dire, Olive is brought to a deeper understanding of herself and her life—sometimes painfully, but always with ruthless honesty. Olive Kitteridge offers profound insights into the human condition—its conflicts, its tragedies and joys, and the endurance it requires. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • USA Today • The Atlantic • The Washington Post Book World • Seattle Post-Intelligencer • Entertainment Weekly • The Christian Science Monitor • San Francisco Chronicle • Salon • San Antonio Express-News • Chicago Tribune • The Wall Street Journal “Perceptive, deeply empathetic . . . Olive is the axis around which these thirteen complex, relentlessly human narratives spin themselves into Elizabeth Strout's unforgettable novel in stories.”—O: The Oprah Magazine “Fiction lovers, remember this name: Olive Kitteridge. . . . You'll never forget her. . . . [Elizabeth Strout] constructs her stories with rich irony and moments of genuine surprise and intense emotion. . . . Glorious, powerful stuff.”—USA Today BONUS: This edition includes an excerpt from Elizabeth Strout's *The Burgess Boys*.

Across Spoon River May 31 2022 The memoirs of one of Illinois' great poets, author of *Spoon River Anthology*, with many vignettes of the Chicago Renaissance. This intimate and provocative autobiography, first published in 1936, reveals the innermost thoughts of a great American poet. Edgar Lee Masters was a transitional figure in American literature with one foot planted in the nineteenth century and the other firmly placed on the path of what we now think of as the modern period. Richly illustrated throughout with black and white photographs. "Across Spoon River: An Autobiography is blunt and cranky about a life [Masters] saw as largely "scrappy and unmanageable." Emphasizing life on his grandfather's farm, his school days, his political battles, the workday world, and the growth of a poet's mind through wide reading, the book is a valuable record of Masters's work habits and offers considerable insight on his position as a critic and his place in American literature."—Ronald Primeau, *American National Biography*
