The Caucasian Chalk Circle Jun 18 2021 This Student Edition of Brecht's classic dramatisation of the conflict over possession of a child features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child; thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is a politically-charged, much-revived and complex example of Brecht's epic theatre. This volume contains expert notes on the author's life and work, historical and political background to the play, photographs from stage productions and a glossary of difficult words and phrases. It features the acclaimed translation by James and Tania Stern with W. H. Auden.

TEACHING ENGLISH, LANGUAGE AND LITERACY Nov 11 2020 This fully updated second edition of *Teaching English, Language and Literacy* is an essential introduction for anyone learning to teach English at primary school level. Designed for students on initial teacher training courses, but also of great use to those teachers wanting to keep pace with the latest developments in their specialist subject. The book covers the theory and practice of teaching English, language and literacy and includes comprehensive analysis of the Primary National Strategy (PNS) Literacy Framework. Each chapter has a specific glossary to explain terms and gives suggestions for further reading. This second edition covers key areas that students, teachers and English co-ordinators have to manage, and includes advice on: developing reading, including advice on choosing texts, and the role of phonics improving writing skills, including advice on grammar and punctuation

planning and assessing speaking and listening lessons working effectively with pupils who are multilingual understanding historical developments in the subject the latest thinking in educational policy and practice, the use of multimedia maintaining good home-school links. gender and the teaching of English language and literacy All these chapters include clear examples of practice, coverage of key issues, analysis of research, and reflections on national policy to encourage the best possible response to the demands of the National Curriculum.

Focus on Grammar Apr 16 2021

Values Education on Human Sexuality Dec 25 2021

SPECIAL QUESTIONS (FOR GRADE 11, THE AGE OF DEEPENING) The book series is all about education in human sexuality, based on the nourishment and cultivation of the natural gift of a person's character. The series is based on the premise that **SEXUALITY EDUCATION** is, basically, **CHARACTER EDUCATION**, which in turn is founded on human dignity and encompasses formation in moral standards and human conduct; hence, covering the key elements of "life and love, and everything in between". Comprising an introductory volume for parents and teachers; a volume for classroom use of teachers; a volume for parents; and eight volumes for Grades 5 to 12, respectively, this current volume is specifically addressed to Grade 6 pupils,

about 17 to 18 year olds in their late adolescence. It talks about SPECIAL QUESTIONS: on issues concerning life; sex; marriage; and human identity. Since men and women have been gifted with intellect and will, one becomes highly capable of using well or abusing these powers for the good or damage of self and fellowmen. It is thus extremely important that students at this age have a deep appreciation of the issues confronting the modern world, especially in the realm of sexuality and the channels of its development. The book series is characterized by sound, perennial concepts and by teaching and learning tools geared towards the age group being addressed.

Two Little Soldiers Mar 04 2020 Jean and Luc are two best friends serving in the army. Life as a soldier is unforgiving, but every Sunday provides a

ray of hope for the two soldiers as they walk down the Seine river and lunch in a forest that reminds them of home. The idyllic countryside of Champioux is, to them, a little heaven. Yet when a milkmaid catches one of the soldier's eyes, the two friends' ordered world begins to unravel. A simple tale of friendship, love, and loss, "Two Little Soldiers" is a masterful portrayal of Maupassant's knowledge of the human soul and condition. Perfect for readers of Hemingway, this short story is tinged with the tragedy of war seen through the lives of everyday soldiers. Guy de Maupassant (1850-1893) was a famous French writer, often referred to as the father of the short story. A prolific writer, his best known works include "Bel-Ami", "Une Vie" and "The Necklace", alongside some 300 short stories, travel books, and poetry. A master of style and dramatic narrative, Maupassant's stories are drawn to themes of war, the working class, and the human condition. One of his greatest influences was Gustave Flaubert, who introduced him to some of the central names of the time such as Emile Zola, Ivan Turgenev, and Henry James.
