**Madly Marvelous** Feb 11 2021 From the award-winning costume designer of Amazon Prime Video's *The Marvelous Mrs. Maisel*, a collection of the show's costumes, with never-before-seen photography, sketches, production stills, and more Amazon Prime Video's Emmy- and Golden Globe-winning series *The Marvelous Mrs. Maisel* centers on Miriam "Midge" Maisel, a 1950s New York City woman whose seemingly perfect life suddenly takes an unexpected turn, taking her from a comfortable life on Riverside Drive through the basket houses and nightclubs of Greenwich Village as she embarks on a groundbreaking standup comedy career. Created by Amy Sherman-Palladino (creator and showrunner of *Gilmore Girls*), and starring Rachel Brosnahan, Alex Borstein, and Tony Shalhoub, *The Marvelous Mrs. Maisel*

has garnered fan and critical praise alike, with much of the attention focused on the exquisitely designed period costumes. *Madly Marvelous: The Costumes of The Marvelous Mrs. Maisel* explores the inner workings of award-winning costume designer Donna Zakowska's process, as well as the many inspirations for the show's wardrobe, including period photography, American and European fashion trends, and the various cultures and countercultures of late-1950s New York. The clothes of Mrs. Maisel are gorgeous, authentically detailed, and carefully crafted. Illustrated with sketches, photographs from Zakowska's workspace, behind-the-scenes shots, and production stills, the book follows the series from season to season, showing how the vocabulary of fashion—context, style, color, cut, accessories, and more—is integral to defining and developing the characters in the show. *Madly Marvelous* is a must-have for fans of the show and fashionistas alike, providing readers with a curated and well-informed look at an integral period in fashion history.

**Research and Design for Fashion** Jun 29 2022 Fashion demands a steady flow of creative ideas. Research and Design for Fashion will guide you through the research techniques that could spark your next original collection. With practical advice on designing effective moodboards, recycling existing garments and getting to know your customer, this new edition will help you master the research process and apply it to your own designs. There's also a wealth of advice through interviews with exceptional designers, including Christopher Raeburn, ThreeASFOUR and Magdaléna Mikulicáková, as well as updated imagery of the research and design work behind both single garments and entire collections. This fourth edition also explores how cultural events, historical anniversaries and sport influences can be the starting point for a collection. There's also more on creative ways of recording your findings and designing for menswear, childrenswear and gender-neutral clothing.

## **Understanding Architecture Through Drawing** Dec 12 2020

This second edition is fully revised and updated and includes new chapters on sustainability, history and archaeology, designing through drawing and drawing in architectural practice. The book introduces design and graphic techniques aimed to help designers increase their understanding of buildings and places through drawing. For many, the camera has replaced the sketchbook, but here the author argues that freehand drawing as a means of analyzing and understanding buildings develops visual sensitivity and awareness of design. By combining design theory with practical lessons in drawing, Understanding Architecture Through Drawing encourages the use of the sketchbook as a creative and critical tool. The book is highly illustrated and is an essential manual on freehand drawing techniques for students of architecture, landscape architecture, town and country planning and urban design.

And Sew to Bed Jan 25 2022 Re-discover the refined elegance of bygone eras with this book of 20 gorgeous vintage-style projects that will turn your bedroom into a luxurious sanctuary. **Professional Fashion Design** Jan 31 2020 A design tutorial by Daniela Bambrilla, Versace's chief design illustrator, the book is an idea of couturier Favio Marconi who, impressed by her drawing style, her unique taste designing fashion collections and the precision with which she captures the flow of fabric over the body, convinced her to put it into print. Here Bambrilla reveals her fresh and innovative style, not better than others, as she writes, but original and distinctive for Versace's workshop, halfway between fashion sketching and illustration. Manuela Brambatti began to work in the fashion world in the late '70's for the fashion magazine Style and for other magazines. She has collaborated with Giorgio Correggiari, Krizia, and Gian Marco Venturi. Employee, and later exclusive partner of the Versace fashion house from 1981 to 2009, Manuela, was crucial in setting standards in the Style magazine for the presentation of all fashion collections and their illustrations and, in recent years, the Home

Collection of the Brand. Foreword writer Bruno Gianesi worked for Gianni Versace's for sixteen years as head stylist and manager of theatrical projects. He designed costumes for respected choreographers and directors such as Maurice Bejart, Roland Petit, William Forsythe, and Bob Wilson and designed also clothing for famous members of the international jet-set, including Elton John, Madonna, Lady Diana, and Sting. The journalist and foreword writer Tony di Corcia published several books about Gianni Versace.

*Gertie's New Fashion Sketchbook* Nov 03 2022 For *Gertie's New Fashion Sketchbook*, Gretchen Hirsch teamed up with illustrator Sun Young Park to reinvent traditional figure templates--known as croquis--for the 21st century. Instead of the unnaturally skinny, tall, and frequently off-balance croquis the fashion industry has been sketching on for decades, this game-changing alternative presents hundreds of realistically sized and proportioned female forms in balanced, lifelike poses. In addition, Park has rendered the croquis with multiple tracing lines, allowing the sketcher to follow the lines that most accurately reflect the body shape desired. Also included are an overview of the design and sketching process and a visual history of garment component styles, all to make it easier to create fashion sketches for women of all shapes and sizes. A body-positive sketchpad to help you achieve your fashion design dreams. Loaded with more than 300 figure templates that are proportionally true to the female form and adaptable to different body types, plus helpful sketching tips

and resources. A breakthrough for aspiring and experienced designers tired of the industry standard of sketching clothing on female figures that are unnaturally skinny and tall (and sometimes even off-balance). Printed in a special ink that fades away when you photocopy it.

**Children Draw** Dec 24 2021 Children Draw is a concise, richly illustrated book, aimed at parents, teachers, and caretakers, that explores why children draw and the meaning and value of drawing for youngsters—from toddlers aged two to pre-adolescents aged twelve. Informed by psychology and practical teaching with children, it guides readers through the progressive stages and characteristics of drawing development as children grow and change mentally, physically, socially, emotionally, and creatively. It offers parents tips about encouraging children to express their ideas visually, age-appropriate art materials, workspaces, and different media, as well as suggestions for making an art museum visit more meaningful—not to mention more fun—for both parents and kids. Packed with many delightful examples of children’s art, Children Draw is an essential book for parents interested in their child’s art activities.
