Shaping the Journey of Emerging Adults Dec 30 2019 In this book Veteran disciplinarians Rick Dunn and Jana Sundene offer concrete guidance for those who shepherd and care for emerging adults, emphasizing relational rhythms of discernment, intentionality and reflection to meet emerging adults where they are at and then to walk with them further into the Christlife.

I, Athlete Jun 03 2020 Are you an athlete? Yes - you are! You may not know it yet, or have ever experienced the intoxicating rush of pure movement, but your inner athlete is lying dormant inside you just waiting to be unleashed! Even if you've played sports or undertaken athletic endeavors, have you really opened yourself to the physical and mental power that simmers just under the surface of your consciousness? You are capable of so much more than you think you are - and the best part is you already know that's true! This book was written for you if you have a burning desire to: - Get healthier - Look better - Feel stronger and more accomplished - Do something physical that you've never done before (from walking a 5K to qualifying for an Ironman!) I, Athlete is an inspirational and practical guidebook for how to find and harness your inner athlete. If you want to do more and be more with your body; if you feel like your limits are still out there waiting to be found; if you hear the chanting echoes of your primal ancestors urging you forward - you are in the right place. It is going to be an exhilarating, often uncomfortable, sometimes terrifying, life-altering journey - and I promise you the rewards are bountiful and sweet. Will you join me?

Journey of the Mind: How Thinking Emerged from Chaos May 27 2022 Two neuroscientists reveal why consciousness exists and how it works by examining eighteen increasingly intelligent minds, from microbes to humankind—and beyond. Why do you exist? How did atoms and molecules transform into sentient creatures that experience longing, regret, compassion, and even marvel at their own existence? What does it truly mean to have a mind—to think? Science has offered few answers to these existential questions until now. Journey of the Mind is the first book to offer a unified account of the mind that explains how consciousness, language, self-awareness, and civilization arose incrementally out of chaos. The journey begins three billion years ago with the emergence of the universe's simplest possible mind. From there, the book explores the nanoscopic archaeon, whose thinking machinery consists of a handful of molecules, then advances through amoebas, worms, frogs, birds, monkeys, and humans, explaining what each "new" mind could do that previous minds could not. Though they admire the triumph of human consciousness, Ogi Ogas and Sai Gaddam argue that humans are hardly the most sophisticated minds on the planet. The same physical principles that produce human self-awareness are leading cities and nation-states to develop "superminds," and perhaps planting the seeds for even higher forms of consciousness. Written in lively, accessible language accompanied by vivid illustrations, Journey of the Mind is a mind-bending work of popular science, the first general book to share the cutting-edge mathematical basis for consciousness, language, and the self. It shows how a "unified theory of the mind" can explain the mind's greatest mysteries—and offer clues about the ultimate fate of all minds in the universe.

Road of Ash and Dust Apr 13 2021 aware that hunger, sickness and deprivation were awaiting him, a young idealist leaves the United States and embarks on a spiritual journey to West Africa. Repeatedly challenged by a world beyond his understanding and thrown into harsh, critical self-reflections, he is repulsed by the image of himself that Africa forces him to confront. Road of Ash and Dust: Awakening of a Soul in Africa is a deeply intimate and, somewhat, voyeuristic unveiling of aspects of The African-American Experience rarely committed to print. ROAD allows you access to one of the most universal rites of passage, the discovery of self. Author E.L. Cyr's channels voices from a distant and muted past, guiding us into understanding that many of the answers to our most troubling questions do, truly, come from within.

[Pirate Journey](#) Jul 29 2022 Dave Adams is a teenager standing at a crossroads in his life. He's lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and opportunities available for a captain willing to do what it takes to get ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? Pirate Journey explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.

A Survivor's Journal Jul 05 2020 There are many emotions that need to be expressed for true healing to begin. Starting is the hard part. Inside this journal, I began the sentences for you. Completing them is your first step to healing. These particular sentences were created to help you to tap into those emotions you are afraid to share with others for fear of rejection. The pain of guilt, shame, fear, anger, anxiety, and other emotions you've been afraid to confront, are not yours to hold onto. We are a visual people. You have to see your pain to heal from it. As the former wife of John Allen Muhammad, the convicted and now executed, DC Sniper, I've felt no one could handle my emotions. I knew I had to get them outside of myself to heal. I began journaling and found more emotions I didn't realize existed. I couldn't tell anyone because I felt ashamed, guilty, and thought no one would believe me anyway. Writing them down gave me the opportunity to truly focus on my pain and how these emotions were affecting my everyday living. As I continued to write, without worrying about punctuation or how I would be accepted for what I was saying, my heart was no longer heavy. The more sentences I completed, the better I felt on a daily basis. Peace of mind is a wonderful thing! I'm so thankful to God for giving me the inspiration and guidance to share this journaling process with you. I hope and pray you will use it as a tool to help in your healing process. We all need to confront our emotional injuries we suffer on a daily basis. It is a long journey, however, it is worth the trip. A comprehensive safety plan, to escape your abusive relationship along with resources for victims/survivors are included.

Nine Year Pregnancy May 03 2020 In her narrative, Nine-Year Pregnancy, Delana H. Stewart reveals a journey of having a dream, experiencing the death of that vision, and seeing God fulfill it in His time. If you are waiting on God to answer a prayer or feel like God will never answer your prayer for a child, for a mate, for some other need or desire or dream-then this book will show you how one family trusted God to walk with them through the dark, scary, unknown valleys as they waited on Him. If you are anywhere in the adoption process-from thinking about it to preparing to go pick up your child to dealing with attachment disorder-then this book will offer you insights, faith, and peace for the journey. If you are trying to get pregnant or have experienced a miscarriage, then this book may give you hope and encourage you to hang on. "For the vision is yet for the appointed time; It hastens toward the goal and it will not fail. Though it tarries, wait for it; For it will certainly come, it will not delay" (Habakkuk 2:3 NASB).

Young, Restless, Reformed Feb 21 2022 From places like John Piper's den, Al Mohler's office, and Jonathan Edwards's college, Christianity Today journalist Collin Hansen investigates what makes today's young Calvinists tick. Church-growth strategies and charismatic worship have fueled the bulk of evangelical growth in America for decades. While baby boomers have flocked to churches that did not look or sound like church, it seems these churches do not so broadly capture the passions of today's twenty-something evangelicals. In fact, a desire for transcendence and tradition among young evangelicals has contributed to a Reformed resurgence. For nearly two years, Christianity Today journalist Collin Hansen visited the chief schools, churches, and conferences of this growing movement. He sought to describe its members and ask its leading pastors and theologians about the causes and implications of the Calvinist resurgence. The result, *Young, Restless, Reformed*, shows common threads in their diverse testimonies and suggests what tomorrow's church might look like when these young evangelicals become pastors or professors.

Light Emerging Nov 01 2022 Barbara Ann Brennan continues her ground-breaking exploration of the human energy field, or aura—the source of our experience of health or illness. Drawing on many new developments in her teaching and practice, she shows how we can be empowered as both patients and healers to understand and work with our most fundamental healing power: the light that emerges from the very center of our humanity. In a unique approach that encourages a cooperative effort among healer, patient, and other health-care providers, *Light Emerging* explains what the healer perceives visually, audibly, and kinesthetically and how each of us can participate in every stage of the healing process. Presenting a fascinating range of research, from a paradigm of healing based on the science of holography to insights into the "hara level" and the "core star," *Light Emerging* is at the leading edge of healing practice in our time.

A Journey to Oneness Feb 09 2021 "AN EXTRAORDINARY VOYAGE THROUGH THE LABYRINTHS OF CONSCIOUSNESS! In A Journey to Oneness—the long-awaited sequel to the spiritual classic, *Oneness--Rasha* takes us on a fascinating seven year odyssey, as she shares the incredible story of her own spiritual journey. With the profound wisdom of Oneness (the Divine Presence many refer to as "God") to light the way, this vivid literary tapestry gives us a candid glimpse into the depths of the awakening process and takes us for an authentic ride on the roller coaster of spiritual transformation. The loving words of Oneness, woven throughout, convey a deep sense of the sacred. And the simple act of reading becomes a life changing Divine encounter that each reader shares on an intimate, personal level. Rich with Divine insight, *A Journey to Oneness* gives us a vibrant new vision of the nature of humanness and an in-depth guide to discovering the Divinity within. Here, in one woman's unforgettable spiritual adventure, is the key to the actual experience of Oneness—the God within us all.

Freedom, Glorious Freedom Jan 23 2022 In *Freedom, Glorious Freedom*, acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self-acceptance. McNeill discusses freedom of conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and psychotherapist, has been devoting his life to spreading the good news of God's love for lesbian and gay Christians.

Eleanor of Aquitaine - The Journey East Dec 10 2020 In *The Journey East*, Mark Richard Beaulieu continues the adventurous life of Eleanor of Aquitaine with a second volume set in the historically rich 12th century. At age 14 the young French Queen brings her culture into conflicted Paris where she will become a mother, and with her court, lead an army on an amazing journey of personal destinations. With hair the color of golden fire, this parentless girl is brought East into Paris. Married to King Louis the Seventh, Eleanor is not allowed to bring her Aquitaine chevaliers, troubadours, or friends. She runs up against the French Court, a reigning Queen, and a dark city of obedient religion. Outside of Paris a new cathedral being made of glowing walls of stained glass is run by Abbot Adam Suger. He is in conflict with Abbot Bernard of Clairvaux, the nemesis of Eleanor's family. In the division of faith Eleanor takes sides, but not as you might expect in this contest for power. The young attractive queen faces trials of majesty to bring light to Paris. Upholding her sister's marriage and dealing with factions that struggle to divide the realm, Eleanor and her king are swept up into the French civil war. After her first child, her Aquitaine messenger birds warn that The Crusade of her forefathers would not be the last. Recruiting the greatest land army ever assembled, using her seductive skills, Eleanor embarks on a 3,000 mile journey East across medieval Europe to enter the ill-fated Second Crusade. She, her champions, and court train of three hundred women encounter the enchanting culture of Byzantium - the greatest city in the world. After a luxurious stay, they cross into mountainous Outremer, and begin the brutal winter war against the Saracens. Eleanor and her friends will test the bounds of chivalry, love, courage, endurance, and limits of faith. This is an amazing exploration and passionate telling of her journey and her people.---In development for twelve years, and based on recent historic research, this story significantly updates the historical writings on Eleanor of Aquitaine. Discover how she will become one of the most powerful and enigmatic women of the middle ages as she develops her own Eleanor Code. Born Alienor d'Aquitaine in 1124, died in 1204, she twice becomes a queen, once for France with King Louis 7th, then for England with King Henri 2nd. In development for twelve years and based on the latest scholarly research, these stories significantly update earlier fictions about the world of Eleanor of Aquitaine. Each character comes across challenges that many a young person faces and resolves them in exciting, unusual ways – leading to the creation of the Eleanor Code. This is the 4th printing, updated December, 2014. Review by the Historical Novel Society.

Brain Wreck Sep 18 2021 At 8,000 miles away from home, a business professional delivers a polished presentation to a group of executives. And within two hours, she forgets how to walk. Talking becomes too strenuous. She is struck by an odd series of neurological deficits that baffle her and a dozen doctors ... for 27 months. *Brain Wreck* is a must read for anyone who has witnessed the frustration of a mysterious illness. This is a story of determination and an unrelenting journey to save one's mind. With humor and unabashed honesty, the author restores a shattered spirit while striving to be "normal."

Hands of Light Aug 30 2022 With the clarity of a physicist and the compassion of a gifted healer with fifteen years of professional experience observing 5,000 clients and students, Barbara Ann Brennan presents the first in-depth study of the human energy field for people who seek happiness, health and their full potential. Our physical bodies exist within a larger "body," a human energy field or aura, which is the vehicle through which we create our experience of reality,

including health and illness. It is through this energy field that we have the power to heal ourselves. This energy body -- only recently verified by scientists, but long known to healers and mystics -- is the starting point of all illness. Here, our most powerful and profound human interactions take place, the precursor and healer of all physiological and emotional disturbances. Hands of Light is your guide to a new wholeness. It offers: • A new paradigm for the human, in health, relationship, and disease • An understanding of how the human energy field looks, functions, is disturbed, healed, and interacts with friends and lovers. • Training in the ability to see and interpret auras • Medically verified case studies of healing people from all walks of life with a variety of illnesses. • Guidelines for healing the self and others. • The author's personal and intriguing life adventure which gives us a model for growth, courage and possibilities for expanded consciousness

Signing with a Heavy Hand and Heart, Love Mommy Jan 11 2021 Words from Ms. Torres: " I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life. " " If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be encouraging and supportive. Staying away from alcohol yourself would be helpful. " What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria " Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome." Deborah Thornton, SEDNET Project Mangement " Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities. " Barbara Shannon, School Psychologist Last night, I received a copy of Signing with a heavy hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres from Ms. Torres. I opened it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel." Grace and Sexuality Aug 06 2020 Many efforts to address the problem of sexual addiction tend to focus on either more commitment or repression of sexual desires. But these strategies do not work, and they diminish the meaning and beauty of sexuality. In Grace and Sexuality, the author emphasizes that sexual desire should neither be indulged nor repressed. Rather, healing comes through grateful integration of sexual desire into our lives. As we learn to accept our sexual desires and channel them with love, gratitude and respect, our passions can be rewired. This attitude of grateful integration can deliver us from needless shame for having a sexual nature and enable us to celebrate our freedom from guilt and enjoy our sexuality and closest relationships.

Core Light Healing Sep 30 2022 Barbara Ann Brennan, founder of the Barbara Brennan School of Healing and best-selling author of Hands of Light and Light Emerging, is one of the most influential healers and spiritual leaders of the 21st century. Now, in her latest book, Core Light Healing, her work continues with revolutionary new information on working with the creative process and the fourth level. The fourth-level, or astral, world bridges the creative pulse from the physical to the higher levels of reality and manifestation. Core Light Healing also chronicles Barbara Brennan's life journey and personal experiences. In Core Light Healing you will discover: • The nature of the creative process from the Human Energy Consciousness perspective • How each of us creates blocks in our energy fields; how blocks look, interact, and ultimately cause dysfunction in our lives; and the process involved in the clearing of blocks and releasing our creative potential • How to develop and work with High Sense Perception and its role in facilitating the clearing of blocks in our energy fields • The nature of fourth-level reality and its vital role in the creative process • The fourth level as it relates to healing relationships and the cord connections that underlie those relationships • And much more Complete with full-color and black-and-white illustrations, Core Light Healing offers to take you on a journey to create the life you have always imagined.

Holding Back The Tears Dec 22 2021 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

Journey to Oneness May 15 2021 The Journey to Oneness has helped thousands of premarital and married couples to develop, enrich and experience vibrant relationships. Hundreds of crisis couples have reconciled their marriages using the Journey to Oneness Model. What Should You Expect from the Journey to Oneness? The Journey to Oneness shows how relationships transition from individualism towards interdependence and a shared identity. Couples will discover

that intimacy and commitment increase as they progress from one stage to the next. Premarital couples will find that the Journey to Oneness empowers them to establish healthy boundaries that promote mutuality in friendships and validation of each others values. Dating couples are responsible to encourage each others pursuit of their dreams and goals. Couples in the friendship/ dating stage are not a "we" but two friends who are learning to have each others best interest in mind. Married couples will be revisiting or reinvesting in one or more of the stages of the Journey to Oneness that are underdeveloped in order to cultivate the characteristics of friendship or shared values in their relationship. At times, couples will prioritize their parenting responsibilities, careers or hobbies above their friendship with each other. When this happens, couples feel disconnected, even though they are committed to their marriage and family life. Couples will be able to rekindle their friendship by reinvesting in areas of communication, conflict resolution or sexual intimacy. The Journey to Oneness offers resources and practical application that allow couples to establish the foundations of friendship and shared values. For some couples, values were underdeveloped while others began their marriage without a strong friendship. How to Use Journey to Oneness Throughout this book, you will read the stories of premarital and married couples who are addressing topics such as communication, conflict resolution, financial management or marital crisis. These stories represent real-life circumstances that will help couples to learn new ways of communicating and resolving conflict. Journey to Oneness can be used individually or in group settings by premarital or married couples. The first half of the book will enrich friendship and shared values in premarital and marriage relationships. The second half of the book reveals how to restore broken trust and reconcile crisis relationships. In order to enrich couple satisfaction in dating, engaged and marriage relationships, Life In Motion Resources(tm) is offering a free Relationships Growth Plan for my readers. The Life In Motion Relationships Inventory (LIMRI) measures friendship, shared values and couple satisfaction in dating, engaged and married relationships. You can find out more about the LIMRI at www.lifeinmotionresources.com. To receive the free inventory, go to www.limri.org/relationships. The LIMRI is an online assessment tool that churches, counselors and Christian organizations can utilize to enrich the relationships of their members, clients, staff, leadership, or employees. Couples answer demographic questions that generate personalized inventories for dating, engaged or married couples. The LIMRI is a values based inventory that uses Scriptures, biblical principles and healthy relationship practices to increase couple satisfaction in couple and parenting relationships.

Your Inner Fish Mar 25 2022 Neil Shubin, the paleontologist and professor of anatomy who co-discovered Tiktaalik, the " fish with hands, " tells the story of our bodies as you've never heard it before. The basis for the PBS series. By examining fossils and DNA, he shows us that our hands actually resemble fish fins, our heads are organized like long-extinct jawless fish, and major parts of our genomes look and function like those of worms and bacteria. Your Inner Fish makes us look at ourselves and our world in an illuminating new light. This is science writing at its finest—enlightening, accessible and told with irresistible enthusiasm.

Called Away by a Mountain Spirit Oct 08 2020 This book details the accounts of three expeditions into the interior of Virachey National Park in Ratanakiri Province of Northeastern Cambodia, as well as an excursion into the forests of Mondulkiri Province. The author and his Khmer-Lao and indigenous guides penetrate the remote canyons near the Laos border, a lost world of tropical jungles and remote grasslands that are known only to a handful of poachers and loggers. This book also describes the animist tribes who live on the park's periphery, including the Brao, Kreung, Tampuan and Bunong highlanders. This work of non-fiction is also concerned with the endangered wildlife that persists within the park's boundaries, such as tigers, clouded leopards, leopards, Asiatic elephants, gibbons, douc langurs, hornbills, and much more. For those interested in the natural history and indigenous cultures of Cambodia and Southeast Asia -as well as the current threats to the region- this book will be of interest.

The Forgotten Chapters Jul 17 2021 Katherine Dimancescu's narrative offers readers a window into the lives of some of her well-known and also little known maternal ancestors who helped shape the New England communities they called home. These discoveries include Mayflower passengers John Alden and his future wife Priscilla Mullins, ancestral homesteads from the 1600s, veterans of The Pequot War (1637) and King Philip's War (1675-76), slave-owning ancestors in New England, 17th and 18th century diary keepers whose original diaries are in archives, persecuted Quakers including Mary (Barrett) Dyer who was hanged on Boston Common, and signers of The Flushing Remonstrance.
